## Geoff Andras Selected Herdsman of the Year

Geoff Andras, Okmulgee, OK, was selected as the 2016 Hereford Herdsman of the Year at the National Western Stock Show (NWSS) in Denver. Geoff was selected for the award by his peers — other Hereford herdsman and breeders — and was honored prior to the selection of the supreme champion Hereford on Jan. 16.

Geoff, a sixth-generation Hereford breeder, has been involved in the cattle industry all his life and grew up showing Hereford cattle.

Between his junior and senior year of high school, at 17 years old, he spent the summer working for Langford Herefords in Oklahoma. Following graduation he returned to work fulltime at Langford's, growing into his current role as manager.

Geoff was named reserve senior showman at the 2011 Junior National Hereford Expo (JNHE) and was a top 10 showman three times in the senior division. In 2009 he was honored with the Wesley Rakestraw Hereford Enthusiast Award and in 2011 he was selected as a herdsman of the year finalist at the JNHE.

As manager for Langford Herefords, Geoff has achieved much success in the industry, being named the 2012 Herdsman Award Winner at the Fort Worth Stock Show.

Geoff is a second generation Herdsman of the Year following in the footsteps of his father, J.C., who won in 1981. ★

*Receiving the Livestock Marketeers Hall of Fame award are Don Birk of El Dorado Springs, MO and Jack Chastain of Fort Worth, TX. Presented by Neil Orth.*

## Livestock Marketeers Awarded

Don Birk and Jack Chastain were inducted into the Livestock Marketeers Hall of Fame during the 2016 National Western Stock Show in Denver, CO. Tom Stromburg was also honored posthumously.

The group was started in 1965 by Harry Green, Ross Miller and Claud Willett. Their purpose was to form a fraternal organization of livestock fieldmen and auctioneers and to make annual awards in order to stimulate younger members of the industry to succeed in their chosen profession.

This is a special salute to those individuals of the past and present who did so much to build and bring honor to the professions of merchandising purebred livestock, the auctioneers, publishers, editors, fieldmen, sale managers, association personnel and related enterprisers.

Over the years, membership has expanded to include members from allied fields. Two such honors have been bestowed annually since 1966 in Denver at the National Western Stock Show. ★

As I return from another great Hereford event at the National Western Hereford Show in Denver, I wish to thank the Livestock Marketeers Club for the honor of being inducted into their Hall of Fame this year. It was very special to me personally and I think an honor for Texas Hereford Association as a single breed and single state organization to be recognized

by this group of auctioneers, national breed reps, livestock publication reps and livestock sale managers.

What makes one show or event more special than another? The people who exhibit and attend do. Denver has its special attractions. The Mile High city, the carload and pen bull and heifer shows, the sale and certainly the number of entries. Texans played

prominent roles in all aspects of the shows and sales as reflected in the reports elsewhere in this magazine. I congratulate the AHA staff for conducting another successful Mile High Hereford Sale. Hereford breeders and enthusiasts watched a spectacular event as the results clearly reflect. Herefords indeed have a bright future in the beef industry.

As manager of THA and a native Texan from the Fort Worth area, I cannot help but envision our Fort Worth Stock Show becoming the "Must Attend" event of the year. The facilities are second to none. In addition to our annual membership meeting and social, we have our 47th annual replacement female sale with some of the best heifers ever consigned, our Heritage pen of heifers donated by a group of extremely dedicated and loyal Hereford breeders, a Cowtown Invitational Sale featuring some class and division winners from Denver and Reno and a quality open show that has the largest number of entries ever for Fort Worth. What more do we need for Fort Worth to be the greatest Hereford Event of the year?

THA really gets the year started in Fort Worth with the membership meeting, election of officers, sales and shows. The new executive committee will appoint committees and plan for events for the rest of this year and into the next few years. I solicit all members who have thoughts, ideas, and projects or just want to volunteer their time and service to step forward and let the president or myself know. I challenge every member to try to recruit one new member. Surely you have a neighbor, customer or friend who could become a member. We need more active members participating in all of our events.

I would encourage all parents of junior members to watch for details of a leadership event planned for April 9, 2016 in conjunction with the annual TSCRA Convention in Fort Worth. We will get more info out when more details are confirmed, but we need parents help in getting the juniors to attend.

Meanwhile, Let Us All Work Together to Make THA and HEREFORDS THE BEEF BREED SUPREME! ★

Cattle on display by 10 AM

Lunch served at 12 Noon

**Sale 1PM** at the ranch

17 miles south of Brownwood on FM 45

### SELLING:

**50** Two-Year-Old Bulls

**50** Open Hereford Heifers

 **Central Location.** With the *geographical center of Texas* only 13 miles away, we're close to everyone.

 **Guarantee.** We absolutely guarantee our cattle. If you are not completely satisfied, we will make it right!

 **Strategic Planning.** We aren't afraid to spend big bucks when we spot an industry changer. Our bold move several years ago to purchase IMR Patriot 3113 3ET has allowed us to move our cowherd to the forefront of the industry. His daughters are truly impressive with beautiful udders, feminine profiles, and the ability to wean heavy calves under severe drought conditions. 3113's EPD numbers continue to climb when other bulls' numbers often decline as daughters enter production. We've shared a few of his females in previous sales and they are always crowd favorites.

