Dear Members and Friends,

It has been an honor serving the Association as President for the last two years. But more important to me, is the support I have received from all the past and present Hereford Breeders during a 60+ year span. Your combined knowledge and efforts have helped make Herefords what they are today – just a great breed!

I wanted to take this opportunity to say **Thank You** one last time.

*Wishing Each and Every Person a Prosperous  
and Happy New Year,*

**Jack,**

Congratulations on your recent induction to AHA's Hall of Merit. You certainly deserve the honor and many more to come. I have kept up with you and the Association through the Texas Hereford magazine you have so generously mailed me over the years. I count you among my top tier of friends. May the Lord bless you and Lyn in the coming years.

*Wendell Schronk*

**Jack,**

Just a note to congratulate you on being inducted into the Hereford Hall of Merit. This is quite an honor and well deserved.

It's hard to believe you are nearing fifty years as the association executive and amazing what has been accomplished under your leadership. At a time when state groups were leaving the scene yours seemed to be thriving and adding activities. I note you have added several different kinds of sale to accommodate member consignments and are making full use of other media. The youth program is fantastic, and the magazine looks better than ever. As an aside, Linda and I were sort of in charge of what I think was the first outreach to youngsters The Texas Hereford Queen contest. It was held at Granite Hills near Llano and Kim Box was the queen. That was a long time ago so hopefully my memory is correct.

Again, congratulations. Hope to see you down the road.

*Edward I. Stanfield  
Uvalde, TX*

**Dear Jack,**

Just to say a huge congratulations on your induction into AHA Hall of Merit. So very much deserved!

Fabulous photo of you and Lyn and family. How fortunate Texas has been to have had you as our stalwart leader these decades (Yikes)!!! Hugs to Lyn.

*Best,  
John Dudley*

Here we are at the start of another year for Texas Hereford Association. It is amazing how fast the years seem to fly by. 2019 proved to be a good year for Texas Hereford Association. Cattle prices were off from the record prices of 2015 but still held steady for most breeders. Our Hereford cattle continue to gain acceptability as more and more cattlemen realize what our breed has to offer. The Hereford cow is our rock of strength. We must build from this. Our bulls continue to make an impact with the number of calves they can sire as well as the pounds and quality they breed. As we strive to use sires with more muscle, REA and IMF EPD's; we will continue to increase market share of the bull trade. We must get more aggressive and effective in promoting our breed and our product. We must do a better job of developing and selling our cattle.

I would like to congratulate Jarrett Worrell of Mason for winning overall highest RVAD-F steer and reserve champion pen of three steers of the 2019 NJHA Fed Steer Shootout with home raised steers. I encourage more Texas juniors to participate in this program. I thank BioZyme, Inc. for their sponsorship.

This issue is full of activities and opportunities for Hereford breeders and enthusiasts. Your staff and executive committee have planned a few new activities for the upcoming year. We will be back at the Fort Worth Botanic Garden for

our annual meeting. Our fifty-first annual whiteface replacement female sale and Powerhouse Invitational sale have excellent offerings. We plan to provide scholarships for four youth who are selected as high placing juniors at the National show in Fort Worth and will provide scholarships in San Antonio to the top three placing juniors at their open show. We need your presence and participation for these events to be successful. Our executive committee solicits your input on activities that would make you proud to be a member of this organization. If you want to contribute time and ideas, contact myself, President Curtis Younts, president-elect Terri Barber, any member of the executive committee, or this year's nominating committee. Your help, ideas and contributions are most appreciated. We need more participation from more members. Specifically, we need your attendance at Hereford events. Success is generally measured by size of the crowd. Next, we need more participation in advertising in our publication. More ads allow us more editorial and both will enhance a Hereford presence in Texas. We put our magazine on our website when we send it to the printer. Our goal is to provide you as members an affordable means to promote your cattle. Our "For Sale" section has proven to be very successful in helping members sell cattle as well as buyers find cattle. We have been posting announcements

## Scholarships Awarded to Hereford Youth

Twenty-six Hereford youth received \$180,000 in scholarships from the Hereford Youth Foundation of America (HYFA) Friday, Oct. 25, at the American Hereford Association (AHA) Hereford Honorees awards ceremony during the AHA Annual Meeting and Conference in Kansas City, Mo.

Texas recipients included:

OXO and HYFA World Traveler \$5,000 Scholarships: Travel Team: Tyler Allan, Schulenburg, TX; OXO World Travelers: Rylee Barber, Channing, TX

The original OXO World Hereford Traveler Scholarships were established by the family of John and Estelle Mata-  
sovic in memory of their parents through the HYFA. The scholarships were designed to award exceptional Hereford youth with the opportunity to travel to the World Hereford Conference. This year the OXO fund will be sending two youth to represent the United States at the World Hereford Conference in New Zealand and in addition HYFA will be sponsoring a team of four to compete in the youth competition.

