AHA Annual Meeting approaches

The 2013 American Hereford Association (AHA) Annual Membership Meeting will be 8:30 a.m., Saturday, Nov. 2, at the Argosy Casino Hotel and Spa in Riverside, MO.

To make reservations at the headquarters hotel, the Argosy Casino Hotel and Spa, call 1-800-270-7711. Ask for the AHA \$99 rate. Cutoff for reservations is Oct. 9.

A complete schedule and Annual Meeting information will be included in the October Hereford World. ★

Texas Hereford Association,

I really enjoy the publication and appreciate your enthusiasm for promoting Hereford cattle. I have purchased 2 registered Hereford bulls since 2011 and am very impressed with the crop of calves. In fact I have kept most of the heifers for replacements. There is a much needed agenda to promote cross-breeding on the overwhelming numbers of A.I. Black cowherd's in this country (my opinion). I think many of the commercial cowmen would greatly benefit the quality of their herds with Hereford influence.

*Thank you for your contribution.

Berry Summerour Named Director of HLSR

Berry Summerour has been named a director for the Houston Livestock Show and Rodeo. He is the son of Buzz and Nell Summerour. He has been very involved with this organization for a number of years and loves working with and for the kids. He was awarded a Houston scholarship in 1985 in the amount of \$8,000.00 for his college education at Texas A&M. The amount of the scholarships is now up to \$18,000.00 – all due to the work of the HLSR organization. Since its beginning in 1932, the Houston Livestock Show and Rodeo has committed more than \$330 million to scholarships, research, endowments, calf scramble participants, junior show exhibitors, School Art participants, and other educational youth programs. In 2013, the total educational commitment totaled over \$24 million. Currently, more than 2,000 students are on Show scholarships, attending more than 100 different Texas colleges and universities. The value of these scholarships

is approximately \$30 million.

The Houston Livestock Show and Rodeo is a volunteer organization with over 28,000 volunteers and over 35,000 members. Both Berry and his wife Jennifer work in several capacities. We are very proud of Berry as he grew up loving the cattle industry and helping his dad on the ranch. This is a very nice honor but mostly the people they are associated with are some of the best people in and around Houston. They have made some great and wonderful friends through all of the work they do. He has always had support from the people in Dalhart and Stratford and he loves where he came from. ★

Jack V. Williams Celebrates 100th Birthday

Jack V. Williams was well known during his long career as an outstanding breeder of Hereford cattle. Reared on a ranch in South Texas, his family had been in the cattle business since before the Civil War. After he graduated from high school, he began his career as a cowboy earning a dollar a day in 1931 and 1932. During those years, he also worked for the Chicago Loan Company rounding up cattle on foreclosed ranches. After spending a month's pay in a single appointment at the dentist, Jack decided to go to college. He graduated from Texas A&M, which was then called the Agricultural and Mechanical College of Texas, Class of 1937. After completing college, he managed a large ranch in Mexico. He married Teddye Wardlaw from Ballinger in 1939 and moved to Paint Rock in Concho County to work for the extension service and the Agricultural Adjustment Administration program, helping arrange loans for farms. Then, after serving in the Air Force in World War II, Jack moved

to Paint Rock in Concho County and leased the J.A. Wade Ranch and purchased his herd of registered Herefords which was started in 1913. During his career, Jack operated three ranches in Concho County, Texas, running both registered Hereford and commercial stock. He was one of the first ranchers to use progeny testing to improve his cattle, and starting in 1947, Jack's cattle placed first or second for thirteen out of seventeen years in the pioneer testing program at the Texas Agricultural Experiment Station at Balmorea. Mr. Williams received the Feedlot and Carcass Register of Merit Award from the American Hereford Association and the Super Register of Merit for one of his bulls, Beau Mark Donald. This bull was Jack's top herd bull, until a son of Beau Mark Donald, named Sam Donald, would later be regarded as one of the best bulls in the world at the time, with this bull's semen shipped to South America, Europe, and South Africa.

Jack Williams was a member of the Texas Southwestern Cattle Raisers Association and a director and member of the Texas Hereford Association. He was a charter member and a past president of the Concho County Hereford Association, a member of the American Hereford Association, and has served as director of the Texas Sheep and Goat Raisers Association.

