Diablo is truly a **Rancher's Bull** that adds pounds and muscle to his calves to put dollars in your pocket! Ranking in the top 1% of the breed for WW, YW, M&G, SC, REA, BMI, BII and CHB, he has us truly excited. His first breeding-age sons and daughters that sold in our March 2017 sale were well accepted and included the top selling bull and female.

Diablo is owned with Churchill Cattle Co., Stuber Ranch and Van Newkirk Herefords.

HH ADVANCE 5107C ET

AHA 43579040 • 1/13/15 • Owned with Holden Herefords

SIRE: CL 1 Domino 215Z • MGS: HH Advance 61635

5107C was the high selling bull in Holden's 2016 sale for \$160,000 and is an elite young herd bull that checks all the boxes. He is a well marked, big topped, square made, sound structured, big ribbed bull with eye appeal to burn. His EPD profile combines calving ease with exceptional growth, maternal and carcass strength. His first sons will sell in our March 20, 2018 Production Sale.

HH ADVANCE 3006A

AHA 43368334 • 12/29/12 • Owned with Holden Herefords

SIRE: HH Advance 0002X • MGS: HH Advance 8050U ET

High-selling bull in Holden's 2014 sale at \$80,000 for 1/2 interest and 1/2 possession. An outstanding bull in every way—long bodied, thick made, well-marked and fancy with outstanding performance and ultrasound data plus great EPDs. Backed by one of Holden's best cow families. His progeny have tremendous pigment, growth, length, depth, shape, style and eye appeal.

HH ADVANCE 4101B

AHA 43470146 • 1/8/14 • Owned with Holden Herefords

SIRE: HH Advance 221 ET • MGS: HH Advance 8050U ET

Heavy pigmented, super fancy 221 son that is long spined, thick and sound structured. Dam is a perfect uddered, easy doing 8050U daughter with red on her teats. 4101B had great individual performance and is the right kind phenotypically. His calves display tremendous pigment, length and growth and are very stylish.

HH ADVANCE 4052B ET

AHA 43472735 • 1/3/14 • Owned with Holden Herefords

SIRE: CL 1 Domino 297Z • MGS: HH Advance 4055P

Outstanding growth, maternal and carcass EPDs in this well marked, good pigmented, extra thick 297Z son out of the Holden 9100W donor cow. 4052B is well marked, square hipped, big topped and really nice fronted. He is complete in his makeup and has a pedigree loaded with great females. Progeny exhibit pigment, shape, length and style.

Sold as Lot #1 in the March 24, 1944 Auction.

Sale cattle for the March 24, 1944 Auction.

We started our herd in 1919 with G. L. Mathews breeding of Kinsley, Kansas. Later we bought 2 cows from John N. Luft, Bison, Kansas, double granddaughters of Kimberlins Onward Domino. One cow from A. & M. College, Hazlett breeding. One from Edd Hutt Lees, Summit, Mo., by Prince Advance Mischief by Prince Domino Mischief, and nine from Banning Lewis Ranches, Colorado Springs, Colo. Our herd bull, sire of the sale cattle, son of Baron Domino 4th, Baron Domino 36th, a son of Pioneer, WHR, Pioneer 60th bought from Wyoming Hereford Ranch, Cheyenne, Wyoming.

14 bulls, 25 helpers are sired by Pioneer 60th, and two-year old helpers and 3 cows are by Baron Domino 36th. The two-year old helpers are bred to Colorado Domino 238th. The cattle men who have seen this bull say he is one of the best bulls in Oklahoma. These cattle are all rich in the blood of Prince Domino.

This sale will start at 12 o'clock, rain or shine, 1½ miles west of Jefferson, Okla., and ¾ west of Highway 81, 26 miles north of Enid, 6 miles south of Medford and 4 miles north of Pond Creek, Okla. on March 24th, 1944.

One of the top horned bulls to sell this spring, this 5280 son is out of the great 2052 donor cow from Colyer. He's packed with tremendous maternal and growth genetics in a moderate birthweight package. He's a wide made, deep sided young prospect with excellent carcass traits and pigment. We flushed our top donors to this exciting young herd sire this spring. We'll have several females bred to him this fall in our sale.

