## Powerhouse Sale and Pen Bull Entries Due

There will be a few changes at the Fort Worth Show this year. The show management has allowed THA to reinstate the pen bull show. We will have two age classes and an overall champion and reserve. All pen entries will come to THA. Pen bulls will be shown on Saturday morning, February 1, in the West Sale Arena.

Next, we have changed the name of the commercial heifer sale but will keep the same format. We will still show and sell pens of ten. We will judge in the pens on Saturday morning and the sale will be at 1:00 p.m. on Sunday February 2.

We cancelled the Cowtown Invitational sale but still plan to offer bulls and single lot females for sale as an addition to our commercial sale and call it all our Powerhouse Hereford Sale. The bulls and single lot heifers will sell immediately after the pens of commercial heifers. Consignments to both sales are due to THA By November 1.

Contact the THA office or any THA officer for more information. ★

[johnsoncattlemarketing@gmail.com](mailto:johnsoncattlemarketing@gmail.com)

October is by far our busiest month of the year. We have most of our fall sales this month and remain optimistic that our sales will be strong in spite of the conditions we cannot control. Results from our "Cattle for sale" listings have been exceptionally successful as reported by those participating. Other members have reported excellent pri-

vate treaty sales all summer. Hereford demand is great and we have had a steady number of calls wanting both bulls and heifers, both horned and polled. I encourage all members to take advantage of our "For Sale" listing. I encourage any non-member to join and utilize this most helpful marketing tool. Our goal is to make our magazine and website the first place

buyers look when wanting to purchase Hereford cattle.

Our ninth annual fall classic bull sale is fast approaching on October 23. I compliment the consignors for offering a quality set of bulls and females. We are pleased to have the Red Alliance joining us again this year with both bulls and registered and commercial females. I encourage everyone to attend and support this event.

The annual membership meeting and election of directors of the American Hereford Association is held in late October in Kansas City during the American Royal Show. Although the terms of the merger of the AHA and APHA do not allow every member a vote, you can still have a voice by contacting the elected delegates and express your choices. The three persons elected this year will serve on the board that makes policies of AHA for the next four years. Make your views and voices heard!

I wish to remind our junior exhibitors that our THA Foundation has committed \$4,500 to the exhibitor of the highest placing heifer and \$2,500 to the second highest placing heifer at the 2020 Dudley Bros, Inc. National Hereford Show in Fort Worth on February 3, 2020. A third and fourth place scholarship of \$1,500 will also be awarded. To be eligible to receive these awards, the exhibitor must be a member of TJHA, be eligible to show in the junior show the previous week (exhibitor does not have to exhibit at the junior show) and be at the halter of his/her heifer. No cow/calf is eligible. The ownership rules for the junior show must be met. See rules 10 and 12 on page 197 of the Fort Worth Stock Show premium book. Friends of THA have sponsored the funds for this award for many years. I also wish to inform all juniors of the scholarship program offered by the San Antonio open Hereford show of scholarships for the three high placing juniors in their open Hereford show on Monday, February 10, 2020. Any one wishing to contribute to either fund should con-

AHA 43579040 {CHB} • 1/13/15 • Owned with Holden Herefords

SIRE: CL 1 Domino 215Z • MGS: HH Advance 6163S

HH Advance 5107C was the high selling bull in the 2016 Holden Herefords Sale, commanding \$160,000. Now deceased, 5107C was built right from the ground up and very conservatively marked. Big topped, square made, sound structured and big ribbed, he was phenotypically one of the best bulls we have ever seen.

AHA 43896810 • 1/13/18 • Owned with Holden Herefords

SIRE: HH Advance 6007D ET • MGS: HH Advance 8203U ET

Look at the bone, substance and overall mass in this fantastic young herd bull! 8120F is well marked, big testicles, super correct and out of a great cow. Dam is a top donor with a freckle face and red on her teats. Maternal granddam is a donor for Cooper Herefords and produced the third high selling bull in their 2018 sale. Note the exceptional carcass EPDs and CHBS on 8120F...ranking as the No. 1 horned bull in the breed that was born in 2018 for REA, Marbling and \$CHB combined. He is a true beef bull that will add value to all segments.

## HH ADVANCE 7193E

AHA 43786277 • 1/25/17 • Owned with Holden Herefords

SIRE: CL1 Domino 5110C • MGS: HH Advance 6033S ET

7193E was the cover and lead bull in Holden's 2018 sale. He is an exciting son of the \$130,000 5110C Cooper bull. The more you study this bull, the more you will like him. He is soft made, deep flanked, big bellied, extra thick, well marked and very correct in his structure. Three maternal brothers were used in Holden's herd last year, and a son out of a maternal sister was retained this year. We think a lot of this cow family and all the functional traits it brings to the table. 7193E also brings in the great 055X cow from Cooper's. He is a front pasture, all-around herd sire that is destined to be a breed improver.

## HH ADVANCE 7202E

AHA 43786285 • 1/26/17 • Owned with Holden Herefords

SIRE: L1 Domino 12491 • MGS: CL 1 Domino 297Z

7202E is a powerful 12491 son that has the herd bull look and is well marked and deep ribbed. He is out of a daughter of the 1056Y cow that was the top cow in Holden's herd for Teat and Udder EPDs and is also the dam of Holden's high selling bull in 2018. His pedigree is loaded with carcass and maternal strength and has extra calving ease as a bonus. 7202E is a great all-around breeding bull that combines phenotype, cow family and balanced EPDs.

All GE-EPDs current as of 9/18/19. Visit herfnet.com for the most current EPDs.

Semen on our extensive Line One herd sire battery is available. Contact James Strode.

Perfecto is a homozygous polled bull that fits many parameters with progressive data, superb phenotype and outstanding structure.

His dark cherry color, red eyes, short markings and exceptional scrotal circumference meet all of the cosmetic demands of a progressive breeder.

Perfecto stems from a powerful Trust daughter who combines style and udder quality to the highest degree.

Even as a calving ease sire, Perfecto has the added growth, power and substance necessary to enhance future generations.

tact Jack Chastain.

I wish to inform our members that a scam of sort has been using information from our membership list on our website inquiring if you have cattle for sale, asking for prices, then offering to send a payment plus extra for trucking, then either stopping payment on a check or issuing a check on an invalid account. Be wary of a call of this nature and if you get any solid phone numbers, check or any info that can be used to prosecute, contact TSCRA or USPS fraud officials.

I close with a reminder that entries are due now for the newly named Powerhouse Hereford sales that includes both the 51st annual THA Whiteface Replacement Female Sale and halter sale to follow. Please help yourself and our sale with a quality offering. A successful sale is a reflection of everyone involved in the Hereford industry. I hope to hear from you or see you at many of the upcoming events. ★