After a long and successful career in the Hereford business, Jack had his dispersal sale in 1978. He and Teddye then spent some time traveling, mostly between their home in San Angelo and their beloved Red River, New Mexico, where they had purchased a second home in the mountains in 1965. Jack started snow skiing at age 52 and "didn't retire his skis" until he was 71. He was a director of San Angelo National Bank from its beginning until the early 2000's. In later years Teddye had health problems and Jack was always by her side as a loving caretaker and constant companion until her death in 2008. In early 2009, Jack moved to College Station to live with his daughter, Vicky Har-

Jack V. Williams

with Vicky and Josh. His favorite past time at 100 years old is reading books written by an old friend of his, Elmer Kelton. ★

Winston "Skeeter" Dennis

Winston "Skeeter" Dennis passed away Aug. 22, 2013, at his home in Aledo at the age of 83.

Winston "Skeeter" Dennis was born July 10, 1930, in Denton to Scott and Essie Agnes Howard Dennis. He grew up in Grady, Waurika and Ringling, OK, and graduated from Ringling High School. He and Sue Seay were married Nov. 20, 1950, in Carlsbad, NM. He was a lifetime rancher with Dennis Ranch in Oscar, OK, and in Aledo. He was a lifetime member of the American Quarter Horse Association, the National Cutting Horse Association and American Hereford Association. He and Bob and Billy Jack Wills co-wrote "Faded Love." He was a member of the Ryan United Methodist Church. He was preceded in death by his parents and son, Steve.

He is survived by his wife of 62 years, Sue Dennis; children, LaDonna Dennis Davis and husband, Jerry Dan, Cindy Phillips and David Dennis; Sister-in-law, Billie Dennis; grandchildren, Zachary Dennis and wife, Sommer, Tyler, Binion and Dakota Dennis, and Courtney Savage and husband, Lyndle; great-grandchildren, Skyler, Bayler, Braxton and Brooklyn; several cousins; and his wonderful caregivers, Barbara, Judy, Rae Lynn, Brandi, Sedrick and Lana. ★

One of the speakers at the recent Beef Cattle Short course said his best weather prediction was that the hot weather and hopefully dry spell would be over in September. I hope he is correct. This issue includes ads for most of our fall sales. These sales and the many private treaty cattle available and listed on our "Cattle for Sale" page are a tribute to the breeders and their cattle who have weathered the harsh summer

heat and drought to keep these genetics available for breeding stock. Please avail yourself to the opportunities to upgrade your breeding programs. Our Hereford breed offers many traits needed to be successful and profitable in these new and trying times.

The heat and lack of rain continues to take its toll on many of our breeders and more so on their customers. Many of our members have ridden out the

summer and all of these problems but are now facing unprecedented decisions as to how to manage thru the winter and next spring with water, grass and hay in short supply. A lot of good cattle have and will continue to be sold for our ranchers to survive.

The August Hereford World published a very interesting article written by Heather Smith Thomas about the natural resistance of non black hided cattle to salmonella and E. coli. The two Iowa State University researchers seemed to have significant data to back their claims. If so, this is a huge plus for Herefords and all red hided cattle. I recommend all THA members review this article.

I congratulate all of our Texas juniors for their participation and winnings at JNHE. You make us proud.

THA will co-sponsor our third annual fall consignment sale in partnership with the Buffalo Livestock Auction and will have a few Red Angus bulls this year as advertised elsewhere in this issue. We appreciate the interest and consignments from our members in this venture as well as the cooperation from the owners of Buffalo Livestock. This year a screening committee inspected most of the bulls and those selected should make a powerful offering. We hope to see many of you at this sale on October 23 or watch it on Superior internet or RFD TV.

Entries are now due for both the 45th annual Whiteface replacement female sale and the Cowtown select sale. Hereford cattle will again be stalled in of the Moncrief building. We need 40 high quality consignments for the Cowtown Select Sale. We hope to expand our advertising and are working on involving some sponsors to offset the costs. Your thoughts, ideas, help and consignments are very much appreciated. A successful sale is a reflection for everyone involved in the Texas Hereford industry.

