# Barber Ranch Genetics

## Over 100 Years

**Barber Ranch** is an honoree of the Texas Family Land Heritage Program for 100 years of continuous land ownership and agricultural production by the same family. Our cow herd consists of 300 Hereford cows. It remains our goal to stay consistently at the forefront of the Hereford industry, blending the best of both horned and polled genetics to produce the best product – in the show ring, in the pasture and in the feedyard.

*Thank you to our customers nationwide. Congratulations on your success!*

**Two-time Show Heifer of the Year & Grand Champion Female at Kansas City, Fort Worth & Denver**

*Full sister to 2016 Denver Grand Champion Hereford Bull and Supreme Champion at Denver, BR Nitro Aventus 3116 ET.*

This popular champion was recently named the 2015 Hereford “Miss World” at a special presentation held during the Fort Worth Stock Show. The 2015 “Hereford Champion of the World” competition took place from December 1-7 on [www.HerefordBreeder.net](http://www.HerefordBreeder.net) and on the “Hereford Breeder” page on Facebook. This fourth edition of the competition featured champion bulls and females from 66 countries representing six breeds. 4331 judging sheets were received from 35 countries. Anastasia was first named 2015 Hereford Miss North America. Representatives from several countries were in Fort Worth for this very unique presentation.

Owned with Bushy Park Farms, Cottonwood Springs Farm & Sullivan Farms.

*Everyone at Barber Ranch would like to extend a special Thank You to the entire crew of Rainbow Cattle Service for the excellent job they always do.*

## Dear Jack,

I most wholeheartedly want to thank you, the Executive Committee and Board of Directors of the Texas Hereford Association for choosing me as the Honoree of the 2016 National Hereford Show. I feel very honored and privileged to have been chosen.

I regret that I was unable to attend neither the meeting on January 30th nor the Stock Show. Due to a short-lived illness I did not feel well enough to get out, during the latter part of January. It was very disconcerting that I was unable to attend. I had been looking forward to the annual meeting and Stock Show for many weeks but sadly while the spirit was willing the flesh was weak. I'm sure you understand.

Even though I was unable to attend the annual meeting, at the Botanic Gardens, I saw pictures of the very well done display put together by you, Lyn and Lee. You did a great job.

Thank you and the Association for the very nice, well written article that was published in the January 2016 Texas Hereford journal.

The gifts the association bestowed on me, without exaggeration, were fantastic! The custom Henry rifle and stand, the two plaques, the Hereford bull statuette, the silver loving-cup and flower arrangement and the very nicely framed family photo. They will all be treasured by me and passed down through the family for generations to come. Again, please express my sincere appreciation to the Executive Committee and Board of Directors for the very special gifts they gave me.

My very special thanks to you and all of the hard work and tireless effort you put into making this event so special.

On a personal note, I feel your energy, effort and dedication to Texas Hereford Association has been exemplary and has made the Association what is it today, one of the best industry associations in the country.

*Best regards,  
James Walker*

What an exciting time to be in the cattle business with Hereford cattle. I am proud to see sale reports from all over the nation listing breeders from Texas as their top buyers. This can only expand and improve the genetics our Texas breeders make available to the industry.

THA has been very active this past month promoting THA and Herefords with a presence in the International

Room at the Houston Livestock Show, supporting the World Black Hereford Association, sponsoring part of the ABBA sale in Caldwell, sharing a booth with both TPHA and CHB at the TSCRA Convention as well as sponsoring a youth leadership workshop at the TSCRA convention. All were huge successes and THA should be proud of our involvement.

We have begun work on the 2016

annual membership directory. Every member will be mailed a herd listing form and ad reservation form. Please update your listing. I cannot stress enough how important it is that current members provide us with correct and complete information regarding phone numbers, e-mail addresses, directions to your ranch and herd information. We especially want to update those of you who have developed ranch web sites and can include you with a link from our web site.

Now is the time to select and hold a bull or group of bulls for our Fall Classic sale in Buffalo on October 19. We are also trying to build a female sale with this sale. We will accept both registered and commercial Herefords as well as other breeds and crosses.

