Attention Juniors: \$4,500 for Top Jr. in 2017 Fort Worth National Show

Funds have been committed to award \$4,500 to the top placing junior heifer and \$2,500 to second place junior heifer that is exhibited at the National Hereford Show in Fort Worth. In addition a third and fourth scholarship of \$1,500 each will be awarded. Exhibitor must be at the halter of his/her own heifer as well as be eligible to show in the junior show the previous week. To be eligible for the junior show, the ownership must be in only the exhibitors' name, no siblings or partners. See rule 12 on page 191 of the Fort Worth Stock Show premium book. The heifer must be eligible to show for Grand Champion (no Cow/Calf). This is an incentive to encourage junior exhibitors to exhibit at the open show on January 30, 2017. To be eligible for the award, the exhibitor must enter the open show by the November 15th deadline. The exhibitor

must be a member of the Texas Junior Hereford Association.

The sponsors of this award are committed to making this an annual event and hope to grow the fund to increase the prize as well as create a special belt buckle for the event. Anyone wishing to join this effort should contact Jack Chastain at the THA office. ★

COWTOWN INVITATIONAL SALE

3PM Sunday • January 29, 2017 • Fort Worth, Texas

Held during the Southwestern Exposition and Livestock Show

Lot #15

This female is one we wanted to keep for ourselves. This is the type of female you can build around. Long and elegant through her front end with plenty of rib and substance defines this female. From the show ring to the pasture she will exceed expectations.

Lot #34

The leadoff bull from our Fall Champion Pen of Bulls at Denver in 2016, this polled son of NJW 98S R117 RIBEYE 88X is as stout as the come. 327B is big footed and sound with plenty of rib and dimension to add body and style to your herd. The B169 New Era Daughter he is out of rarely misses as his half-sister sells as Lot 15.

Also, look for Lot #38, our donated semen.

Here we are at the start of another year for Texas Hereford Association. It is amazing how fast the years seem to fly by. 2016 proved to be a good year for Texas Hereford Association. Cattle prices were off from the record prices of 2015 but still held steady for most breeders. Range conditions improved but moisture and water are still critical in parts of this state. Our Hereford cattle continue to gain acceptability as more and more cattle-

men realize what our breed has to offer. The Hereford cow is our rock of strength. We must build from this. Our bulls continue to make an impact with the number of calves they can sire as well as the pounds and quality they breed. As we strive to use sires with more muscle, REA and IMF epd's; we will continue to increase market share of the bull trade. We must get more aggressive and effective in promoting our breed and our product. We must do a

better job of developing and selling our cattle.

This issue is full of activities and opportunities for Hereford breeders and enthusiasts. Your staff and executive committee have planned a few new activities for the upcoming year. We will be back at the Fort Worth Botanic Garden for our annual meeting. Our forty-eighth annual whiteface replacement female sale and Cowtown Invitational sale have excellent offerings. We plan to provide scholarships for four youth who are selected as high placing juniors at the National show in Fort Worth. We need your presence and participation for these events to be successful. Our executive committee solicits your input on activities that would make you more proud to be a member of this organization. If you want to contribute time and ideas, contact myself, President Chad Breeding, president-elect Curtis Younts, or any member of the executive committee or this years nominating committee. Your help, ideas and contributions are most appreciated. We need more participation from more members. Specifically we need your attendance at Hereford events. Success is generally measured by size of the crowd. Next we need more participation in advertising in our publication. More ads allow us more editorial and both will enhance Herefords and THA. We have been able to print the entire magazine in color every month since January 2013. We put our magazine on our website when we send it to the printer. Our goal is to provide you as members an affordable means to promote your cattle. Our "For Sale" section has proven to be very successful in helping members sell cattle as well as buyers find cattle. We have been posting announcements and results on Facebook. We have over 3400 persons following us on Facebook and have reached over 9000 contacts with our postings.