In conclusion, I wish to inform everyone that one of our members, Terri Barber, has been nominated to run for a position on the American Hereford Board of Directors. Terri is currently one of our vice-presidents and has served on our executive committee for a number of years. I encourage all our members to support her nomination and encourage all voting delegates to vote for Terri. ★

Five-year-old Cameron is too busy climbing on West Texas Rehab Center's new playground to notice

that hundreds of ranchers are equally busy. Their goal: Rounding up livestock and cash this fall so the Center can continue to help him and others trying to overcome disabling effects of illness and injury.

Since 1960 when it began in Abilene, Round-Up for Rehab has provided an avenue through which friends in agriculture lend their brand of support to help the Rehab Center provide outpatient services to 500 children and adults with disabilities – regardless of their financial circumstance – at facilities in Abilene, San Angelo and Ozona.

Ranchers and businesses may participate in the Round-Up by donating stock to be sold at special sales, making a cash donation or donating later in the year when they take stock to market.

More than 150 volunteers, including Honorary Chairman Red Steagall and General Chairmen Mike Alexander and Randy Carson of Abilene and Jody Frey and Bob Helmers of San Angelo, are assisting Round-Up by promoting activities and asking neighbors to join them in donating to the fall drive.

Big-hearted producers and stockfarmers always have come through for the Rehab, even in the toughest years – and Texas' historic drought these past two years has exemplified that.

"In spite of our own tough times, we want to do what we can to help Rehab help those like little Cameron who face struggles for independence every day," says Helmers. "West Texas Rehab is very blessed with longtime supporters, and the management and staff have never taken our loyalty or generosity for granted."

Additionally, up-front corporate support includes commitments from B-4 Farms, Bar-G Feedyard, Basic Energy, Group IV Electric Cooperatives, Hargrove Ranch Insurance/Fisher-Jones Title Co., H-E-B Food Stores, Indeca Energy, Lone Star Beef Processors, Permian Transport-Trading and Stamford Insurance/America First Insurance. Also, providing monetary assistance are A-B Distributing, Aermotor Windmill Co., Angelo Pellets and Capital Farm Credit, all of San Angelo.

"Early support of volunteers and businesses plus some needed summer moisture will all help our funding drive begin on an optimistic note," adds WTRC President Woody Gilliland. "These special folks illustrate the dedication and

effort that have sustained West Texas Rehab for 60 years, and they're the reason this organization can look to the future with confidence and pride."

After a dinner show event in Brownwood in early August to kick off the annual drive, the fall schedule will include Stephenville, September 24 & 25; Abilene Auction, October 1; Producers Auction in San Angelo, Oct. 3; Junction, Oct. 21; Coleman, Oct. 23; Sweetwater, Oct. 29 and Snyder, December 14.

Dressed in jeans, boots and backpack, Cameron is ready for pre-kindergarten, thanks to Rehab therapists who're helping him master deficits due to developmental delay and seizure disorder. His story is one of many made possible by a loving family, conscientious staff, state-of-the-art facilities and generous supporters in the ranching industry.

For more info or to make a donation, contact WTRC @ 325-223-6311 or www.WestTexasRehab.org. ★

REACHING TOMORROW *The All Choice Way!*

Home-raised registered Hereford steer belonging to Mark Geoffery Largent.

**What a great career
Mark & "Gus" had this year.**

Check out the following:

- Reserve Champion
2013 Montana Junior Beef Show
- Reserve Champion
2013 Johnson County Fair
- **GRAND CHAMPION**
Wyoming State Fair Hereford Show
- Fourth-highest carcass steer
2013 Junior National

What is truly remarkable about "Gus" is that his carcass excellence of a choice yield grade 2 and backfat of .37 came when he was only 14 months old! The record shows that **Desert ★ Mart has more steers in the top of the annual carcass ranking at Junior National than any breed in America!**

His sire and dam are straight Desert ★ Mart genetics, going back several generations. We have several sale cattle rich in these same genetics available for you on...

November 21, 2013 at the Desert ★ Mart "All Choice Sale"

Call, write or e-mail for catalog and more information.
