## Powerhouse Sale and Pen Bull Entries Due

There will be a few changes at the Fort Worth Show this year. We will have three age classes and an overall champion and reserve. All pen entries will come to THA. Pen bulls will be shown on Saturday morning, January 30, in the West Sale Arena.

Next, we have changed the name of the commercial heifer sale but will keep the same format. We will still show and sell pens of ten. We will judge in the pens on Saturday morning and the sale will be at 1:00 p.m. on Sunday January 31.

We cancelled the Cowtown Invitational sale but still plan to offer bulls and single lot females for sale as an addition to our commercial sale and call it all our Powerhouse Hereford Sale. The bulls and single lot heifers will sell immediately after the pens of commercial heifers. Consignments to both sales are due to THA By November 1.

Contact the THA office or any THA officer for more information. ★

## THA Scholarships

The Foundation of the Texas Hereford Association awards two scholarships at the annual meeting to qualifying high school seniors and college freshmen. They are a \$1,500 from the THA Foundation and a \$1,000 Jim and Cheryl Klein scholarship. You may call the THA office to obtain information or go to [www.texashereford.org](http://www.texashereford.org) and click on the youth link for THA Foundation scholarship requirements and instructions. Deadline for applying is January 1, 2021. The awards will be presented at the THA Annual meeting in Fort Worth, January 30, 2021. The THA's office number is 817-831-3161. ★

## Attention Juniors: \$4,500 for Top Jr. in 2020 Fort Worth National Show

THA Foundation has committed \$4,500 to the exhibitor of the highest placing heifer and \$2,500 to the sec-

ond highest placing heifer at the 2021 Muleshoe Ranch National Hereford Show in Fort Worth on February 1, 2021. A third and fourth place scholarship of \$1,500 will also be awarded. To be eligible to receive these awards, the exhibitor must be a member of TJHA, be eligible to show in the junior show the previous week (exhibitor does not have to exhibit at the junior show) and be at the halter of his/her heifer. No cow/calf is eligible. The ownership rules for the junior show must be met.

Friends of THA have sponsored the funds for this award for many years. Anyone wishing to join this effort should contact Jack Chastain at the THA office. ★

## Sandhills Hereford Scholarship

Any TJHA member who is a graduating senior and has exhibited at the Sandhills Hereford Show is eligible to apply for one of the two \$1,000 scholarships awarded to heifer and steer exhibitors. Scholarship application can be downloaded on the Sandhills Stock Show website, [www.Sandhillstockshow.com](http://www.Sandhillstockshow.com). Application deadline is December 1. For more information contact Chelli Evans at the SandHills Stock Show and Rodeo show office at 432-366-3951. ★

October is by far our busiest month of the year. We have most of our fall sales this month and remain optimistic that our sales will be strong in spite of the conditions we cannot control. Results from our "Cattle for sale" listings have been exceptionally successful as reported by those participating. Other members have reported excellent private treaty sales all summer. Hereford demand is great and we have had a steady number of calls wanting both bulls and heifers, both horned and polled. I encourage all members to take advantage of our "For Sale" listing. I encourage any non-member to join and utilize this most helpful marketing tool. Our goal is to make our magazine and website the first place buyers look when wanting to purchase Hereford cattle.

Our tenth annual fall classic bull sale is fast approaching on October 21. I compliment the consignors for offering a quality set of bulls and females. We are pleased to have the Red Alliance joining us again this year with both bulls and registered females. I encourage everyone to attend and support this event.

The annual membership meeting and election of directors of the American Hereford Association is held in late October in Kansas City during the American Royal Show. Although the terms of the merger of the AHA and APHA do not allow every member a vote, you can still have a voice by contacting the elected delegates and express your choices. The three persons elected this year will serve on the board

that makes policies of AHA for the next four years. Make your views and voices heard!

I wish to remind our junior exhibitors that our THA Youth Foundation has committed \$10,000 to the top four Texas exhibitors at the 2021 Muleshoe Ranch National Hereford Show in Fort Worth on February 1, 2021. To be eligible to receive these awards, the exhibitor must be a member of TJHA, be eligible to show in the junior show the previous week (exhibitor does not have to exhibit at the junior show) and be at the halter of his/her heifer. No cow/calf is eligible. The ownership rules for the junior show must be met. Friends of THA have sponsored the funds for this award for many years. I also wish to inform all juniors of the new scholarship program offered by the San Antonio open Hereford show of scholarships for the three high placing juniors in their open Hereford show on Monday, February 8, 2021. Anyone wishing to contribute to either fund should contact Jack Chastain. We need a few more sponsors as we fell short of our goals this year.

