THA Scholarships

The Foundation of the Texas Hereford Association will award \$1,000 scholarships to qualifying high school seniors and college freshmen. You may call the THA office to obtain information or go to www.texashereford.org and click on the youth link for THA Foundation scholarship requirements and instructions. Deadline for applying is January 15, 2013. The awards will be presented at the THA Annual meeting in Fort Worth, February 2, 2013. The THA's number is 817/831-3161. ★

Attention Juniors: \$5,000 for Top Jr. in Fort Worth National Show

Funds have been committed to award \$5,000 to the top placing junior heifer and \$2,500 to second place junior heifer (if funds permit) that is exhibited at the National Hereford Show in Fort Worth. A second scholarship will be awarded if \$5,000 is exceeded. Exhibitor must be at the halter of his/her own heifer as well as be eligible to show in the junior show the previous week. The heifer must be eligible to show for Grand Champion (no Cow/Calf). This is an incentive to encourage junior exhibitors to exhibit at the open show on February 4, 2013. To be eligible for the award, the exhibitor must enter the open show by the November 15th deadline. The exhibitor must be a member of the Texas Junior Hereford Association.

The sponsors of this award are committed to making this an annual event and hope to grow the fund to increase the prize as well as create a special belt buckle for the event. Anyone wishing to join this effort should contact Jack Chastain at the THA office. ★

Any TJHA member who is a

graduating senior and has exhibited at the Sand Hills Hereford Show is eligible to apply for one of the two \$1,000 scholarships awarded to heifer and steer exhibitors. For more information contact Chelli Evans at the Sand Hills Hereford and Quarter Horse show office at 432/366-3951. ★

WOW! Can you really believe the prices reported on recent sales? The demand and prices paid for both heifers for juniors to show as well as for commercial bulls is fantastic. What a month October proved to be. Look at the sale results of the production sales held this month. Hereford cattle are really moving to the forefront at a

rapid pace. It is very rewarding to hear comments from some of the buyers saying that they are buying Herefords because their Hereford sired calves are out performing their calves sired by other breeds of bulls, primarily Angus and Charolais. They are talking both higher percent calf crop as well as heavier calves at weaning. THA members should be proud of the

product you are producing but never rest as we need to continue to improve the bulls we provide to the industry. As the spread between Choice and Select continues to widen, we also need to provide all of the performance and carcass data we have. I encourage more breeders to collect carcass information and provide it in a more useable manner. One example is providing ribeye area sizes without giving weights, inches per 100 pounds or indexes. Another rewarding aspect of every sale was the presence of new buyers seeking Hereford genetics. Some had grown up with Herefords or used them years ago, but they all were seeking top end Hereford genetics because they thought Hereford bulls would add value to their calves.

I would like to take this opportunity to single out and congratulate the Star Lake owners and crew on the success of their dispersal sale. I especially want to publically thank Montie Soules for allowing Texas Hereford to be a part of their program and for the opportunity for me personally to know and learn from his vast experience and knowledge of this industry.

Consignments are coming in nicely for both the Cowtown select Sale and the Hereford Replacement female sale, both to be held on Sunday, February 3, 2013. We again will

have the Heritage pen of heifers (our twelfth year). Every THA member is most grateful to these consignors as this event has been most beneficial to the budget of THA. We plan to provide the high placing junior heifer

scholarship in the open show. We decided not to have a breeder forum this year and to plan to have one every other year

Another item of interest is that we plan to have a silent auction at

our annual meeting and social and need a few quality items. If you have something to contribute, please notify myself or Jay Wright, president. Please do so early enough to allow us to prepare a presentation for it. The meeting will be Saturday, February 2, 2013 at the Botanical Gardens in Fort Worth.

I urge all members to stay in touch with the officers of this organization. We have a few new projects in place and plans for many more. We welcome ideas and suggestions from members as to what they would like this organization to be doing.

November is a month we should give thanks for the many blessings that have been bestowed upon us. We are truly blessed to work with Hereford cattle and the fine people associated with them. ★

Advantages of THA Membership

SERVICE – The Texas Hereford Association is a service organization to benefit the Hereford breed and the breeder.

Members are assisted in buying and selling cattle at private treaty and by auction.

The Texas Hereford Association sponsors the Commercial Hereford Heifer Show and Sale and the Texas Select Sale. These sales promote the use of better Hereford bulls and females. The Texas Hereford Association is also actively engaged in the promotion of Texas Herefords and in sponsoring seminars, field days, and other events to encourage educational opportunities for members.

ASSOCIATION – The Texas Hereford Association was organized in 1899. Its membership has included the elite of the Texas Hereford industry since its inception. First year membership dues are \$95.00. Dues for active membership after the first year are \$95.00 plus a \$1.00 per head assessment on calves registered the previous year, less those steered, etc. Associate memberships are available for \$75.00 per year. Each member receives an attractive membership certificate.

DIRECTORY ISSUE – Every active member of the Texas Hereford Association has a free listing in the Directory issue of *The Texas Hereford*. This Directory is used by thousands of Hereford breeders the year round. Information pertaining to your herd such as herd sires, bloodlines, location of farm or ranch, telephone numbers, etc., will be listed in this widely used reference book. This herd listing alone is worth the price of membership. Associate members are also listed.

THE TEXAS HEREFORD – Monthly publication of the Texas Hereford Association. It is the only publication in Texas devoted solely to Herefords. It includes news about the association, news about Herefords, and timely editorial features. Active members can list Herefords for sale **FREE** in the Herefords For Sale column. This service has been responsible for selling thousands of Texas Herefords all over the nation. Texas Hereford Association members may advertise in *The Texas Hereford* at low livestock rates – a considerable savings for your marketing program. Sale catalogs, brochures, flyers, and other marketing aids designed and produced by our professional staff at considerable savings. (Advertising rates will be sent on request.)

***The Most Important Investment
You Can Make As A Registered
Hereford Breeder is a
Membership in the
Texas Hereford Association.***

REAL BULLS... **REAL RESULTS!**

Desert★Mart Bulls working in Colorado

A very exciting phone call came to us in the spring of 2011. One of Wyoming's most prestigious Angus producers wanted to know if they could purchase semen on a couple of our herdsires for use on their commercial yearling heifers. A deal was struck to send 100 units their way at \$17 per straw.

Now, for the really good news! After calving and weaning that 2011 set of black-baldies; the same outfit came back this spring (2012) and bought 300 more units!

We are so pleased with these kind of results that we are now offering "commercially-priced" semen on select **Desert★Mart** herdsires.

For these kind of results, please let us know how we may work with you on commercially priced semen. We also can offer you embryos and semen to move your registered herd further and faster than ever before.

Here at **Desert★Mart**, our primary goal is to provide every producer just what they need for...
