Graham Received Texas A&M AgriLife Distinguished Texas Award

Dr. Charles W. Graham has received the Distinguished Texas in Agriculture Award from Texas A&M AgriLife, the highest individual honor given to individuals demonstrating outstanding leadership and providing significant contributions to Texas agriculture.

Dr. Graham received the award during the Texas Southwestern Cattle Raisers Association convention in San Antonio April 6.

“Dr. Graham exemplifies what the Distinguished Texan in Agriculture Award is all about,” said Dr. Mark Hussey, interim president of Texas A&M University. Hussey was vice chancellor and dean of agriculture when Graham was selected as the honoree.

“He’s the only individual to serve as president of both the Texas Quarter Horse Association and the Texas

Thoroughbred Breeders Association. He's a legend among those in the equine industry; having established equine veterinarian facilities that are recognized among the nation's most prominent. He also has successful cattle and feedlot operations in addition to other agricultural interests. We are proud to recognize Dr. Graham for his contributions to Texas agriculture and Texas A&M.

"Dr. Graham is most deserving of this award," said Dr. Bill Dugas, acting vice chancellor and dean. "He has served on several committees through the years and has assisted many of our students as they have learned more about the animal science profession through first-hand tours at his equine and beef facilities. We are deeply honored to recognize Dr. Graham for these contributions."

Graham earned his Bachelor of Science degree in animal husbandry in 1953, his Bachelor of Science degree in animal science in 1954 and his doctorate in veterinary medicine in 1961, all from Texas A&M.

In the early 1960s, Graham and Dr. W.H. Cardwell built the Elgin Veterinary Hospital and grew the practice into one of the largest equine veterinary facilities in the nation. Graham is now owner of a number of other businesses, including the 1,300-acre Southwest Stallion Station in Elgin, which has bred some of the top stallions and broodmares in the quarter horse industry.

The numerous awards Graham has received include the 2010 Texas A&M University College of Agriculture and Life Science Outstanding Alumni and his 2009 induction into the American Quarter Horse Hall of Fame. He is the only individual to be selected Horseman of the Year by both the Texas Quarter Horse Association and the Texas Thoroughbred Breeders Association. He also has been named Outstanding Alumnus of Texas A&M College of Veterinary Medicine and Biomedical Sciences.

Graham has served on the board of directors of the Elgin Independent

School District and as a member of the Elgin Kiwanis Club and the Thorndale Masonic Lodge. He participates in numerous stock show events to support youth involved in 4-H, FFA and other agricultural organizations. In 2005, the Star of Texas Rodeo of Austin named their new offices for Graham. ★

Minnie Lou Bradley 2014 Saddle & Sirloin Portrait Inductee

Officials of the Kentucky State Fair Board have announced that the 2014 Saddle & Sirloin Portrait Gallery inductee is Minnie Lou Bradley of Childress County, Texas. For those involved in animal agriculture, this selection is a very high honor. It is bestowed by the Saddle and Sirloin award committee based on service to and impact on the livestock industry. The portrait gallery is the livestock industry's hall of fame and is housed at the Kentucky Exposition Center.

Minnie Lou Bradley is a rancher, a progressive land steward, a purebred Angus master breeder, and a renowned livestock industry leader.

Mrs. Bradley and her husband Bill purchased 3,300 acres in the Texas Panhandle in 1955 and began the Bradley 3 Ranch. Today the expanded 10,000 acre Bradley 3 Ranch continues under the management of her daughter Mary Lou and son-in-law James Henderson.

Beginning in 1997, Mrs. Bradley embarked on a land improvement program that began with brush and weed control and water management. Eventually, analysis of herd grazing habits using GPS information was implemented. The program of adding water sources, rotation grazing and brush and weed reduction has resulted in significant ranch resiliency in the face of recent record droughts. Her ranch has been recognized as a model of stewardship by Texas A&M AgriLife Extension Service and by Dow Agri Services, among others.

Mrs. Bradley has been honored as

a Master Breeder by Oklahoma State University and is one the nation's Top 50 U.S. Beef Industry Leaders, according to Beef Magazine. Her Bradley 3 Ranch's DNA identification program, begun in 1994, has made their Angus bulls highly sought after by commercial producers looking for superior genetics with proven carcass merit. In 2013 the ranch was recognized by the Beef Improvement Federation's Seedstock Producer of the Year Award.

