**WHERE CHAMPIONS ARE A TRADITION!**

Here we are at the start of another year for Texas Hereford Association. It is amazing how fast the years seem to fly by. 2020 proved to be a challenging year for Texas Hereford Association. Even though cattle prices were off from the record prices of 2015, our purebred prices were much better than 2019 for most breeders. Our Hereford cattle continue to gain acceptability as more and more cattlemen realize what our breed has to offer. The Hereford cow is our rock of strength. We must build from this. Our bulls continue to make an impact with the number of calves they can sire as well as the pounds and quality they breed. As we strive to use sires with more muscle, REA and IMF EPD's; we will continue to increase market share of the bull trade. We must get more aggressive and effective in promoting our breed and our product. We must do a better job of developing and selling our cattle.

COVID-19 has caused many cancellations and changes for our association for the first part of 2021. As announced earlier, our executive committee totally cancelled our annual membership meeting and all show and sale activities associated with the annual Fort Worth Stock Show. We plan to be back to regular activities in 2022 with some

new plans for the Powerhouse sale. I do want to thank the donors of our Heritage pen for making a sale possible this year. Robbie Schacher is managing a sale to replace the annual all-breed sale of the Fort Worth Stock Show and has invited THA to sell our heifers in this sale. This year we

# To market, to market to....

# Sell locally

*KeeChai Ribeyes*

by Asher Karnes

**T**he recent popularity of sustainably raised locally produced beef has been welcomed by Texas ranchers. The move has inspired many family operations to head out on their own, using the internet to market their home-grown products directly to customers.

One such enterprising rancher is Keely Hamman of KeeChai Beef in Jack County, Texas. A fourth-generation Hereford breeder, Keely was born and raised in Jacksboro and, like her grandmother, started showing heifers and steers when she was just knee-high to a grasshopper.

The Hamman family has a long history of breeding and raising cattle. Keely's great grandfather is credited with bringing Polled Hereford to Texas. "The term 'it's in my blood' couldn't be more accurate. I dearly love the ranching lifestyle and am grateful I was able to grow up in a community that I now call my family."

When asked why she decided to start selling her beef, Keely shared that her family had talked about conditioning and marketing their meat for some time. But it wasn't until the COVID-19 shutdowns in March that the stars aligned. "I was staying on the ranch doing cattle work. At the supper table one night, we mapped out a plan to provide beef to our community. I filed for an LLC that week and chose some steers to feed out."

With a beef shortage on the horizon and a surge of interest in locally sourced meat, the Hamman's couldn't have

picked a better time to launch KeeChai Beef. Business is booming, and news of their operation is spreading. Sometimes, they even sell out before posting a new sale online.

The Hamman's have built a real family operation, and you can taste the love in every bite. Their beef is raised on pasture and finished with grain. It's then dry-aged for at least 21 days. "I grew up with homegrown beef in the freezer at all times. As a child, I don't remember going to the grocery store to get any type of meat. But in college, I quickly learned that there's a huge difference between grocery store meat and what we raise here on the ranch."

"With KeeChai Beef, you'll know exactly what you're eating because you can see the producers who stand behind the finished product. You aren't just getting delicious Hereford beef from us; you're also getting our hard work and our pride. It's the same meat that we put on our table each night."

What does the future hold for the Hamman family? Keely hopes to keep helping her community fill their freezers with great-tasting and economically feasible beef. That involves being able to process five calves a month for wholes, halves, and quarters as well as retail cuts. Ultimately, KeeChai Beef wants to partner with area chefs and provide restaurants with healthy meat and a unique story.

"If you aren't near Jacksboro or Lubbock and can't

**N**ine of our most loyal Texas Hereford Association members have donated branded yearling heifers to be put in 2 pens – one pure Hereford and one Hereford x Angus cross heifers. Due to the cancellation of the 2021 Fort Worth Stock Show, these heifers will be sold on February 6, 2021 in the All Breed Commercial Sale in Fort Worth which will replace the Stock Show sponsored event. The proceeds of these heifers is designated to boost the general operating and promotion account of the Texas Hereford Association. This is a great opportunity to add quality cattle to your herd and help THA.

*The Hamman Family, Kaily, Bob, Sarah, Keely and William.*

buy from my family, I would like to encourage you to look for ranchers in your own community and purchase meat from them. When you buy meat directly from the source, you're not only helping the people in your area, you're helping the local economy. It's a win for everyone, but a little more for you, because you'll also be getting great tasting beef in your freezer!"

We couldn't agree more, Keely. Good luck with the new venture. ★

## Promote Your Herd

At only \$15, a subscription to *Texas Hereford* makes a great gift for your buyers who are not THA members. They'll think of you every month when they receive their magazine.

## tailgate**TALK**

*continued from page 6*

have two pens, one Hereford and one baldy pen to sell. We have assembled a super set of heifers that will be sold on February 6, 2021 at Fort Worth. If you know of anyone needing heifers, please send them to this sale.

Our executive committee solicits your input on activities that would make you proud to be a member of this organization. If you want to contribute time and ideas, contact myself, President Terri Barber, any member of the executive committee or board of directors. Your help, ideas and contributions are most appreciated. We need more participation from more members. Specifically, we need your attendance at Hereford events. Success is generally measured by size of the crowd. Next, we need more participation in advertising in our publication. More ads allow us more editorial and both will enhance a Hereford presence in Texas. We put our magazine on our website when we send it to the printer. Our goal is to provide you as members an affordable means to promote your cattle. Our "For Sale" section has proven to be very successful in helping members sell cattle as well as buyers find cattle. We have been posting announcements and results on Facebook. We have nearly 5000 persons following us on Facebook and have reached over 10,000 contacts with our postings.

I extend a plea to all members who do not have a business card ad in the magazine to place one this year. The cost is slightly more than \$250 per year. We need your help in keeping enough ads to keep our rates at present fees. Every director should have a card ad. We also need more members to balance our operating budget. If each current member adds a customer, friend or neighbor as a member, our membership will double. We added over 25 new members in 2020. We have a goal of over 400 for 2021. We have managed to operate on a very lean budget the past few years but there are many more ways we can promote Herefords with a few more dollars in our budget.

As 2021 progresses, I hope to see more of our members at Hereford events. I hope you encourage a friend or neighbor to come along and become active in our association. January is a busy month, but there is something to do every month. Watch our magazine, our web site and our Facebook page for more exciting events in the planning stages for this year. Together we can make Herefords reign Supreme not only in Texas but across the entire USA. ★