President
Texas Hereford Association

We are setting goals
and putting together
a strategy that
will sustain
this association
for years to come.

As we are now half way thru the year, 2017 has brought in some real changes and challenges. First, we elected a new president with a different outlook on America and those of us in agriculture can see some hope for our future. President Trump has made a deal with China to open up Beef exports to China in May. There is also news out of India that the government has put a ban on cows being slaughtered and that India will not be able to sustain the 1.3 metric tons of exported beef into the global market as it has done in the past. With this news, there is hope here in the U.S. that beef prices will go up, and we could play a larger role in the global market.

We also had a rough spring with the wildfires in March affecting so many cattle producers in Texas, Oklahoma, and Kansas. With the power of social media, support flooded in from all across the nation in the form of hay, feed, fencing supplies, donations, and prayers. Those of us in agriculture realize just how blessed we are to be in such a profession. God bless each and every one for all the support.

Fellow Hereford breeders, thank you for your continued support to the Hereford breed and the Texas Hereford Association. The white face breed is one of the strongest breeds of cattle in North American with so much to offer the entire cattle industry. From fertility and structural soundness that improves longevity to hybrid vigor and disposition, which puts pounds on calves, all this is putting dollars into the producers' pockets. With the market being where it is, any advantage one can take to improve their margin should be looked into. Hereford bulls on commercial females can result in larger margins over a period of several years.

In the great state of Texas, our junior program continues to thrive with numbers being up at all major shows as well as record numbers at our state show. Thank you to all of those who supported, worked and donated their time to make this a huge success. There will be several junior members traveling to Louisville in July to compete at the Hereford Junior Nationals. We wish each and every one of you good luck and safe travels.

We as your executive committee are working hard on coming up with a five and ten year plan for your association. We are setting goals and putting together a strategy that will sustain this association for years to come. From scholarships for our youth to market plans to help merchandise your cattle, rather it be show heifers, bulls or commercial steers, we want to be instrumental in your operation.

If you are a member of the Texas Hereford Association, we thank you for your continued support and trust into our fine organization. If you are not yet a member, we encourage you to sign up and let us go to work for you. I encourage all members to get involved and help the Texas Hereford Association promote our breed across the nation. If we can help you in any way, please don't hesitate to call. ★

He wants it all.

Matching cattle to environments and maximizing hybrid vigor isn't new to commercial cow-calf producers. Diversified beef operations are making the most of available technology and, now, genomic information to reap all the benefits of crossbreeding without compromising end product merit.

The stakes have never been higher to create **value** and **efficiency** throughout the production system. In the past decade, Hereford has documented dramatic improvements in calving ease, weaning and yearling performance and end product merit.*

Reduce your risk. Improve your opportunity for profitability.

**You want it all in your beef operation?
Then take it.**

Visit Hereford.org to hear Randall Raymond, DVM, Director of Research and Veterinary Services at Simplot Land & Livestock, discuss the value of Hereford genetics in Simplot's rotational crossbreeding system.

Jack Chastain, Manager/Editor
Texas Hereford magazine

It is hard to believe the calendar has rolled over another 12 months since we published our 2016 Membership directory. The Texas Hereford Association is in our 118th year of service and promotion to the Hereford industry not only in Texas but also across the entire nation. I salute all past, current and future members, advertisers and subscribers who support this organization, magazine and breed of cattle. Your perseverance and dedication to Herefords is a true test of your grit and love for a breed that has far too many traits sorely needed by our beef industry to be put on an endangered breed list by so many “experts” in our business; not withstanding the many honest, hard working people associated with our breed. I challenge you as members and breeders to “Take control of the Bull Market.” The product is here today. The demand is here today. It is up to you to merchandise and sell.

Our fall sales were strong and the market continued positive this spring. Our Fort Worth sales were good. Our junior scholarship program is attracting more participants each year in both sponsors and exhibitors. Our commercial cattle prices have proven to be a challenge. The fact that the nations cow herd is still predominantly black hided and AHA records indicate that Herefords supply less than 20% of the bull market. The opportunity is there, but we must earn the bull business by providing a product that will work for our bull customers, which in turn will work for their customers, which ultimately is the consumer.