Rylee Barber is a senior at Texas A&M University, majoring in agricultural communications and journalism. The 21-year-old daughter of Brett and Nicole Barber is serving as the vice chairman for the NJHA board of directors. Rylee hopes to pursue a career that allows her to work with youth in the livestock industry. Her past internships have allowed her to be a more effective communicator

with livestock producers and to strengthen her public speaking skills.

Tyler Allan is the son of Dave and Becky Allan and a sophomore at Texas Tech University, majoring in animal science. Tyler grew up raising and showing purebred Hereford cattle and has competed at the Junior National Hereford Expo (JNHE), where he was named champion senior showman in 2018. Over the years, he has helped educate younger showman about the show cattle industry by working with Sullivan's Stock Show University program. He has become interested in ruminant nutrition, and his past experiences and future goals position him for success as he pursues his future endeavors.

Whitehead/Rocking Chair Ranch \$2,500 Scholarship: Harley Rogers, Hamilton, TX

Whitehead/Rocking Chair Ranch honors Loyd Whitehead of Texas, who was an instrumental part of HYFA and is dedicated to supporting Hereford youth.

Harley Rogers is the 22-year-old daughter of Keith and Cindy Rogers. Harley is currently at Texas A&M University, majoring in animal science and is finishing her collegiate livestock judging career. She has served as president for the Texas Junior Polled Hereford Association and has been a member of the NJHA for 17 years. # Howdy!

This is Maggie Chaffin, your 2019-2020 TJHA President! I hope everyone is having a great school year thus far and had a wonderful holiday season. I just wanted to update y'all on some things going on in the Texas Junior Hereford Association as we are fast approaching major stock show season.

First, I would like to re-introduce my officers and board members. My 1st Vice-President is Alex Harris, 2nd Vice-President is Randi Williams, Secretary is Gracie Oates, Treasurer is Luke Daniels, Reporter is Audrey Nolan and Parliamentarian is Mason Allan. My senior directors include Savannah West, Stephanie Golightly, Blayke Breeding, Kaylee McInvale, and Savay Sexton. If you have any questions, don't hesitate to reach out to any of us for help!

Everybody is super busy in our junior association. Many are excelling in various different things. One big shout out I want to give is to all of our members who competed in FFA LDEs this fall. I saw lots of great results and there are two girls who I want to especially highlight. I want to congratulate Kenley Carr as she placed 9th in the state with her Greenhand Chapter Conducting team. I also want to congratulate Audrey Nolan, as she placed 8th in the state in Job Interview. I also want to highlight Blayke Breeding, as at the end of November she competed for the 2020 Miss Teen Texas, where she made it to the top 15 contestants out of over 100 girls. I am so amazed that we have such well-rounded members who are doing big things, in and out of the ring.

Now, for a quick reminder about our annual Ft. Worth meeting. Our annual meeting at Ft. Worth will be January 25th, 2020 in the French Room. The meeting will start at 9:45. Please plan to attend as we will be discussing state show details and it's always a great time to mingle with fellow Hereford enthusiasts. We will also be signing up for state show committees.

Madeline Braman, the 2019-2020 TJPHA President, and I have already been working hard to make sure that the upcoming state show is the best yet! The theme for this year's state show will be "Let's Taco Bout a Great Breed." It's sure to be a fun fiesta! Our service project this year will be collecting items to be donated to the Foster Love (Bell County). We will be collecting items such as pajamas, toiletries, and other personal care items.

If y'all have any questions, please don't hesitate to reach out to me, Madeline, or any of our officers, directors, or advisors. I cannot wait to see all of y'all in Ft. Worth. I am looking forward to a great year!

## honorary**MEMBERS**

**C**hris Lacy, 2018 Hereford National Show Honoree, is a quintessential great American rancher, meeting disasters such as wildfires, drought, and low cattle prices, along with the daily challenges of ranching with his signature calming smile. Chris is the manager and part owner of the iconic “o6 Ranch” that sits in the majestic high desert of the Davis Mountains between Alpine & Ft. Davis Texas.

*Chris Lacy*

Born a city kid in Waco, Texas to Lawrence Lacy, a prominent banker and Mary Ann “Koko” Lacy the daughter of “Mr. Herbert” Kokernot owner of the “o6 Ranch,” Chris and his sisters, Elizabeth, Ann, and Golda spent summers and as many holidays as possible on the ranch. Chris fondly remembers his first horseback ride sitting behind the then o6 wagon boss/manager, legendary Ted Gray. In Ted’s later years he would state how proud he was of “that city boy and what he made of himself”.

Chris was a natural athlete in the saddle or on the field and thought TCU seemed a good fit for his love of football and his preparation for the ranch. He played football for TCU, then took the Ranch Management program. After graduation in 1971 he headed west to stay, becoming manager in 1973.