I close with a reminder that entries are due now for both the Powerhouse Invitational Sale that includes our 52nd annual THA Whiteface Replacement Female Sale as well as the halter sale. Please help yourself and our sale with a quality offering. A successful sale is a reflection of everyone involved in the Hereford industry. I hope to hear from you or see you at many of the upcoming events. ★

# Retired Colonel Named Dean of Tarleton Leadership and Military College

*Retired U.S. Air Force Col. Kenny Weldon*

**R**etired U.S. Air Force Col. Kenny Weldon has been named dean of Tarleton State University's new Leadership and Military College, effective immediately, and will continue his role as Commandant of the Texan Corps of Cadets. The college results from the rapid growth of the corps, reinstated in 2016, as a leadership development program.

The number of cadets has almost doubled over the past four years to 120 strong. The corps was originally founded in 1917, when Tarleton became founding member of The Texas A&M University System.

Part student military organization and part leadership training enterprise, including a minor in leadership studies, the Texan Corps of Cadets is the nation's only such group not associated with a senior military college. And Tarleton is the only four-year university in the U.S. to implement a military college with a corps of cadets.

"Establishing a Leadership and Military College is the right thing to do for our students and for our country," said university President James Hurley. "Regardless of the path they choose, our cadets leave Tarleton prepared to serve as effective, successful front-runners in a world where commitment, perseverance and teamwork make all the difference."

Weldon deserves his added role as dean, Hurley said. Tapped in 2016 as commandant, he has played a significant role in re-establishing and growing the Texan Corps of Cadets.

A Stephenville native, Weldon retired in 2011 after 26 years in the Air Force. While on active duty, he served as a civil engineer officer and led organizations at the installation, military department and Secretary of Defense levels. His military decorations include the Defense Superior Service Medal and Legion of Merit.

He is a graduate of the U.S. Air Force Academy, with a bachelor's in civil engineering. He also holds a master's in engineering and en-

vironmental management as well as a master's in national security strategy from the National Defense University in Washington, D.C.

Tarleton's Leadership and Military College combines academic course work with real-world experiences to cultivate individual leadership. In addition to the Texan Corps of Cadets, the college offers a leadership degree and certificate as well as myriad internship opportunities.

In addition to the Office of the Commandant, the college is comprised of the departments of Military Science and Aerospace Studies (via crosstown agreement) and the Department of Leadership Studies.

"The ultimate value of Tarleton's Leadership and Military College is facilitating the development of the individual as a leader for the 21st century," Weldon said. "Leadership skills learned by student cadets have application both in and out of uniform — to serve the greater good and elevate service above self, a concept that aligns with the military ethos 'mission first, people always.' The corps experience is designed to instill care for others."

Built on the freshman experience, the Texan Corps of Cadets requires sophomores, juniors and seniors to support newer students and help them excel. Members learn personal discipline and focus. A 24-hour schedule makes time for classes, homework, meals, physical training, military duties, personal time and sleep, giving cadets time man-

agement skills well beyond their collegiate peers.

"We want all cadets to embrace the ideas of accountability, responsibility and commitment, and to do so 168 hours a week or all the time. We call this ARC168 leadership," Weldon said. "These traits are vital characteristics of successful members of any team or profession and encourage the development of habits that enable success in life."

Following graduation, many Texan cadets commission through the Reserve Officers' Training Corps as officers in the Army — a proud partnership dating back more than 100 years — or Air Force or Marine Corps. Others follow a civilian track called Texan Leader, with no military obligation.

The ultimate enrollment goal for the Leadership and Military College is 500 cadets by 2026.

For more information on Tarleton's Texan Corps of Cadets, go to [www.tarleton.edu/cadets](http://www.tarleton.edu/cadets).

Tarleton, founding member of The Texas A&M University System, provides a student-focused, value-driven education marked by academic innovation and a dedication to transform today's scholars into tomorrow's leaders. It offers degree programs to more than 13,000 students at Stephenville, Fort Worth, Waco, Midlothian, RELLIS Academic Alliance in Bryan, and online, emphasizing real-world learning experiences that address societal needs while maintaining its core values of tradition, integrity, civility, excellence, leadership and service. ★

## Greetings TJHA and THA members!

What a difference a month makes. Depending on where you are in Texas right now September handed you a 40 degree or more temperature swing and you hopefully found a rain gauge full of water! Buckle up because it looks like we are getting ready for an early fall. I for one am ready for that!

With the what has almost become normal communication in today's "safety first" world, video team calls are replacing much of the human face to face interaction. I for one am not a fan, however, the bright side of this as a Texas Junior Hereford officer team living miles apart from each other is we are all in tune to the process. The TJHA officer team has already started getting ready for our 2021 Junior State Show. We have the date locked down at the **Bell County Expo facility in Belton, Texas for June 9-12, 2021**. Our goal is to get contests, schedules, themes, service projects, and possibly even judges confirmed and set at our next membership meeting during the Fort Worth Junior Heifer Show, January 23, 2021. We hope this allows us as advocates for Herefords and Youth development to recruit even more youth to participate in what has become one

of the largest youth purebred cattle exhibitions in the nation. What a legacy this great association has created for itself. We are excited to help build it even bigger and better giving others the opportunity to experience what we have in our Hereford family.

