“And then it rained” is the conclusion of a humorous clip called “Tales of the old West” that local radio personality Hal Jay puts on the air a few times a year and certainly describes our local Texas weather this past month. Although not as much as last year from Hurricane Harvey, many spots in Texas and Oklahoma have certainly broken their drought.

October is by far our busiest month of the year. We have most of our fall sales this month and remain optimistic that our sales will be strong in spite of the conditions we cannot control. Results from our “Cattle for sale” listings have been exceptionally successful as reported by those participating. Other members have reported excellent private treaty sales all summer. Hereford demand is great and we have had a steady number of calls wanting both bulls and heifers, both horned and polled. I encourage all members to take advantage of our “For Sale” listing. I encourage any non-member to join and utilize this most helpful marketing tool. Our goal is to make our magazine and website the first place buyers look when wanting to purchase Hereford cattle.

Our eighth annual fall classic bull sale is fast approaching on October 17. I compliment the consignors for offering a quality set of bulls and females. We are pleased to have the Red Alliance joining us this year with both bulls and

registered and commercial females. I encourage everyone to attend and support this event.

The annual membership meeting and election of directors of the American Hereford Association is held in late October in Kansas City during the American Royal Show. Although the terms of the merger of the AHA and APHA do not allow every member a vote, you can still have a voice by contacting the elected delegates and express your choices. The three persons elected this year will serve on the board that makes policies of AHA for the next four years. Make

- Sam Shaw believes Mandate to be "the best bull we've ever produced."
- Not only does he offer the ideal pigment, but this big bodied sire builds his mass and volume on a sound structure.
- Mandate stems from a very productive cow family and an 8 year old dam with an impeccable udder, who records 4 natural calves that ratio 98 for BW & 117 for WW and 25 progeny that ratio 106 for IMF.
- Mandate promises to be a calving-ease specialist, ranking in the top 10% of the breed in 13 different traits.

your views and voices heard!.

I wish to remind our junior exhibitors that our THA Foundation has committed \$4,500 to the exhibitor of the highest placing heifer and \$2,500 to the second highest placing heifer at the 2019 Gary and Kathy Buchholz, GKB Cattle National Hereford Show in Fort Worth on February 4, 2019. A third and fourth place scholarship of \$1,500 will also be awarded. To be eligible to receive these awards, the exhibitor must be a member of TJHA, be eligible to show in the junior show the previous week (exhibitor does not have to exhibit at the junior show) and be at the halter of his/her heifer. No cow/calf is eligible. The ownership rules for the junior show must be met. See rule 12 on page 193 of the Fort Worth Stock Show premium book. Friends of THA have sponsored the funds for this award for many years. I also wish to inform all juniors of the new scholarship program offered by the San Antonio open Hereford show of scholarships for the three high placing juniors in their open Hereford show on Monday, February 11, 2019. Any one wishing to contribute to either fund should contact Jack Chastain.

I close with a reminder that entries are due now for both the Cowtown Invitational Sale and 50th annual THA White-face Replacement Female Sale. Please help yourself and our sale with a quality offering. A successful sale is a reflection of everyone involved in the Hereford industry. I hope to hear from you or see you at many of the upcoming events. ★
