Dear Texas Hereford Association Foundation,

Thank you very much for making an investment in me. I am sorry it has taken me so long to write this letter. I am currently employed on a ranch in Channing, Texas, working fifteen hours a day, seven days a week, so I can help pay the expenses of attending Texas A&M University. I am enrolled in fifteen hours this semester and have found really neat professors within the animal Science department. I am trying out for the wool judging team this semester hoping to follow in the footsteps of my parents who both judged on the collegiate level. Thank you for helping young adults, like myself, attend college to become contributing members of society.

One of my goals for the next four years of college is to graduate without any student loans. Without the financial help from sponsors like you, I would not have the opportunity to try out for the wool team because I would be working to help pay my way through college.

After attending A&M I hope to pursue a career as a beef cattle nutritionist. I have grown up farming and ranching and understand the struggles and hardships that we face on a daily bases. I would love to stay close to the industries that have shaped me into the young man I am today. That is why I am choosing to study animal nutrition and hope I can help solve some of the problems our industry is burdened with.

Thanks again for sponsoring this great scholarship.

*Sincerely,
J.D. Schnitker*

Good morning Jack,

I wanted to take this opportunity to thank you and your family for making time to come by the ranch and be with us during the Pride tour stop.

It was indeed an honor for us to have you here and you are welcome to stop by anytime you are up in this area.

Thanks again Jack for coming by and also for all the things you do for the Hereford breed and Texas Hereford Association.

*Kindest regards,
Cliff Copeland

September marks the end of another hot and dry Texas summer and brings hope for a successful fall sale season. This issue includes ads for most of our fall sales. These sales and the many private treaty cattle available and listed on our "Cattle for Sale" page are a tribute to the breeders and their cattle who have weathered the harsh summer heat

to keep these genetics available for breeding stock. Please avail yourself to the opportunities to upgrade your breeding programs. Our Hereford breed offers many traits needed to be successful and profitable in these new and trying times.

Our weather continues to perplex us. We have seen record dry spells, record rainfall, record days of

high temperature and record days of high lows and low highs, all in the month of August. One constant through all of this is that our breed, Herefords, has thrived and encouraged more people to look to our breed as their preference.

I congratulate all of our Texas juniors for their participation and winnings at JNHE. You make us proud. Read the results elsewhere in this issue.

THA has been active this past month promoting Herefords at the 61st annual Beef Cattle Short Course in College Station, a Rancher's Round-up in Decatur and the Ranch Rodeo in Wichita Falls. We had a lot of activity in all three events. We have plans to attend a few more of these events in the next few months. If a member notifies us of one of these events in his area, we will make an effort to attend.

THA will co-sponsor our sixth annual Fall Classic consignment sale in partnership with the Buffalo Livestock Auction and have again invited a few Red Angus breeders to participate. We appreciate the interest and consignments from our members in this venture as well as the cooperation from the owners of Buffalo Livestock. We hope to see many of you at this sale on October 19. A successful sale is a reflection for everyone involved in the

Entries are now due for both the 48th annual Whiteface replacement female sale and the Cowtown Invitational sale. Hereford cattle will again be stalled in of the Moncrief building. We plan to limit the consignments in the Cowtown Invitational Sale and plan to have a better display of sale cattle during the show. We hope to expand our advertising and are working on involving some sponsors to offset sale expense. I thank you in advance for your early response to entry deadlines. ★

Rhett Lowderman, Macomb, IL, and his heifer, R/L LCC Miss Poker Face 5C ET came out on top of the 300 exhibited in the bred-and-owned female show during the 2016 VitaFerm® Junior National Hereford Expo (JNHE) in Madison, WI, July 13. Rylee Barber, Channing, TX, with BR Amy Rielle 5538 ET claimed the reserve grand champion title.

These breeding decisions are made a couple of years ago and the EPDs (expected progeny differences) attached to these cattle and the kind they are - this is unbelievable."

Lowderman claimed the grand champion honors and champion division VI with a February 2015 daughter of CHAC Mason 2214.

Barber won reserve grand champion and champion division II with an October 2015 daughter of DM BR Sooner.

At 17-months-old, Sutton quit talking...quit making eye contact...started kicking and screaming in frustration. That's how he and his parents started 2013. Fast forward to this summer to see a handsome little guy celebrating his fifth birthday (August 23), chattering non-stop using his 50 to 60-word vocabulary and giving all-comers "The Sutton Shake"—which includes (in order) a high five, knuckle bump, hand shake and kiss. Says his mom: "He's a whole new kid." That change hasn't come easily for the youngster, his parents—or the pediatric speech and occupational therapists at WTRC who are determined to help Sutton conquer the effects of autism. There's been intense therapy at Rehab and hard work at home for more than two years. And, yes, there's still work ahead to turn single words into full sentences and hone social skills and emotional control, but Sutton's made amazing progress. In fact, for three days this summer, his mom, who's shed lots of tears in recent years, cried when she picked up Sutton from Rehab's Kids Camp—but these were tears of joy because he was excitedly telling her "I want to fish;" "fire truck;" and "it was fun." Indeed, Sutton loves his Rehab therapists...and so do his parents.

Arrangements for hauling donated animals can be made through local volunteers or by calling WTRC at 325-793-3507 or 325-223-6414. Information about Rehab Center services is available at WestTexasRehab.org. ★

He attended grade school at Chamberlain and graduated from Clarendon High School. At the age of 16 years old he began a life that he cherished

so dearly, working on the wagon at the historic JA Ranch during the summers. Upon completion of high school, he became a full time hand at the ranch.

He enlisted in the US Army in 1952 and spent a short amount of time in Alexandria, Virginia. Returning from army life around 1953, he was pulled back to his calling and the life he loved when he was asked to return to the JA Ranch as the wagon boss.

Jiggs remained a constant figure on the ranch for many years. He became the Foreman from 1959 to 1969, and continued to have vested interest until after the turn of the 21st century.

In April of 1955 Jiggs married Evelyn Wood of Clarendon, TX. They enjoyed a blessed marriage of 61 years. They began their own farming and ranching operation in 1969, and together Jiggs and Evelyn successfully operated a commercial Hereford cow-calf operation until retiring in 2011.