Her lifelong habit of leadership began at an early age. In 1949, Mrs. Bradley was the first woman to major in Animal Husbandry at Oklahoma A&M, and she went on to earn her degree. She was the first woman to win the High Individual Overall award at the National Collegiate Livestock Judging Contest. She served as American Angus Association Board member (1997 to 2003) and went on to be the AAA Vice President in 2004. She then became the first-ever female President of the association in 2005.

The Saddle & Sirloin portrait presentation will take place on November 16 at the 41st annual North American International Livestock Exposition. The expo, which is held annually at the Kentucky Exposition Center, is scheduled for November 9 through 21 in 2014. ★

Officers elected during TSCRA Convention

Robert McKnight of Ft. Davis was elected Second Vice President at the recent Texas Southwestern Cattle Raisers Convention held in San Antonio. TSCRA officers elected are President Pete Bonds, Saginaw; Executive Vice President Eldon White, Ft. Worth; and First Vice President Richard Thorpe of Winters. ★

May is an exciting Month. A few have been blessed with rain and moisture to show signs of spring. Calving should be almost finished and the sight of newborn calves is as good as it gets in the ranching business. May is National Beef Month when grocery chains and food suppliers feature beef in their advertising. Mothers Day in May and Fathers Day in June should be a must to feature beef in everyone's menu. The CHB office assures me we can find CHB in Texas, but it is still

more of a challenge than it should be. We want to hear from you in the country when you find it.

Texas ranchers have an opportunity to vote to approve a one dollar per head beef checkoff by voting between June 2-6 at their local Texas A&M AgriLife Extension Service county office. This program will be managed by a council appointed by the Texas Commissioner of Agriculture from producer nominees submitted by the Texas Beef Council. The managing council will be the Beef

Promotion and Research Council of Texas. I encourage all THA members and supporters to vote yes for this program.

The demand for top quality Herefords continues to be strong. Our sales reported in this issue reflect a growing demand for quality Hereford cattle. Our inquiries for cattle to buy have been good. These come from both phone and internet. Our "for sale" listings have been extremely popular and resulted in many sales. Please help us and yourself by keeping these listings current. We cannot help you sell your stock unless you tell us it is for sale.

Our juniors are busy preparing for another great state show sponsored jointly with TJPHA. As an advisor I can safely say that this event could not happen without the support of the Hereford breeders around the entire state. The youth are most appreciative and extend an invitation to attend and watch not only a tremendous cattle show, but their participation in other educational and fun events.

Last month I challenged every member to sign up a new member. We have seen a few come in. I issue the same challenge this month but need you to get them to us before the end of May to be included in the summer June/July issue. We also need your ad in this popular promotional issue.

As time marches on, so do deadlines for many projects sponsored by THA. Now is the time to set aside bulls and females for the THA Fall Classic sale, select a pen of heifers for the Replacement Female Sale, an entry for Cowtown Select Sale, and cattle to fit and show at the National Hereford Show. We are busy putting together the summer membership directory issue of our publication. Remember that the information that is printed in the herd listing part of this issue is also posted on our web site and can be viewed by anyone at anytime. Phone numbers, addresses and current herd information have never been more important. Please help yourself by making sure your information is correct. Advertising is also a big part of this issue. It is an opportunity for you to highlight your operation for a minimal expense. Results might surprise you. "Advertising does not cost-IT PAYS." ★

Red Bull offers the complete package that the Hereford breed is seeking. He offers an outstanding number package that includes a giant spread from BW to YW, and puts him in the top 5% of the breed for CE, BW, WW, YW, REA, BMI\$ and CHB\$. He combines this data with a powerful look - deep bodied and huge ribbed, with plenty of length and volume. He is a very well balanced bull with muscle, a stout square hip and a smooth front end. He has full pigment and lots of red. His look is backed up by his mother, who is a full sister to 008X the Champion Heifer of the National Jr. Hereford Show in 2011. Most recently, Red Bull was named Grand Champion Hereford Bull at the 2013 Houston Stock Show and Rodeo. The first calves are proving to be all that you can ask for. They come easy and grow fast, plenty of pigment and stoutness. Sexed and conventional semen available. Contact any Red Bull owner or ORIGen to order today.

Red Bull was named the 2013 Grand Champion Hereford Bull at the Houston Livestock Show and Rodeo.