Your officers have pushed and challenged your staff to make our organization with its publication and website a stronger voice for Herefords in the southwest as well as a key marketing tool for members and advertisers. We started a Facebook page and have grown to over 3500 likes. We have some lofty goals for both membership and advertising, but must have support and approval from the entire membership to succeed. We utilize a small army of vol-

unteers each month to get the magazine printed; in addition to all other projects undertaken by THA or TJHA. We have the “Hereford Youth Foundation” approved and registered with the IRS. We hope you like the new version of our magazine utilizing more color throughout. We still sponsor the premier whiteface replacement female sale, which will celebrate 49 years in January 2018. We co-sponsor the Cowtown Invitational Sale. We assist the other consignment sales. All of these sales need consignments as well as buyers. THA hopes to be a source of information to these events. Our “Cattle for Sale” listing for members in the magazine and on the website continues to provide results. I have had numerous calls saying they sold to the first caller but could have sold ten times over what they advertised for sale. Please help yourself by utilizing this service.

Please save the date of October 18, 2017 for our seventh annual THA Fall Classic Hereford and Invitational Red Angus Consignment sale at the Buffalo, Texas Livestock Auction facility. We are accepting consignments of no more than 60 Hereford bulls aged 18 months to 26 months, 20 Red Angus bulls, 20 Charolais bulls plus registered and commercial female consignments. Please let the THA office know by July 15 if you wish to participate. The sale will be broadcast by Superior Productions both on the Internet and live on Rural TV Dish Network Channel 232.

By the time you read this, I hope to be fully recovered from a heart bypass procedure. I thank everyone who knew about this and sent prayers and best wishes. I thank all of you for your patience and well wishes as I return stronger and healthier than ever.

Before closing, I wish to express my heartfelt thanks and gratitude to Penni Hiles for all she does for THA above and beyond her normal duties. She certainly is a huge part of the smooth operation of THA.

I wish to thank every member, advertiser, subscriber and reader for the role they play in providing and using this issue. I trust you will avail yourself to the vast amount of information assembled for your use. We are here to help sellers SELL and buyers BUY. ★

Letter from the auxiliary **PRESIDENT**

by Lauren Echols Decker
Auxiliary President
Texas Hereford Association

As spring turns into summer, I'm so thankful for the beautiful seasons of this life. This year, our ranching friends in the panhandle and parts of Oklahoma and Kansas faced unspeakable tragedy when acres upon acres were burned in wildfires. Some lost their homes, some lost their animals, and a few lost their life. These events hit home for me as a family friend was killed by the wildfire, but as the Lord has brought healing rain to the land that burned, I know that families and friends are finding healing of their own.

This season in my own life is one where I'm learning to balance a new job, a new hometown, my passion for agriculture, my love of our family ranching operation, and my love for my new husband. I'm so thankful for the opportunity to serve as the President of the Texas Hereford Auxiliary this year. Ladies I've loved and respected have occupied this post before me and I stand on their shoulders. Those of you who knew my grandmother know that she would be proud to know that I'm carrying on her tradition. And like the women in my family who

... our team will work hard to promote the women of this industry and the young ones who are our future.

brought their husbands into the Hereford family, I hope you'll welcome James the same way you welcomed Howard and Tom before him.

I'm excited to serve with some brilliant ladies as officers and directors. You'll see some new names as well as familiar ones in our ranks and I know that our team will work hard to promote the women of this industry and the young ones who are our future. With your help, we will work to review our storied traditions and rejuvenate the organization. I look forward to the next two years and hope I can count on you for wise counsel and fresh ideas.

God bless. ★

Texas Junior Hereford Association President

Our relationships
go beyond cattle...

