Application for Membership in the Texas Hereford Association

Benefits of a THA Membership

The **Texas Hereford Association** (THA) was organized in 1899 in Fort Worth, Texas. Its membership has included the elite of the Texas Hereford industry since its inception and continues to have elite loyal members and supporters.

As an association one of its goals is the promotion of Hereford genetics in Texas and connect buyers and sellers. The THA sponsors the Powerhouse Commercial Heifer Show and Sale in January during the Fort Worth Stock Show and Rodeo (FWSSR), along with the Fall Classic Bull & Female Sale in Buffalo, Texas, in October. Both sales are ways that members can market their cattle and promote their operations.

The THA is also represented at many industry events including the Texas and Southwestern Cattle Raisers Association Convention and Texas A&M Beef Cattle Short Course, along with other statewide seminars and events. The annual meeting of the THA is held during the Hereford weekend at the FWSSR in January.

The **Texas Hereford Association Foundation** is a 501(c)3 portion of the THA. Its purpose is to support educational programs and youth through scholarships and internships.

The **Texas Junior Hereford Association** is for our young future Hereford breeders. The members' membership extends through their 22nd birthday with the opportunity to participate in junior activities at age 7 by January of the current year. The largest state cattle breed show in the country is hosted by the TJHA in late May/early June each summer and draws more than 500 head and more than 240 participants. Many contests outside of the show ring are held during this event including public speaking, quiz bowl and poster contests. Many scholarships are also presented during this show.

The **Texas Hereford Auxiliary** is an affiliated association that includes women who are proud to support the Hereford breed. Their annual meeting is held during the activities in Fort Worth in January. They offer scholarships as well and help to promote the Certified Hereford Beef® program.

The official magazine of the THA is the **Texas Hereford**. It is published 11 times each year with the June/July combined to serve as a valuable directory of members of the association, junior association and Auxiliary. It is a resource used by thousands in the cattle industry. All THA members receive a free listing with information pertaining to your herd such as herd sires, bloodlines, location of farm or ranch, telephone numbers, etc. This herd listing alone is worth the price of membership.

As the only publication in Texas devoted solely to Herefords it includes news about the association, calendar of events, news from the American Hereford Association and timely editorial features. You are encouraged to advertise and take advantage of having your name available for others to find you. Low rates make it a wise choice your marketing program.

The THA continues to be a proud leader in the livestock industry promoting ownership of quality Hereford cattle.

BCF Selection 4046 is a dark red, heterozygous polled, well balanced bull that excels in calving ease and maternal characteristics. He goes back to GKB 146 MISS EDEE B095 ET who was shown as a heifer and then added into our cow herd where she became an exceptional donor while also raising several great calves. BCF Selection 4046 ranks in the top 1% for teat, 3% for UDDR, 6% for SC, 9% for CE and BW, and 11% for MCW. This bull doesn't stop with genotype, he has the phenotype to back it up. If you are looking for a calving ease bull to retain replacement females out of, 4046 is your choice.

721K was used by Dr. Dixon, D.V.M. on his Angus cows. His weaned baldy calves brought over \$4.5 a pound. This is a hot market for calves and an even hotter market for black baldies. Don't sleep on this great temperament and nicely built bull. He has proven low birth weight and high weaning calves that will add value to your program and money to your wallet.

This is the kind of bull you want to see on your cows! Deep ribbed and balanced top and bottom line with a well made front and hind end. A great maternal type bull with high weaning and yearling numbers along with sustaining fertility and strong milk. Let him make your next batch of keeper heifers and market ready steers and bulls while making them look good!

SHOW STOPPPER! What an eye catching bull with tremendous shape, length and depth. Powerful front to back, this is the kind of bull that can change a program forever. Great maternal traits and scale smashing growth numbers only complement his carcass capabilities. This is a front pasture bull that can cover cows all the way to the back pasture. Bull this well balanced is hard to find, don't miss your chance to take home true O H Triangle power for your cows right now!

- #1** 405- Reg. # 44627042 | This daughter of Guardian is dark red and heavy pigmented. Her dam is a hard working United daughter. 405 is good footed has bone and is good structured. Really feminine and should probably have a show halter on her!
- #2** 406- Reg #44627044 | 406 is a massive daughter of Arlo, good boned, deep bodied and moves good. Her dam is a donor for us that has a near perfect udder. We like her a lot!
- #3** 412- Reg#44627050 | 412 is a Valor daughter that traces back to one of our best cow families. She's got bone, structure is good, and is easy to look at!
- #4** 413- Reg#44627051 | November heifer that is very complete, bone, good feet and legs and a great profile, out of a good United daughter that is one of our favorites!