Queen Candidates

*Hannah Schneider
Texas Hereford Queen Candidate*

Hello Texas Hereford Breeders. Please let me introduce myself. I am Hannah Schneider from Aquilla, Texas and the daughter of Gary and Patricia Schneider. Currently a junior at West High School, I am a member of FFA and participate in livestock judging, public speaking, radio skills, and now serving as the chapter Vice-President. I also serve as a member of the Junior Historians at my school and am a youth mentor at my church, St. Martin's Catholic Church. Since I have been a member of the Texas Hereford Association for the past nine years, it has opened many doors for me and given me the opportunities that I might not have had otherwise. Right now, I am acting as secretary of the association and have held other positions as well, such as senior director and parliamentarian. Herefords are a huge part of my life. My brother, Zachary, and I have shown Hereford heifers at all the major stock shows in Texas. To me, the preparation of showing and the big event mean more to me than winning, although that is nice, too. The Hereford family has always had a special place in my heart. I represented the association as the 2009-2010 and 2011-2012 Texas Hereford Sweetheart. This was an honor and I learned a lot from the experience. I am ready once again to continue this, by running for the 2014-2015 Texas Hereford Queen. I know I will represent this association well if given the chance. ★

My name is Mikayla Wommack from Naples, Texas and I am running for Texas Hereford Queen. My parents are Steve Wommack and Beth Wommack. I have one sister, Kaitlyn.

I am a senior at Paul H. Pewitt High School in Omaha, Texas. I have been a member of the Texas Junior Hereford Association and have been showing cattle for four years. I have achieved many accomplishments throughout my showing career. From accomplishing how to show, to learning how to fit my heifers and I have had the time of my life. Through my show career, I have learned to overcome many obstacles. Through learning how to care for my heifers I have learned how to nurture and take action towards responsibilities. It will be a

*Mikayla Wommack

bitter sweet moment, when I have to put down my show stick for the last time.

I have been part of the First United Methodist Church for several years now and I have attended and participated in youth activities as well as Vacation Bible School. Attending church has helped

me personally grow and help me understand my role in assuming my responsibilities.

I have volunteered at the Alumni Building in Omaha. I have spent many hours working on restoring the history of Naples and Omaha for the community. I have learned how to work and take action toward responsibilities. I know that when I walk through Pewitt's doors for the last time, I will know I have overcome many obstacles and have had the time of my life. ★

Queen Candidates

My name is Stephanie Golightly and I am hoping for the opportunity to be the 2014-2015 Texas Hereford Queen. My family has been showing Herefords for the past three years. Prior to that my brother showed Maine Anjou and I showed Simmentals. Herefords have become the heart to our family. We currently have many registered Herefords between us, and each day is a new endeavor. The 2014 show season was amazing and we were fortunate to receive Premier Exhibitor and Breeder at Houston along with several first, second, third and fourth place heifers at the various stock shows.

I am a member of the Bellville FFA and competed in various Farm Skill areas. I am also an elite member of Bellville High School Drill Team. When I am not feeding, washing, blowing or clipping cattle you can find me helping our county calf scramble group with beef project meetings or hosting livestock judging teams that use our heifers for mock classes. I love working with cattle and teaching kids about their care and showmanship. I feel the Hereford Queen position would give me more opportunities to help in various communities and help me grow as a Hereford Herdsman. ★

Julianne Hampton is the 16 year old daughter of Michael and Doni Hampton of Graham, Texas. This is Julianne's first year to exhibit Hereford cattle. She won Champion Polled Hereford Cow/Calf Pair at the State Fair of Texas and won her class at Fort Worth and Houston in the Junior Hereford Show.

Julianne is a Graham FFA Chapter Officer and is a two-time state qualifier in Range Judging. She has shown rabbits, swine, goats, and heifers at the county level for 7 years and has shown beef heifers at the state level for 3 years. She was a 4H member and club officer for 5 years. Julianne is also involved in FCCLA and qualified for state contest this year.

Julianne is actively involved in First United Methodist Youth group participating in local community service events and also participating in UM Army Mission trips in New Orleans, LA; Duncan, OK; and Huntsville, TX. Julianne also works part-time at Double R Trading.

Julianne enjoys photography, dancing, and going to stock shows.

Julianne plans to continue raising and showing Hereford cattle the next two years. After high school graduation, she plans to attend either Tarleton State University or Abilene Christian University. ★

Sweetheart Candidate

Howdy! My name is Audrey Nolan and it is my greatest wish to run for Texas Hereford Sweetheart for 2014-2015. I am the daughter of Scott and Alise Nolan of Gilmer, Texas and the youngest sister of Ilissa and Bethany who owns and operates Nolan Herefords.