Hello all! I am beyond excited and absolutely honored to serve as your 2017-2018 Texas Junior Hereford Association President! I have dreamed of holding this position throughout my time in the association and I am looking forward to all the great things that are in store for this year. For those of you who may not know me, I am from Channing, Texas where I live with my mother, Stephanie, my father, Jay, and my zoo of animals that by coincidence includes Hereford cattle. My family and I are originally from Abilene, Texas but moved to the panhandle when I was five. We have raised cattle my entire life, but only entered the whiteface business when I was in fourth grade. I have been actively involved in 4-H, FFA, National Honor Society, and many other local youth organizations. I am a Texas Livestock Ambassador and have an extreme passion for the cattle business. I recently graduated the valedictorian of my class from Channing High School. In the fall, I will be attending Texas A&M University where I will major in Agriculture Leadership and Development. I hope to continue on and get my masters in Communications from Texas Tech University. Ideally, I would enjoy having a career in politics where I can use my knowledge and passion for agriculture to represent farmers, ranchers, and rural residents in the House of Representatives.

Although I may not have been rooted in the Hereford business from the very beginning, I love it as much as someone who has known nothing different. I have met the most outstanding people just growing up in this business and they have helped me become who I am today. I've said it a million times, but this organization is a family. We care about each other so deeply. Our relationships go beyond cattle and that is something that I am so thankful for and am proud to represent. No matter where I go or what I end up doing, I will owe a great deal to all the wonderful families I have met and friends I have made during my time as an exhibitor.

I know without a doubt that Herefords have my heart and I am confident that my previous leadership roles, supportive family, and unmatched drive makes me a great fit for this position.

The 2017 Texas Hereford State Show was phenomenal and I would like to thank both the Schneider and Morish families for working so hard and making this years show run so smoothly. I can say without a doubt that we will be very well represented at Junior Nationals this year! From cattle to kids, our state brings the best of the best and I am looking forward to watching everyone succeed.

I have assembled a spectacular officer team this year and we are accompanied by some outstanding junior and senior directors as well. I am looking forward to working closely with them over the course of the next year. The 2018 Texas Hereford State show will be the best we have yet to see.

I am excited to tackle everything coming my way and promise to work hard to make the Texas Hereford Association proud. I am always available to talk to anyone who has questions, comments, suggestions, or even advice because Lord knows I'll need it. Thank you all for this opportunity and I will see you all in time! ★

A Lifetime *of Love*

by Martha Hollida Garrett

It's a love story that has lasted a lifetime. Jimmy and Claudia Atlas, who own and operate Atlas Farms in Grandview, Texas, were high school sweethearts. Their love for Hereford cattle began during their high school years, too.

"Not only did we meet at nearby Alvarado High School," recalled Claudia, "but Atlas (as she often calls Jimmy) and his dad, who raised Hereford cattle, went along with my parents and I to select my first show heifer. And yes it was a Hereford."

That was the beginning of the love story. Now, 40 plus years later their love is going strong and so is their Hereford program. Over the decades, they built their herd to over 200 head with select use of AI and embryo transfer, all while being actively involved with the Hereford breed on a local, state and national level. They have showed competitively at major shows and their bulls have earned top grades at all breed events.

The Hereford love also grew in their daughter, Precious. She was the 2001 National Polled Hereford Queen and was a very involved junior member on the local, state and national levels. She campaigned Hereford cattle at all the Texas majors and across the country.

Even though Herefords have been a part of their story since the beginning, being owners of a prestigious Here-

ford operation was not necessarily something planned, but grew out of their love for the breed.

After high school, Claudia attended Sam Houston State University for a home economics bachelor's degree and would further that with a master's in education from Texas Christian University. Jimmy attended Tarleton State University where he received a bachelor's degree in agricultural economics and followed it with masters in education.

When they completed their undergraduate degrees,

they embarked upon their future together. They exchanged vows in 1973 and moved to nearby Rhome, Texas. While holding down fulltime jobs, they both worked towards receiving their masters' degrees. Jimmy worked for three years on the Chisholm Trail Ranch, a leading Hereford operation at the time, while Claudia began her teaching career.

"I felt very fortunate to be able to work at Chisholm Trail right out of college," Jimmy said. "It really strengthened my desire to be associated with Hereford cattle."