I extend a plea to all members who do not have a business card ad in the magazine to place one this year. The cost is slightly more than \$250 per year. We need your help in keeping enough ads to keep our rates at present fees. Every director should *continued on page 42*

Strategic Planning. We aren't afraid to spend big bucks when we spot an industry changer. Our bold move several years ago to purchase IMR Patriot 3113 3ET has allowed us to move our cowherd to the forefront of the industry. His daughters are truly impressive with beautiful udders, feminine profiles, and the ability to wean heavy calves under severe drought conditions. 3113's EPD numbers continue to climb when other bulls' numbers often decline as daughters enter production. We've shared a few of his females in previous sales and they are always crowd favorites.

Top herd bull prospect by the popular Catapult and one of the top young donor cows. We could write a book on all positives this bull has going for him. Birthweight 80 pounds combined with the 2nd heaviest weaning calves and a WWR of 123%. All females on the bottom side have been donors for us. Top 10% Calving ease YEPD and \$CHB, top 15% BEPD, top 2% WEPD and top 1% Milk.

BW 2.7 WW 57 YW 83 MILK 34 IMF 0.08 REA 0.48
These kind of herd bulls are rare and they don't come along often. We feel that lot 29 is a herd changing sire that we will use in our program. He is smooth, correct and hard to fault. Extremely tight sheath, lots of forerib and rear body depth in a powerful muscular package. Terms to be announced sale day.

LOT 54 • C 1311 5280 LAD 6121 ET

BW 2.7 WW 57 YW 83 MILK 34 IMF 0.08 REA 0.48
This brother has been one of the favorites all along and will be a member of our pen of 3 bulls in Denver. He is enjoyable to look at with extra extension thru his front end. Not many can match his muscle shape especially his upper hip and width of pins.

LOT 58 • C 1311 5280 LAD 6128 ET

BW 2.7 WW 57 YW 83 MILK 34 IMF 0.08 REA 0.48
This one has been a favorite all summer and as time goes on he keeps getting even better. He will be a member of our pen of 3 bulls in Denver. He is striking in his look with dark color and short marking but what is most impressive about this one is his structure. This bull will see heavy use this spring in our program.

This is one of the more anticipated well thought of matings in the sale. All of them are long bodied, straight lined and have extra color and pigment. This is the first crop of "Wildcat" calves and this flush by the proven "R111" donor will be a popular choice.

LOT 75 • C 1311 5280 LAD 6167 ET

BW 2.7 WW 57 YW 83 MILK 34 IMF 0.08 REA 0.48
This is a definite pen bull for Denver. One of the stoutest, highest performing and muscular bulls in this flush of herd building sires. He is sound structured with great feet and legs and extra bone and power.

special feature

Donated by Barber Ranch and benefitting the Hereford Youth Foundation of Texas

Jan Rielle is the horned full sister to the Lot 1 Denver HYFA Foundation Female, Kate Rielle, making her a fitting choice to be offered as the Fort Worth Foundation Female. Jan Rielle is a direct daughter of the famed 2-time NWSS Champion and Supreme, Gabrielle, who for the past decade has been the cornerstone of Barber Ranch, Channing, TX. Besides making great females with high quality udders, Gabrielle daughters have produced cattle that have won a ton of hardware. Just look at the past couple of Denvers: Champion Polled Female in 2015, Champion Horned Bull and Supreme Champion Hereford 2016, as well as Reserve Grand Champion Horned bull for Colyer Herefords in 2016. At Fort Worth it's been much of the same as well; Champion Polled Female in both 2014 and 2015, Reserve Champion Horned Bull in 2015, Champion Horned Bull in 2016, as well as Champion Polled Bull in 2016 for Colyer Herefords. The consistency of Gabrielle daughters to produce high-end cattle in volume really is remarkable, and here is your chance to acquire 1/2 interest and possession on what will probably be the last Gabrielle daughter to ever enter a sale ring.

The mating between CRR 719 CATAPULT 109 and RCR AURUM MISS 02088 combines one of the industry's leading sires with one of the most established and prolific cows in the Rocking Chair herd. Brought up in the rough West Texas environment, 02088 has established herself by producing several RCR herd sires and to this day continues to show up in the pedigree of several of our current herd sires! Her ability to consistently generate top end bulls and females coupled with Catapult's record gives us reason to believe these future herd sires will breed true.