Now is also a good time to select and breed a pen of heifers for our 48th annual replacement heifer show and sale to be held in Fort Worth on Sunday, January 29, 2017. Plan to select at least one or two extra to make sure you can get the minimum of ten for the pen show. We plan to have another heritage pen of cattle. Now is also a good time to select an entry for the annual Cowtown Invitational Sale. THA through some generous sponsors has encouraged our junior exhibitors to enter the open show by providing a cash award in the form of a scholarship. I solicit a few more donors as well as all junior exhibitors to consider bringing their heifers to the National Show in Fort Worth. The junior must be present and be at the halter of his or her own animal to be eligible for the \$5000 high and \$2500 second high placing heifers and more if funds are contributed.

Our juniors are busy preparing for another great state show and field day held jointly with TJPFA. The event will be held June 14-18 in Belton. As an advisor I can safely say that this event could not happen without the support of the Hereford breeders around the entire state. I encourage all members to respond favorably with both monetary and volunteer help. All THA members could benefit from watching our youth in action.

Hereford demand is as strong as ever and now is as good a time as ever to promote your herd with an ad in our publication. Remember "Advertising does not COST--IT PAYS!" ★

- BW 99 lb., WW 800 lb., YW 1,426 lb., SC 39 cm.
- Terrific combination of powerful look, elite performance and EPDs and great genetics behind him.
- Tremendously wide based with thick loin, square rump, big hip and very deep rib!
- EPD graph is exceptional for growth, milk, udder and carcass!
- Great color, markings and pigment with super hair.
- Dam, 1162Y, is quickly becoming one of the top cows in the breed; eight daughters have sold this past year to average \$28,000 to top breeders all over the country.

## Application for Membership in the Texas Hereford Association

### Advantages of THA Membership

**SERVICE** – The Texas Hereford Association is a service organization to benefit the Hereford breed and the breeder.

Members are assisted in buying and selling cattle at private treaty and by auction.

The Texas Hereford Association sponsors the Commercial Hereford Heifer Show and Sale and the Cowtown Select Sale and the THA Fall Classic. These sales promote the use of better Hereford bulls and females. The Texas Hereford Association is also actively engaged in the promotion of Texas Herefords and in sponsoring seminars, field days, and other events to encourage educational opportunities for members.

**ASSOCIATION** – The Texas Hereford Association was organized in 1899. Its membership has included the elite of the Texas Hereford industry since its inception. Membership dues are \$125.00 per year. Associate memberships are available for \$100.00 per year.

**DIRECTORY ISSUE** – Every active member of the Texas Hereford Association has a free listing in the Directory issue of *The Texas Hereford*. This Directory is used by thousands of Hereford breeders the year round. Information pertaining to your herd such as herd sires, bloodlines, location of farm or ranch, telephone numbers, etc., will be listed in this widely used reference book. This herd listing alone is worth the price of membership. Associate members are also listed.

**THE TEXAS HEREFORD** – Monthly publication of the Texas Hereford Association. It is the only publication in Texas devoted solely to Herefords. It includes news about the association, news about Herefords and timely editorial features. Active members can list Herefords for sale **FREE** in the Cattle For Sale column. This service has been responsible for selling thousands of Texas Herefords all over the nation. Texas Hereford Association members may advertise in *The Texas Hereford* at low livestock rates – a considerable savings for your marketing program. Sale catalogs, brochures, flyers, and other marketing aids designed are produced by our professional staff at considerable savings. (Advertising rates will be sent on request).

**The Most Important Investment  
You Can Make as a  
Registered Hereford Breeder  
is a membership in the  
Texas Hereford Association.**

### ACTIVE Membership Application

I hereby make application for membership in the TEXAS HEREFORD ASSOCIATION.

Upon becoming a member, I will abide by the constitution and By-Laws of the Association and also the rules of the American Hereford Association.

I am the owner of \_\_\_\_\_ head of registered Herefords and \_\_\_\_\_ head of commercial cattle.

# TAP INTO THE COWMAN'S BEST LIQUID ASSET....MILK!

A straight Hereford pair, both sired by Desert★Mart genetics, on a commercial ranch in New Mexico.

Here at Desert Mart, we are unrelenting in providing optimum milk production for your operation. This centers around:

- Solid Maternal Data. We use bulls that are maternal icons ... and we stack them over and over!
- Proven Delivery System That's Right. We detest udders and teats that don't meet our and your high expectations. We want your repeat business and this one essential quality brings our customers back!
- The Dependable Extras. Udder pigment is also a high selection criteria ... as is eye pigment, gentle disposition and great fertility!