## BR Nitro Aventus Named Supreme Hereford at 2016 National Western

Herefords set records in the Yards and on the Hill at the National Western Stock Show Jan. 14-16 in Denver. A total of 802 Herefords were exhibited throughout the three-day event, which is an increase of 24 head compared to 2015. There were 349 head in the open show, 151 in the junior show, 43 pens of bulls, 29 heifer pens and nine carloads.

Hereford activities got underway in the Stadium Arena on the Hill with the bull show on Thursday, Jan. 14, judged by Tyler Cates and Brian Cates, Modoc, IN. Following the bull show, Josh Taylor, Perkins, OK, evaluated the junior show.

Friday, Jan. 15, was the pen and carload show. Completing the day was the Mile High Night National Hereford Sale in the Stadium Arena that grossed nearly \$848,000. Then Saturday, the Cates father-son duo judged the female show.

Throughout both the bull and female shows, Judge Cates commented on the depth of quality from top to bottom and said it was fun to evaluate so many good ones going through the ring.

"You as Hereford breeders should be absolutely feeling on top of the world right now," he said prior to the selection of the grand champion polled female. "You should be so proud of and feel so

good about where you are in the industry. You are at the highest you have ever been in your bull market and especially your junior market."

## Mile High Night Hereford Sale Grosses \$848,500

The spotlight was on Herefords this year at the National Western Stock Show (NWSS) in Denver as the Mile High Night Hereford Sale was once again a highlight of the event. An estimated 5,000 attended the sale Jan. 15 on the stadium floor.

"It was another solid Mile High Night Sale for the Hereford breed in Denver," says Joe Rickabaugh, American Hereford Association director of seedstock marketing. "The sale atmosphere and layout once again created enormous excitement and momentum for the Hereford breed. The credit goes to the consignors for bringing a valuable set of genetics to sale on an annual basis and the buyers who choose to invest in these genetics for their Hereford programs."

Sale attendees came to see a show and that's just what they got. The Hereford offering, as always, was elite, and the bidding proved it. When auctioneers Eddie Burks and Matt Sims, silenced the gavel for the final time, \$848,500 had been spent. The 47 live lots grossed \$771,000 with an average of \$16,404. The three embryo lots averaged at \$7,583. One flush commanded \$12,000 and 10 semen lots averaged \$4,275.

Topping the sale at \$62,500 was Lot 5, a pick of a heifer pen from Atkins Herefords, Tea, SD, and Delaney

Herefords, Lake Benton, MN. Eichler Livestock, Aberdeen, SD, KC Cattle Co., Marshall, MN; and Weller Ranch, Kadoka, SD, took home an outstanding heifer.

The second high seller was Lot 9, a pick of 2016 spring heifer calves from the NJW Polled Herefords herd, Sheridan, WY. Pablo Herrera, Buenos Aires, Argentina, paid \$55,000 for this outstanding opportunity.

The sale remained strong, as the third high seller commanded \$50,000 for Lot 32, ECR Redemption 5575 ET by Fawcett's Elm Creek Ranch, Ree Heights, SD. He is an April 16, 2015, son of UPS Sensation 2296 ET. The top bidder for this exciting bull was Will Freking, Alpha, MN.

Commanding \$40,000 was Lot 25, BK Back Points 416B ET, a May 17, 2014, bred heifer sired by NJW 98S R117 Ribeye 88X ET, and consigned by Buck Cattle Co., Madill, OK. Moore Cattle Co, Madill, Okla., took home this elite female.

Rounding out the top lots at \$32,000 was Lot 28 by Medonte Highland Polled Herefords, Orilla, Ont., and Double J Polled Herefords, Maidstone, Sask. - MHPH 521X Action 106A, a Jan. 6, 2013, son of TH 122 711 Victor 521X ET. There were 13 semen packages sold on this proven herd bull and purchased by The Action Group, a collection of progressive Hereford breeders from across the U.S. ★

# GO WITH EXPERIENCE!

*Mr. and Mrs. C.M. Largent, Sr. ★ Founders*

In a world swirling with new innovation and fresh claims of newer-is-better; the cattle industry has to really balance the old with the new!

**DESERT★MART** never wants to leave any stone unturned in marching toward total herd improvement. Yet, there has been and always will be great emphasis on stayability.

We have been around a long time (since 1902) and plan on continuing our quest to be your 1st choice as a seedstock provider. The best way to reach that ongoing goal is to BUILD upon the experience of the past and blend that with the tools of the future!
