Park Place Offers Cash for Covers

Twenty-five years ago Park Place Enterprises, Inc. was contracted to do pre-press production for the *Texas Hereford* magazine. G.G. Park, President of Park Place said, "The magazine has been a mainstay of my business for a quarter of a century, and there are no words to adequately express my appreciation." She continued, "However, I would like – in some small way – to give something back."

To commemorate this landmark anniversary, Park Place is celebrating by offering a tangible thank-you. Beginning with the August 2020 issue of *Texas Hereford* magazine through May 2021, Park Place will pay \$250 directly to any THA or TJHA member whose photograph is chosen to run on the front cover.

Submit your high-resolution (300 dpi) digital image (jpg, approximately 10" wide x 12" deep) for consideration directly to the Texas Hereford Association office via e-mail: texashereford@sb-cglobal.net. Use "Cover Submission" for the subject line.

As is customary, Editor Jack Chastain who is ineligible to receive this compensation, is the decision-maker for the front-cover-photo selection. Deadline for submissions is the 15th of each month July 15, 2020 through April 15, 2021. ★

Team USA Takes Third Place in Young Breeders Competition

Team USA traveled to Queenstown, New Zealand, to compete in the Young Breeders Competition dur-

ing the 2020 World Hereford Conference, Mar. 7–13. Abigail Spindale, Stanley, NM; Taylor Bell Matheny, Mays Lick, KY; Tyler Allan, Schulenburg, TX; and Keayla Harr, Jeromesville, OH, were the four National Junior Hereford Association member representing the U.S.

Team USA brought home first place honors in the presentation module of the competition with a speech about bridging the gap between urban and rural populations. The team’s victory earned the opportunity to share their presentation with the 400 attendees at the World Hereford Conference. Spindle placed second overall in the judging contest and Matheny followed with a third overall placement. Allan placed fourth in the herdsman-ship module, which was a combined score from the judging and showman-ship contests.

“We were proud of how we finished the competition, but more importantly, we made friends from around the world and learned from and enjoyed each other’s company more than we ever could have imagined,” said Matheny, who is also the NJHA board chairman.

Nine teams representing seven countries competed at this year’s event in New Zealand’s southern is-

land. Other contests included a quiz bowl, fence-building, agribusiness, meat cuts, animal health and genetic modules along with judging, fitting and showing competitions at the Wana-ka A&P Hereford Show.

“This was a journey of a lifetime for these young adults and it was so neat to watch them network with the teams from across the globe as they competed and represented America on the world’s stage. I look for this experience to open doors for future networking opportunities with Hereford breeders and junior members from other counties,” said Amy Cowan, director of youth activities and foundation.

The U.S. will host the next World Hereford Conference in 2024.★

Gladys Bennett

Gladys Bennett of Echo, Oregon, wife of Doug Bennett, longtime manager and part owner of Lone Star Hereford Ranch, passed away April 5, 2020. She was born in Sanders, Montana.

Mrs. Bennett is survived by husband Doug Bennett and 3 children; Susan Parks, Randy Bennett and Mitch Bennett.★

Wow! What an incredible time the past few weeks have been. Corona Virus has certainly changed our daily way of life. I hope and trust everyone we are associated with have followed the guidelines offered by our President, Governor and local officials to keep us safe and healthy. I offer a huge thank you to all health care providers, first responders and all others in harms way of dealing with this terrible virus and pray that they remain safe.

May has always been an exciting Month. Green grass is a welcome sight as is not having our cows meet you at the gate waiting to be fed. Calving should be almost finished and the sight of newborn calves is as good as it gets in the ranching business. May is National Beef Month when grocery chains and food suppliers feature beef in their advertising. Mothers Day in May and Fathers Day in June should be a must to feature beef in everyone's menu. The CHB office assures me we can find CHB in Texas.

The demand for top quality Herefords continues to be strong. I have had numerous calls seeking open heifers, both Hereford and Hereford X Angus cross. Our sales reported in this issue reflect a growing demand for quality Hereford cattle. Our inquiries for cattle to buy have been good. These come from both phone and the web site. Our "for sale" listings have been extremely popular and resulted in many sales. Please help yourself by keeping these listings

current. We cannot help you sell your stock unless you tell us it is for sale.