In 1976, Claudia became the home economics teacher at Alvarado High School and Jimmy became the vocational ag teacher at nearby Midlothian High School. Atlas Farms officially opened for business at this time, also.

They purchased 10 head of Polled Herefords and as if teaching and Herefords were not enough to fill up their

time, they took on bottle-feeding about 200 head of Holstein calves.

Over time, Jimmy and Claudia built their registered and commercial Hereford (polled and horned) herd to about 200 head. Then in 2007 the drought hit and like most cattlemen in Texas, they were forced to reduce those numbers by half. They have maintained 100 head since then with about half polled and half horned genetics.

“We’re grass raisers and beef eaters,” is how Claudia explained the Atlas Farms’ management philosophy.

In the early 80’s, they began showing some Hereford cattle of their own, which also led to a custom fitting service.

“We were fortunate to show cattle for some very good operations and we usually had about 25 head in the string and hit about 16 shows annually,” Jimmy remembered. “One of the highlights would have been showing the 1988 Fort Worth Polled Hereford Grand Champion Bull for

Jimmy Farrington.”

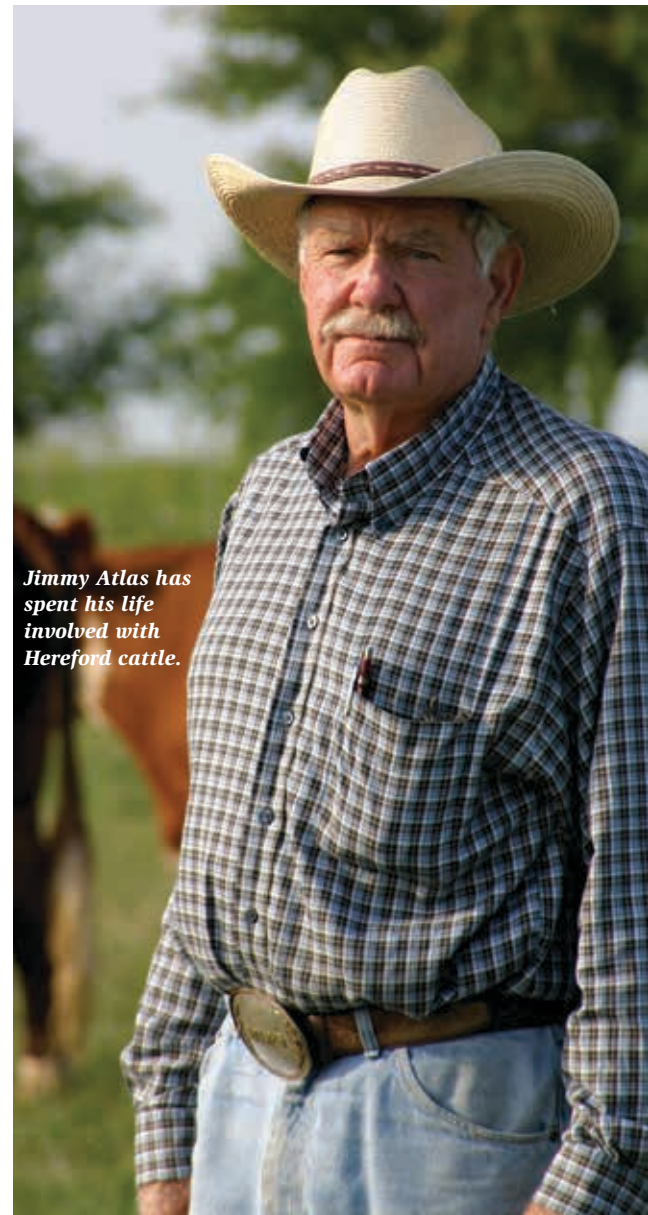

Showing then became a family affair. Precious and Claudia traveled to every National Junior Show she was eligible to compete in as a junior. Precious showed a national grand champion horned bull and a national reserve grand polled bull, three reserve national champion cow-calf pairs and was premier breeder multiple times at the American Hereford National Junior Show.

