Congratulations to our Customers!

Congratulations to Atlas Farms, Grandview, TX, on exhibiting the Grand Champion Bull in the Houston All Breeds Range Bull Sale! This bull was sired by BR About Time 6692 ET, purchased mid-sale in our 2017 Bull Sale in San Saba. 6692 is a son of our phenomenal Gabrielle 8051 donor dam and also sired Atlas Farms' \$7,000 sale bull in the 2021 San Antonio All Breeds Bull Sale. Buying Barber Ranch bulls pays!

Weil Cattle Co., Irene, TX, presented the Houston All Breeds Range Bull Sale Reserve Grand Champion Bull, a son of Barber Ranch herd sire BR Belle Air 6011. Belle Air is recognized as a CHB sire and is a seven-star Hereford Trait Leader. Congratulations to the Weils also for capturing Reserve Grand Champion Hereford Bull honors with BR Kronk G036 ET!

Mr. Chastain and Texas Hereford Association,

It was such a neat experience to be able to show at the Sandhills Stock Show! For years my dad has talked about us needing to show there and this year we made it happen. I was so excited to win my class with a home raised heifer and have the opportunity to go back in for division where I got reserve! Thank you for donating to the Sandhills Stock Show. I had such a great time, and it is a welcoming show that I really enjoyed.

Thanks again!

I am happy to report that Texas Hereford Association has survived the past year with all the pandemic, weather and other obstacles presented to us. As the restrictions forced upon us this past year are slowly removed, it is time to regroup and go forward. Please keep THA in your plans this year.

It is exciting to read the sale reports from the sales that have been held from all over the nation and how successful they have been.. Breeders from Texas were listed as top buyers in many of these sales. This can only expand and improve the genetics our Texas breeders make available to the industry.

We have begun work on the 2021 annual membership directory. Every member will be mailed a herd listing form and ad reservation form. Please update your listing. I cannot stress enough how important it is that current members provide us with correct and complete information regarding phone numbers, e-mail addresses, herd information and directions to your ranch. We especially want to update those of you who have developed ranch web sites and can include you with a link from our web site.

Now is the time to select and hold a bull or group of bulls for our Fall Classic sale in Buffalo on October 20. We are also trying to build a female sale with this sale. We will accept both registered and commercial Hereford females as well as other breeds and crosses. Now is also a good time to select

and breed a pen of heifers for our 52nd annual replacement heifer show and sale to be held in Fort Worth on Sunday, January 30, 2022. Plan to select at least one or two extra to make sure you can get the minimum of ten for the pen show. We can accept both Black and Red Angus cross heifers along with straight Herefords. We plan to have another heritage pen of cattle. We also plan to expand the pen bull show. THA through some generous sponsors has encouraged our junior exhibitors to enter the open show by providing a cash award in the form of a scholarship. I solicit a few more donors as well as all junior exhibitors to consider bringing their heifers to the National Show in Fort Worth. The junior must be present and be at the halter of his or her own animal to be eligible for the four top placing heifer prize money.

Our juniors are busy preparing for another great state show and field day held jointly with TJPHA. The event will be held June 9-12 in Belton. As an advisor I can safely say that this event could not happen without the support of the Hereford breeders around the entire state. I encourage all members to respond favorably with both monetary and volunteer help. All THA members could benefit from watching our youth in action.

Hereford demand is as strong as ever and now is as good a time as ever to promote your herd with an ad in our publication. Remember: "Advertising does not COST-IT PAYS!" ★

A Texas Size Thank You

We at Iron Lake Ranch invite you to be with us **Saturday, April 24** for the final chapter of the Iron Lake Ranch program. Over the past 14 years, we have strived to produce some of the most elite and sought-after genetics in the Hereford breed. We are very proud of the genetic advancement in our program, but due to age, health and wanting to spend more time with family, the time has come to share the entirety of the herd. It has been a great challenge for myself, and I have enjoyed each and every moment of building the genetics at Iron Lake Ranch. The friendships I have made will be forever lasting! In closing, I really appreciate the acceptance our genetics have had in the Hereford breed, and I feel strongly that this set of genetics has yet to reach its full potential.