Our juniors are busy preparing for another great state show sponsored jointly with TJPFA. As an advisor I can safely say that this event could not happen without the support of the Hereford breeders around the entire state. The youth are most appreciative and extend an invitation to attend and watch not only a tremendous cattle show, as well as their participation in other educational and fun events.

Last month I challenged every member to sign up a new member. We have seen a few come in. I issue the same challenge this month but need you to get them to us before the end of May to be included in the summer June/July issue. We also need your ad in this popular promotional issue.

As time marches on, so do deadlines for many projects sponsored by THA. Now is the time to set aside bulls and females for the THA Fall Classic sale in Buffalo, Texas on October 21. A number of entries are already consigned. We also encourage consignors to select a pen of heifers for the 52nd Annual Whiteface Replacement Female Sale to be on January 31, 2021. The Fort Worth Stock Show has allowed us to add Red Angus X Hereford cross heifers to our show and sale. They will show with the Black Angus X Hereford cross entries. It is also time to select an entry for Powerhouse Invi-

Farming on the Rocking R Ranch Receives Mom's Choice Gold® Award

New Mexico author Connie Perez goes 3-for-3 to win third Mom's Choice Gold Award for the Rocking R Ranch series

(Santa Fe, New Mexico, April 6, 2020) PenPower Book Marketing Services and Rocking R Books are pleased to announce that New Mexico author Connie Perez has received a third Mom's Choice Gold® Award for her Rocking R Ranch picture books. *Farming on the Rocking R Ranch* is the third installment in the series to win the prestigious award.

"I'm honored to have all three books in the series receive such high honors," says Perez. "The Mom's Choice Awards showcases the best in family-friendly products, and I'm immensely gratified that all three books in the series have received their highest-level award."

Farming on the Rocking R Ranch continues to educate young readers about life on a working ranch, while also introducing new elements to returning readers. In this third book, rancher Rosie works diligently to fulfill her dream of hosting a Halloween event on the ranch. To accomplish this, Rosie, Rusty and Raspberry have to prepare sections of the land for crops, water them, and once fall arrives turn them into fun activities for children and families.

Home on the Rocking R Ranch is the first book in the series and gives readers a glimpse into the necessary tasks required in order to keep the ranch going during all 4 seasons of the year. The second book in the series, *Kuper Visits the Rocking R Ranch*, follows the ranch adventures of a yearlong guest who learns how to appreciate ranch life in northern New Mexico.

Perez draws on her own experiences working on a New Mexico ranch for all three of her award-winning books and combines that knowledge with her teaching background to craft stories that are educational and entertaining. Through vibrant illustrations by the author herself, and easily accessible dialogue, Perez brings the essential elements of the craft to children both inside and outside the ranching community. In addition, a glossary combined with labels on every page gives young readers the chance to expand their vocabulary.

Connie Perez is a native New Mexican, ranch wife, mother, grandmother, and retired elementary school teacher. She was diagnosed with Parkinson's disease, and after retiring was eager to find a way to cope with her diagnosis. She picked up a paintbrush, and wrote and illustrated two companion volumes on ranch life for young children. She lives in northeastern New Mexico where she continues to ranch, write, enjoy life and spoil her grandchildren.

Home on the Rocking R Ranch, *Kuper Visits the Rocking R Ranch*, and *Farming on the Rocking R Ranch* are available through independent and online booksellers, including Amazon.

This Directory is used by thousands of Hereford breeders the year round. Information pertaining to your herd such as herd sires, bloodlines, location of farm or ranch, telephone numbers, etc., will be listed in this widely used reference book. THE BUZZ-KILL

THE BUZZ-KILL

Flies are a problem. They bite and stress livestock, spread disease through the herd, and cause stress and downtime during treatment. **UNTIL NOW...**

INTRODUCING THE BUZZ-KILL
 The wireless, active fly control system sprays for flies easily with low stress for you and your livestock.

- No matter how big the herd or how spread out your fields are, we have a system to fit your needs.
- Our panel/power pack system has been designed so multiple panels can be set up semi-permanently at multiple locations and the power pack moved to where it's needed.
- Operation is simple with an on/off key fob and IR beam motion activation.