At the “o6 Ranch, Herefords are the breed of choice, but other breeds have been tried over the years due to trends and marketing values. Lacy said, “Herefords have proven themselves to us in this region. We have seen Herefords utilize the higher, rougher country during periods of drought and hold their body conditions better.”

Some of the improvements under Chris’s management are better roads, water systems, hunting and wildlife management programs and an outstanding string of AQHA horses. Prior to Chris’ management, wild horses were bought by the truckload and things got pretty western. Chris started registering colts with the AQHA in 1979 and today the “o6” horses are known for being big-boned athletic horses, with a big work ethic, good minds and easy on the eye.

Along with the endless tasks needed to be done to keep the o6 running, Chris makes time to give back to the community and state of Texas. He has served as the President of the hospital board in Alpine, a board member of Texas Livestock Marketing, the National Finance Credit, Assoc., the Davis Mountain Trans Pecos Heritage Assoc., the Alpine Cowboy baseball team, and the Paisano Baptist Encampment. He is a T.S.C.R.A. Honorary director, a past director of The Texas Hereford Association, a past President for the Highland Hereford Assoc., a past President of the

Rio Grande Electric Coop. In 2013, Chris was the recipient of the “Foy Proctor Cowman Award.” He and wife Dawn attend Big Bend Cowboy Church in Alpine.

Chris and Dawn share a blended family of Kristin and her husband Buddy Cavness, Lance Lacy and wife Brandee, Matt Roelli and wife Eryn, and grandchildren Madison, Mason, Christian, Katherine, Olivia, Judah, & Sadie. All enjoy being on the ranch as much as possible.

With no signs of retiring, many visions of improvements, and a strong sense of stewardship, the Kokernot o6

**C**hris Scharbauer, who resides in Amarillo, Texas, raises commercial Hereford and Angus cattle. He is President and owner of Scharbauer Cattle Company in the Texas Panhandle. He previously managed family ranches in Midland, Martin, Andrews and Ector counties in Texas and Lea and Chaves counties in New Mexico.

*Chris Scharbauer*

Scharbauer is the fourth generation of a family that began ranching sheep in 1883 and brought some of the first registered Hereford cattle to West Texas in the late 1880s.

He is a 1973 graduate of Texas Christian University’s Ranch Management Program in Fort Worth and has served as President of the Alumni Association. Scharbauer was recognized as the Distinguished Alumnus in 2006.

A TSCRA director since 1979, Scharbauer has served on the Executive Committee and as chairman of TSCRA’s Brand and Inspection Committee. In 2019, he became an Honorary Director for TSCRA. He has served as a Texas Director of the American Quarter Horse Association, Director of the Texas Hereford Association, Director of the Texas and Southwestern Cattle Raisers Foundation and served on the Ranching Heritage board. He was also recognized as the National Hereford Show Honoree at the Fort Worth Stock Show and Rodeo in 2008. In 2012, Scharbauer received the Foy Proctor Memorial Cowman’s Award with the Haley Library and History Center in Midland, Texas.

Scharbauer has served many times as a judge for the THA Replacement Female Sale in Fort Worth and as the grader for the San Antonio Livestock Exposition All Breed Bull Sale, as well as judging the Hereford Carload Bull Show in Denver.

He is a member of Trinity Baptist Church in Amarillo and has served by going to China on an agricultural mission trip. Scharbauer is blessed with 5 children and 7 grandchildren.★

## booster of **THE YEAR**

## friend of **THA**

**M**organ Cox owns and operates Cox Cattle Company, a progressive Hereford show steer business.

I have been in and around the Hereford business all my life. My father and grandfather gave me a registered Hereford heifer the day I was born. That started an adventure that has taken me to Hereford events around the United States. I currently have a registered and commercial Hereford herd.

I showed Hereford steers and heifers throughout school. While in Jr. High I formed Cox Cattle Company and have owned and operated it for the past 49 years. I became involved with the Texas Junior Hereford Association at 9 years old and served on the TJHA Board of Directors from 1970-1976. I served as State President in 1975-76. I was lucky to be a part of Martin County 4H where I got my first lessons in giving back to the community. I'm proud to get to help sponsor the State Show and donate to the Open Show Scholarships at Ft. Worth and San Antonio. I believe the youth of our breed are the future of the Hereford cattle business and any way I can help them; I'll try my best to help them.

I am also active in my community, serving on the Board of Directors of the Martin County Hospital District, serving as secretary of the board. I also serve on the Board of Directors of the Grady ISD Educational Foundation. I am the Assistant Fire Chief of the Lenorah Volunteer Fire Department. I also served on the Martin County Farm Bureau Board for 24 years and served for 20 years on the Martin County Fair Board.