Come see for yourself to select your favorite. Both brothers are powerfully constructed with tons of rib shape and mass to complete a well-balanced package. These bulls are sound and ready to go to work in your program!

Retaining 1/4 semen interest.

Sam and Kila Massey

Sam Massey was born into a long time ranching family in 1946. His grandfather established their ranch in Ward and Winkler counties, Texas in 1917 and raised commercial Herefords. Sam's first registered Hereford was a heifer purchased from Seth Campbell at Kermit, Texas.

Sam and wife Kila began their ranching operation in New Mexico after attending Sul Ross State College in Alpine, where Sam won several awards in livestock judging at the Houston Livestock Show.

Sam served as president of the New Mexico Junior Hereford Association, vice president of the New Mexico Hereford Association. He served president of the Southeastern New Mexico Hereford Association, The One Stop Hereford Association and the Southwestern New Mexico Hereford. He sold bulls and females at sales sponsored by all those organizations.

Kila was a founding member of the American Hereford Auxiliary.

In 1967 the Massey's hosted the New Mexico Junior Hereford field day, and in 1970 Sam coordinated the New Mexico State Hereford tour. Daughters Dena and Susan both served on the board of the New Mexico Junior Hereford Association and Dena served as New Mexico Junior Hereford queen.

Sam established the Zia Hereford bull performance test center in Lovington, New Mexico. After one year he moved it to the Wickett, Texas ranch and renamed it Lone Star

Testing Center. It became one of the nations most prestigious Hereford performance test centers. The annual sale was honored as one of the top averages for consignment sales of its size by the American Hereford journal for many years.

Sam formed a Hereford partnership with Ricky Smith and Mayo Marrs of Kermit, Texas, the partnership of Marrs, Massey and Smith operated successfully for many years. During that time Sam served on the board of directors of the Sandhills Hereford and Quarter Horse Show in Odessa.

Sam then raised commercial cattle for several years and began a registered Braford herd. He served on the board of directors on the International Braford Association. He was instrumental in establishing the National Braford registry through the American Hereford Association.

Sam also formed a partnership with Earl McElroy in a sales management company, merchandising many Hereford cattle.

When Sam's grandchildren were old enough to show he bought Hereford show heifers for them to exhibit from many of the nations reputable breeders. His grandchildren, Garrett Floyd and Kim Wilson experienced a very successful show career throughout Texas and then nationwide. They won banners in Denver, Louisville, Reno, and Kansas City, as well as all of the major

Texas shows. Kim and Garrett exhibited Grand Champion Hereford and Polled Hereford heifers at Fort Worth Junior show four years in a row. Both grandkids were officers of the Texas Junior Hereford Association and Kim served as Texas Hereford Sweetheart as well as Queen.

In recent years, several Texas Junior Hereford members have experienced successful show careers with Sam and Kila's assistance.

Sam has served on the board of both the Texas Hereford Association and the Texas Polled Hereford Association. He is a board member of the Cross Timbers Hereford Association.

Sam and Kila now spend their time between the original home ranch near Wickett, Texas and their Hereford ranch near Stephenville, Texas.

Daughter Dena and her husband James and grandson Garrett operates the Wickett ranch. Dena also works as the Winkler-Loving County agricultural agent and serves on the board of the Sandhills Hereford and Quarter Horse show, as well as Hereford heifer superintendent. Garrett is a graduate of Clarendon College Ranch Management School.

Daughter Susan and granddaughter Kim and Kim's husband Riley Price operate the Stephenville Ranch. Susan also works as a realtor. Kim and Riley are both graduates of Tarleton State University and will soon be welcoming our 6th generation into the Massey Hereford Ranch family. ★