After a successful show career, Precious attended Texas A&M University for her bachelor's degree and went on to receive her law degree from Texas Tech University. She and her husband, Sam Beaver, a supply chain manager for Alcon, are parents to three-year-old Madeline and one-year-old Nolan Atlas Beaver. They live close by in Fort Worth and are often involved in the activities and chores on the farm.

Jimmy left the teaching field in 1979 and began a 35-year management career with nearby

steel mill Chaparral Steel in Midlothian. He retired in 2016 and now enjoys spending all his time with the responsibilities of Atlas Farms. Their initial purchase of 90 acres has grown to over 3,000 acres in Texas and Oklahoma with Hereford cattle and crops of oats, wheat, cotton and milo.

"My job at the steel mill became more and more demanding over the years and at one point required a lot of long hours each day," Jimmy said. "It was during this time Claudia left the classroom to manage the farm. She deserves the credit for where we are now, as she was the one who put in the time and worked everyday at improving the cattle and getting the crops in and out of the field."

Their headquarters is in Grandview, Texas, which is just south of Fort Worth where I-35 can be seen from several points. Their home place though has a special meaning to them and is an integral part of Jimmy's family history.

"My grandfather was what was called a 'box car kid'," Jimmy shared. "He became separated from the family at Ellis Island. He was just five-years-old and was put on a train with other orphans. The train would make stops across the country where the orphans were adopted or

were taken as laborers. When the train stopped at Dallas, a farmer, who owned this place (in Grandview) where we live now, selected him. My grandfather was indentured to him and would work there till he was 13, as that cleared the debt."

"He would stay in the area and was able to save money, buy land and would raise cotton and Hereford cattle. He became an entrepreneur and was involved in several businesses. When this place came up for sale in 1996, we just felt very strongly that we wanted it and made it our home and headquarters."

A lot has evolved over the years for Atlas Farms from the operation's size to the genetics and farming and it all has seen growth. As a leader in the Hereford breed, the genetics in their herd include considerable Canadian breeding, a lot of Remitall, and Barber Ranch bloodlines. At one time their calves were about 90% AI sired.

"As we've gotten older, we've changed that to about 30%," he explained. "We are flushing three-to-four cows a year, as we want to have a high degree of quality, as well as, popular and proven lines."

Our cattle can perform! Our herd is now under the influence of several new herd sires, and we believe this change is a positive one. Give us a call if you are looking for cattle that are raised in the rough and know how to work! We will offer a select group of commercial Hereford bulls with great carcass trait EPD's. We also will sell a select group of bred Hereford and Hereford x Angus heifers.

This year they have added semen from BR Belle Air 6011, the 2017 National Western the Supreme Champion Hereford Bull. His influence will be part of their embryo program.

"We're excited about adding Belle Air to our program and feel it is important to utilize the most current genetics," he said.

At Atlas Ranch, genetics are not the only a priority for Claudia and Jimmy. Stress-free and problem-free cattle are also at the top of the list an easy trait to come by with Herefords.

"We don't tolerate problems," said Claudia and adding "we don't sell problems to other breeders either."

They primarily market their cattle through private treaty sales, but do consign annually to Doyle Hereford Ranch's Sale. In addition, they often place their top bulls in select all-breed sales.

In 2016, they topped the San Antonio All Breed Bull Sale and claimed the high grading bull honor. At the 2017 San Antonio Commercial Heifer Sale, a pen of heifers sired by an Atlas Farms bred bull was the second highest grading pen.

We're grass raisers and beef eaters.

"You know," Jimmy said, "it's very satisfying when our genetics perform, but it's even better when our customers win or succeed with our cattle."

We don't tolerate problems...we don't sell problems to other breeders either.

Polled Hereford Association (TPHA) and American Hereford Association (AHA) junior activities.

"We believe in the junior program," Jimmy said.

When asked why Herefords and why Herefords for this long, they quickly answered with the same points many others in the Hereford breed would share.

"The cattle work and they are good mommas," the Atlas' said. "They have made us a good living. Plus, we like to be around Hereford people. It's impressive that multiple generations of families continue to be involved in this breed and stay so connected to it. If you didn't enjoy the people, I don't know how you would stay in a breed and be active."