I am currently serving on the Texas Hereford Association Board of Directors. A few years ago, I was asked by Katie Day to help revive the Sandhills Show in Odessa. Now I am co-chairman of the cattle show and was elected to the Sandhills Stock Show and Rodeo Board of Directors. This past year I had the opportunity to memorialize my parents, Bob and Jo Jon Cox, by joining with my sister and brother to sponsor the Bob and Jo Jon Cox Memorial Heifer Show. Once again, a way to help the junior Hereford exhibitors.

Hereford people and Hereford cattle are the best around. I am blessed to be a small part of this group. I am honored and humbled to be named the Booster of the Year. ★

*Morgan Cox*

**H**ow it all started: I was born in Lubbock, TX on September 29, 1964. I was a city kid and was not raised in the livestock world, but my grandparents were cotton farmers in Haskell County and I tried to spend as much time with them as I could because I loved being around agriculture. About my sixth-grade year my dad's company moved him to work in Dallas and our family settled in Duncanville.

*Monte Williams*

When I was an 8th grader my older sister was taking an ag class in high school and for some reason she decided to show a lamb. Through her showing that lamb I had met some of the other kids that were showing cattle, and that was when I decided that I wanted to show cattle too. The first thing I had to do was talk my parents into it and then convince the Duncanville ag teacher, Mr. Gary Buchholz (GKB) to let me on the show team, after accomplishing those steps the love of show cattle and the show industry began in my life.

For the next 4+ years I made nearly every step that Buchholz made, I could not have asked for a better person to learn from! When I was a sophomore in high school, I met my high school sweetheart and we have been dating for nearly 40 years. After graduating high school, we both attended Tarleton State University, and I also worked for Whitburn Angus in Eastland, then I worked for R&J Ranch in Briggs and then Strouds Creek Angus in Tolar. I worked for several different people and never made a dime, but I sure did make a lot of friends along the way. One night while talking to Richard Stotts he said, "Boy if you don't put that brush down you won't ever have anything", I gave that a lot of thought and then moved back to Erath county, started a small business and then got married. For the next 4 years we weren't around the industry much, we helped my niece and a couple other kids with their animals, but mostly we were just waiting to see if our kids would be interested in showing. When our first daughter Jayci became interested, we showed several pigs and a few steers, basically whatever we could afford at the time. Then our second daughter Bayli started showing and we could only afford pigs at first, then our third daughter Randi came along and we only showed pigs and the animals were eating good and we were starving to death! But through it all God has blessed us so so much, we were able to build our home on Deana's parents farm, we like to call Flat Creek. Then we purchased Cowboy Septic Company, and it has been quite a journey!

As the girls got older, we decided that we would try out a steer from Leroy Baker for Bayli to show, with that steer she got a brand at Houston, with that money she purchased a Hereford heifer from Les Jones and later Randi purchased a Hereford heifer as well. We had a good run with those two heifers, but we were just drawn more to the Hereford

breed, mainly the Hereford families. At West Texas Fair we saw Gary & Kathy and the girls made deals with them for some heifers, and ever since that day Gary and Kathy and the whole GKB family has taken us to places we could have not gone to without them. I also have to mention a family that has been very influential in our Hereford life and that would be Jeff & Colleen Chaffin and their kids. We actually went to high school with Jeff and they have helped us the whole time and pushed our kids to be the best they could be for this breed.

So many other people have helped and supported us through all of this, especially when Randi had her accident. So much love and support that I could never mention everyone, but we have been so blessed and humbled by the people in this industry. The truth is, we are not in the cattle business to raise cows, we are in it to raise kids. It takes a village to raise a kid and we have been so blessed by our church family and livestock family.

I was very humbled that the Texas Hereford Association has chosen me for this award, I really don't feel like we offer too much to y'all but we are very thankful to be a part of it! Success is not so much about the banners and buckles, but the relationships and memories. We thank you all so much and we give all the glory to God! ★

and results on Facebook. We have over 4400 persons following us on Facebook and have reached over 10,000 contacts with our postings.

I extend a plea to all members who do not have a business card ad in the magazine to place one this year. The cost is slightly more than \$250 per year. We need your help in keeping enough ads to keep our rates at present fees. Every director should have a card ad. We also need more members to balance our operating budget. If each current member adds a customer, friend or neighbor as a member, our membership will double. We added over 25 new members in 2019. We have a goal of over 500 for 2020. We have managed to operate on a very lean budget the past few years but there are many more ways we can promote Herefords with a few more dollars in our budget.

As 2020 progresses, I hope to see more of our members at Hereford events. I hope you encourage a friend or neighbor to come along and become active in our association. January is a busy month, but there is something to do every month. Watch our magazine, our web site and our Facebook page for more exciting events in the planning stages for this year. Together we can make Herefords reign Supreme not only in Texas but across the entire USA. ★