Eddie C. Sims

Edie Sims, owner of National Cattle Services, Inc., Elgin, Okla. Is widely recognized as one of the most respected and sought after auctioneers and cattle sale managers in the beef cattle industry. From an early start of showing champion cattle and barrows while attending Cushing, Okla. High School, Eddie Sims has forged a career in the livestock marketing industry that has spanned over four decades and has involved the auctioneering and/or sale management of cattle sales in 48 states and seven Canadian provinces. Traveling nationally and internationally, he has auctioned some of the largest and most prestigious Hereford and Angus sales in the beef cattle industry. In addition, Eddie has served the Department of Animal Sciences at Okla. State University by being an auctioneer for all 40 years of Oklahoma Beef Incorporated Bull Sales and all 36 years of the OSU Cowboy Classic, OSU's purebred beef cattle center sale. Following graduation from high school, Eddie enrolled at Okla. State University, majoring in animal husbandry. During his freshman year at OSU, he was elected and served as Central District FFA Vice President. In addition, he was a charter member of the Oklahoma Junior Hereford Association and was elected as the first president of the organization. As an undergraduate at OSU, he worked at the Swine Center and Meat Lab and was a member of the junior and senior livestock judging teams under the guidance of Jack McCrosky, T.D. Rich, and Don Pinney. Eddie was high individual at the 1963 Fort Worth Collegiate Livestock Judging and the OSU team won championship honors. Upon his graduation from OSU in 1964, Eddie served in the Oklahoma Army National Guard and was employed as an Area Fieldman for the American Polled Hereford Association, serving the upper mid-western territory as well as Oklahoma, Texas, and New Mexico. Realizing the need for a full service auctioneering and sale management company to serve the purebred cattle industry, in 1968, Eddie established National Cattle Services, his full service auction and sales management firm marketing Hereford & Angus cattle nationwide.

Eddie is a member of the Board of Trustees for the Southwest American Livestock Foundation, serves on the Board of Governors at Oklahoma State University, a longtime member of the Sirloin Club of Oklahoma, a lifetime member of the Oklahoma Cattleman's Association having served as SW District Vice-President. Eddie's distinguished service to the beef cattle industry and the 4-H and FFA youth of Oklahoma has resulted in several prestigious honors, including his 2006 induction into the National Livestock Marketer's Hall of Fame, his selection as the 2007

Okla. Youth Expo Honoree in recognition of his 35+ years serving as an auctioneer for the Okla. Youth Expo Premium Sale, the 2008 dedication of the National Hereford Show at Ft. Worth to his honor in recognition of his many years of service and support of the Hereford cattle industry and being named Mr. Angus by the Oklahoma Angus Association. Okla. State University presented Eddie with the Recognition Award in 1991 and the Graduate of Distinction Award in 2009.

Eddie and wife, Ruth, make their home in Elgin, Okla. where they run MCS Cattle Co. a registered Hereford and Angus cattle operation. Their son, Matt, daughter-in-law, Aimee, and grandsons Jake & Evan live in Edmond, Ok. Daughter, Catie, lives in Edmond, Ok as well while son, Mark, and daughter-in-law, Kirbie, live in Owens Crossroad, Al. All are involved in the cattle industry. ★

National Show Honoree

*Jim Klein, Jennifer Klein Burrows, Mary Sue Klein
and Jana Beth Klein Johnson*

The 2017 Commercial Hereford Show and Sale is dedicated to the memory of Jimmy and Cheryl Klein of Gray Wynn Klein Ranch, LP. Gray Wynn Klein Ranch, or GWK as the family calls it, was founded in 1873 by the Sanzenbacher family, one of the first families to settle in Clay County. The ranch has been in continuous operation in Clay County for 144 years, raising Hereford cattle for most of that time, and is named for the daughters who have kept the family ranching tradition alive: great-grandmother Ida Sanzenbacher Wynn, grandmother Maxine Wynn Gray, mother Cheryl Gray Klein, and daughters Jana Beth Klein Johnson, Jennifer Klein, and Mary Sue Klein.

Cheryl and her husband Jim were involved with the Texas Hereford Association over the years, and were annual contributors to the Heritage Pen at this sale. After Cheryl's passing in 2013, Jim and the girls continued to support the Hereford Association, and Jim began donating an extra heifer for the sale to start a scholarship in memory of Cheryl. Jim passed away suddenly last May, but the girls and grandson Jackson Johnson continue on the tradition of raising quality Hereford cattle and supporting the Texas Hereford Association.★

Gorman Milling Co. has proudly supplied Texas cattle raisers with quality mixed feeds, pellets, cubes, and commodities for over 48 years under the Red Chain Feeds brand name. Founded in 1969 by Harold Fritts, Gorman Milling Co. is proud to remain a family-run business. We owe our growth and success to the Texas farmers & ranchers that have come to trust and depend on the Red Chain brand to stand for top quality feed and service.