Over the years, Jimmy and Claudia have been involved with Hereford junior activities, including serving as

advisors to the Texas Junior Polled Hereford Association and honorary advisors for Alvarado and South Garland FFA Chapters.

Jimmy has also served as a director for both state Hereford associations and president of the TPHA. He also serves the Johnson County Farm Service Agency currently as chairman and previously as a director.

Additionally, they are active members of the Alvarado First United Methodist Church and can always be found helping youth and youth organizations in the area. They were honored as the 2000 Johnson County Conservation Farm Family and the 2010 National Polled Hereford Show Honoree at the Fort Worth Stock Show and Rodeo.

Their love story continues and Herefords have been and will continue to be a part of every chapter. ★

Still going steady.

Dudley Bros. was one of the first cattle operations I helped promote way back in the 1970s while working for someone else. Today, as I celebrate 35 years of business ownership, I am proud that relationship forged so long ago is still intact, and in a few months I happily anticipate working on yet another Dudley Bros. sale catalog.

As a business leader, Dudley Bros. makes tremendous contributions to the beef cattle industry in general and Herefords in particular – which in turn, greatly benefits me personally and for which, I am extremely grateful. Thank you Dudley Bros. and all who support *Texas Hereford* magazine for sticking with me.

Application for Membership in the Texas Hereford Association

Advantages of THA Membership

SERVICE – The Texas Hereford Association is a service organization to benefit the Hereford breed and the breeder.

Members are assisted in buying and selling cattle at private treaty and by auction.

The Texas Hereford Association sponsors the Commercial Hereford Heifer Show and Sale and the Cowtown Select Sale and the THA Fall Classic. These sales promote the use of better Hereford bulls and females. The Texas Hereford Association is also actively engaged in the promotion of Texas Herefords and in sponsoring seminars, field days, and other events to encourage educational opportunities for members.

ASSOCIATION – The Texas Hereford Association was organized in 1899. Its membership has included the elite of the Texas Hereford industry since its inception. Membership dues are \$125.00 per year. Associate memberships are available for \$100.00 per year.

DIRECTORY ISSUE – Every active member of the Texas Hereford Association has a free listing in the Directory issue of *The Texas Hereford*. This Directory is used by thousands of Hereford breeders the year round. Information pertaining to your herd such as herd sires, bloodlines, location of farm or ranch, telephone numbers, etc., will be listed in this widely used reference book. This herd listing alone is worth the price of membership. Associate members are also listed.

THE TEXAS HEREFORD – Monthly publication of the Texas Hereford Association. It is the only publication in Texas devoted solely to Herefords. It includes news about the association, news about Herefords and timely editorial features. Active members can list Herefords for sale **FREE** in the Cattle For Sale column. This service has been responsible for selling thousands of Texas Herefords all over the nation. Texas Hereford Association members may advertise in *The Texas Hereford* at low livestock rates – a considerable savings for your marketing program. Sale catalogs, brochures, flyers, and other marketing aids designed are produced by our professional staff at considerable savings. (Advertising rates will be sent on request).

**The Most Important Investment
You Can Make as a
Registered Hereford Breeder
is a membership in the
Texas Hereford Association.**

Announcing

THE DESERT★MART “Run-The-Table” Sale

In the game of pool, one sure way to overpower all competition is to “Run-The-Table.” This means pocketing all the balls without ever missing; the opposition simply has no chance of getting ahead.

Desert★Mart’s 2017 Sale provides the genetics for the same type of winning results. Look at these Run-The-Table advantages:

- 🌵 NON-MISS TOTAL PERFORMANCE – When cattle are always under extreme culling criteria they rise above customer expectations!
- 🌵 NON-MISS CARCASS PERFORMANCE – Repeat Buyer participation happens when cattle excel at this essential aspect of gathering all the dollars!
- 🌵 NON-MISS SERVICE PERFORMANCE – When you have a multitude of repeat customers, a multitude of sight unseen customers, and a multitude of excited new customers...

YOU KNOW YOU’VE RUN-THE-TABLE!