There are many opportunities between now and our highlighted Texas Hereford State Show to grow the Hereford reputation. I hope to see all of you this fall whether its here in Texas or at a National show. I will personally be in Waco during the HOT Fair, Kansas City during the Royal, Abilene during the Hereford Heritage Show, and at some of the many great sales occurring throughout the state this fall. If you can't make it to any of these great events as a junior, please reach out and share with me your recent successes with your Herefords. You can contact me at alexannharris@gmail.com. ★

### **Wanda Larue Shive Willis and William Frederick Willis**

Wanda Larue Shive Willis passed away in Lampasas, TX on April 23, 2020. She was 86. She was born on January 25, 1934 in Big Spring, TX. She grew up in Coahoma in Howard County where her family farmed dryland cotton.

William Frederick Willis passed away June 30, 2020. He was 87.

Fred was born December 8, 1932 and grew up in Odessa. He attended Texas Tech in Lubbock and was a fighter pilot in the Air Force.

Wanda and Fred met in the early 1950's and were married on February 14, 1959 in Coahoma after Fred was discharged from the Air Force and became the head of operations for his father's trucking company, JJ Willis Trucking Company. They were married for 61 years. They resided in Odessa and had two children, Keri Larue Willis and Ron DeWitt Willis. Fred and Wanda moved the family to Lampasas in 1972 where Fred became a cattle rancher and real estate broker. Fred and Wanda played active roles in Keri and Ron's lives growing up and contributed greatly to their successes showing cattle locally and throughout Texas at the major livestock shows. After Keri and Ron moved on with their lives, Fred and Wanda worked side by side and remained active in the cattle business for many years.

Survivors include daughter, Keri Willis Borg of Arden, NC and son Ron Willis of Dallas, TX. Grandchildren Cole Wimer of Oklahoma City, OK and Megan Wimer of Charlotte, NC; and several nieces and nephews. ★

# Chicken. Fried. Steak.

by Asher Karnes

For those of you who've been reading my restaurant reviews over the last few months, I imagine it's pretty clear that I love chicken fried steak. Sometimes, my waistline and I wonder if I love it too much. Maybe I should order something different? Maybe I should change things up? Maybe I should just settle down, find a nice salad to review, and live happily ever after?

The struggle was real as I approached the host stand inside Red River Steakhouse in Amarillo, Texas. But I was feeling determined, this time nothing was going to get in between me and a fresh, crispy bowl of lettuce. I even told the hostess as much as we walked past the full-sized antique windmill-head and farming knick knacks that cov-

ered the walls. As I settled into my booth, she handed me a red bandana napkin roll. Clearly this family owned, and operated eatery was authentic country through and through, but did they have salads?

The menu was full of classic home-style favorites and offered something for every taste. There were a number of Certified Hereford Beef steak options available as well as chicken and seafood dishes all of which came with a choice of sides. And yes, even the salads sounded delicious with a BBQ Cobb and a Steak Salad both begging for my attention. I was just about to settle on the Steak Salad when I saw it, "Best chicken fried steak in Texas. Never deep fried." Wait, what? Never deep fried?

The chicken fried steak arrived with a generous cup of cream gravy, a double thick slice of Texas toast, and my chosen side of green chili hominy. My server, Sabryna explained that they use Certified Hereford Beef cube steak which is breaded and then cooked on the flat top griddle rather than in the deep fryer. I found that this added some nice flavor complexity as small areas of the breading were a bit charred. And although I initially felt that the dish was a bit under seasoned, I quickly discovered that the gravy balanced with the juicy bites of steak perfectly.

The green chili hominy was a real taste explosion. It was full of creamy, cheddar cheesy hominy kernels stewed with spicy chunks of delicious fire roasted green chilis.

And although the portion was generous, this stuff was so good, next time I'll order a double helping.

But it wasn't until I asked for the check that the star of the meal appeared. Free cobbler! That's right, EVERY entree comes with a scoop of free cobbler for dessert. And this wasn't just some store-bought afterthought, this was freshly made, flaky crust, apple cobbler. Spiced with cinnamon and just sweet enough to not overpower the tart, toothsome granny smith apples. What an unexpected treat.

Stuffed to the gills, I finally asked my server why the owners had chosen to use Certified Hereford Beef, Sabryna was proud to share that the management loved Hereford beef because it was leaner and much more flavorful than other breeds. Also, many of their regular customers come in specifically for the Certified Hereford Beef steaks.

The food and the service at Red River Steakhouse really are something special and won't disappoint. So swing by and give them a try next time you're in the mood for a salad. ★