Red Chain shown here at the 2016 Texas Hereford Fall Classic Sale in Buffalo, Texas where they have graciously sponsored our lunch for the past three years.★

Jessica McInnis is part of McInnis Cattle Co. located near Brownwood, Texas. Jessica was raised in far West Texas near Valentine on a large cow/calf and stocker steer ranch. She graduated from Radford School for Girls in El Paso and then attended and graduated from Trinity University in San Antonio with degrees in Spanish, History and English. During her college years she also lived and studied in Guadalajara, Mexico. She met and married Bill McInnis in 1973.

Jessica McInnis

Jessica taught high school English and Spanish for many years, but now spends her time keeping books for the ranch and having fun with the five grandsons who fill her heart. Rachel and Ben McInnis have three sons, Levi, Ty, and Tanner. Rachel and Scott Myers of Claude, Texas have two sons, Brooks and Reece. She is a member of Central Methodist Church in Brownwood where she serves as Lay Leader, is a member of the Staff Pastor Parish Committee, and sings in the choir.

Going to Denver and Fort Worth to watch the Hereford shows and visiting with old friends are her idea of a perfect vacation. In fact, stock shows may be the only reason she willingly leaves the ranch.★

have a card ad. We also need more members to balance our operating budget. If each current member adds a customer, friend or neighbor as a member, our membership will double. We added over 30 new members in 2016. We have a goal of over 500 for 2017. We have managed to operate on a very lean budget the past few years but there are many more ways we can promote Herefords with a few more dollars in our budget.

As 2017 progresses, I hope to see more of our members at Hereford events. I hope you encourage a friend or neighbor to come along and become active in our association. January is a busy month, but there is something to do every month. Watch our magazine, our web site and our Facebook page for more exciting events in the planning stages for this year. Together we can make Herefords reign Supreme not only in Texas but across the entire USA. ★

Application for Membership in the Texas Hereford Association

Advantages of THA Membership

SERVICE – The Texas Hereford Association is a service organization to benefit the Hereford breed and the breeder.

Members are assisted in buying and selling cattle at private treaty and by auction.

The Texas Hereford Association sponsors the Commercial Hereford Heifer Show and Sale and the Cowtown Select Sale and the THA Fall Classic. These sales promote the use of better Hereford bulls and females. The Texas Hereford Association is also actively engaged in the promotion of Texas Herefords and in sponsoring seminars, field days, and other events to encourage educational opportunities for members.

ASSOCIATION – The Texas Hereford Association was organized in 1899. Its membership has included the elite of the Texas Hereford industry since its inception. Membership dues are \$125.00 per year. Associate memberships are available for \$100.00 per year.

DIRECTORY ISSUE – Every active member of the Texas Hereford Association has a free listing in the Directory issue of *The Texas Hereford*. This Directory is used by thousands of Hereford breeders the year round. Information pertaining to your herd such as herd sires, bloodlines, location of farm or ranch, telephone numbers, etc., will be listed in this widely used reference book. This herd listing alone is worth the price of membership. Associate members are also listed.

THE TEXAS HEREFORD – Monthly publication of the Texas Hereford Association. It is the only publication in Texas devoted solely to Herefords. It includes news about the association, news about Herefords and timely editorial features. Active members can list Herefords for sale **FREE** in the Cattle For Sale column. This service has been responsible for selling thousands of Texas Herefords all over the nation. Texas Hereford Association members may advertise in *The Texas Hereford* at low livestock rates – a considerable savings for your marketing program. Sale catalogs, brochures, flyers, and other marketing aids designed are produced by our professional staff at considerable savings. (Advertising rates will be sent on request).

**The Most Important Investment
You Can Make as a
Registered Hereford Breeder
is a membership in the
Texas Hereford Association.**