Each summer I show at both the Texas Junior State Show and the National Junior Hereford Expo. My greatest accomplishments so far are three top ten three placing in Showmanship, winning the CHB Grill Off with my Texas Team, and three top five placing in livestock judging contest at the NJHE! At our Texas State Hereford Show, I've placed in the top five the last five years in livestock judging and also in the showmanship contest. At the JNHE in 2012, I won Reserve Division and competed in the Grand

Drive. Also, I won Reserve Grand Champion Hereford Heifer at the 2012 Houston Livestock Show. Last year I won first place overall showmanship at the Houston Livestock Show and Rodeo in the Jr. Hereford Show!

Currently, I'm in the sixth grade at Gilmer Intermediate School, on All A Honor Roll, play the saxophone and participated in Oral Reading winning 4th place at our district competition! I am a member of the Gilmer Jr. FFA where I also show market hogs and broilers. Recently, I won Reserve Champion Broilers at the Harvest Festival.

Being chosen as Texas Hereford Sweetheart would be a great honor for me. If chosen, I promise to carry out my role with respect for others, continually sharing and advertising our Hereford breed and remembering that

being Texas Hereford Sweetheart is an honored position.

I would greatly appreciate your vote at the Texas Hereford State Show this June in Belton, Texas! ★

P

lease join us for an afternoon of fun. There will be crafts, etiquette lessons, refreshments, and lots of fun with old and new friends. We hope all Hereford young ladies will attend and learn about the queen programs. Moms, grandmas, aunts, and other interested women are welcome too. Please come and meet the TJHA and TJPHA queens, princesses, and sweethearts. Dress will be dressy casual, no shorts, barn clothes, etc. Hope to see all of you there!!

Advantages of THA Membership

SERVICE – The Texas Hereford Association is a service organization to benefit the Hereford breed and the breeder.

Members are assisted in buying and selling cattle at private treaty and by auction.

The Texas Hereford Association sponsors the Commercial Hereford Heifer Show and Sale and the Texas Select Sale. These sales promote the use of better Hereford bulls and females. The Texas Hereford Association is also actively engaged in the promotion of Texas Herefords and in sponsoring seminars, field days, and other events to encourage educational opportunities for members.

ASSOCIATION – The Texas Hereford Association was organized in 1899. Its membership has included the elite of the Texas Hereford industry since its inception. First year membership dues are \$95.00. Dues for active membership after the first year are \$95.00 plus a \$1.00 per head assessment on calves registered the previous year, less those steered, etc. Associate memberships are available for \$75.00 per year. Each member receives an attractive membership certificate.

DIRECTORY ISSUE – Every active member of the Texas Hereford Association has a free listing in the Directory issue of *The Texas Hereford*. This Directory is used by thousands of Hereford breeders the year round. Information pertaining to your herd such as herd sires, bloodlines, location of farm or ranch, telephone numbers, etc., will be listed in this widely used reference book. This herd listing alone is worth the price of membership. Associate members are also listed.

THE TEXAS HEREFORD – Monthly publication of the Texas Hereford Association. It is the only publication in Texas devoted solely to Herefords. It includes news about the association, news about Herefords, and timely editorial features. Active members can list Herefords for sale **FREE** in the Herefords For Sale column. This service has been responsible for selling thousands of Texas Herefords all over the nation. Texas Hereford Association members may advertise in *The Texas Hereford* at low livestock rates – a considerable savings for your marketing program. Sale catalogs, brochures, flyers, and other marketing aids designed and produced by our professional staff at considerable savings. (Advertising rates will be sent on request.)

Predictable Cattle = Repeat Customers!

One of the best hallmarks of a great breeding program is repeat customers. Every seedstock producer wants his product to reach excited new customers, but the true measure of a rock-solid enterprise is those satisfied buyers who return year after year.

We are very pleased to see familiar faces and bids come our way when sale time arrives. Many of these same customers have been with us 5, 10, 15 and even 20 plus years. The reason Desert★Mart attracts so many repeat buyers is quite simple... the cattle work like they are supposed to!

In these wonderful times for ranchers, you may want to consider cementing your future in the most solid way possible. Tap into the proven excellence of Desert★Mart genetics and watch the demand for your cattle increase PREDICTABLY!

Plan now to visit this summer and to attend our **Annual Sale** on **November 20, 2014.**
