TJHAN**NEWS**   
by Maggie Chaffin, TJHA President

*Howdy!* This is Maggie Chaffin, your 2019-2020 TJHA President! I hope everyone is having a great school year and a good fall show season. I just wanted to update y'all on some things going on in the Texas Junior Hereford Association as we are fast approaching major stock show season.

First, I would like to re-introduce my officers and board members. My 1st Vice-President is Alex Harris, 2nd Vice-President is Randi Williams, Secretary is Gracie Oates, Treasurer is Luke Daniels, Reporter is Audrey Nolan and Parliamentarian is Mason Allan. My senior directors include Savannah West, Stephanie Golightly, Blayke Breeding, Kaylee McInvale, and Savay Sexton. My junior directors are Grady Creamer, Aidyn Barber, Keyser Ottmers, and Cade Harris. Our 2019-2020 Queen is Audrey Nolan and our Sweetheart is Aubree Blisard. If you have any questions, don't hesitate to reach out to any of us for help!

Everybody is super busy in our junior association. Many are competing in LDEs through FFA or competing in fall sports. It is so awesome to see our members excelling inside and outside of the show ring. I love to share the good news and accomplishments of our members so if anybody has any, please send them to me so they can be highlighted for doing great things. I also want to say good luck to all of our juniors

that will be hitting the national show circuit this fall. Thank you for representing Texas so well!

Now, for a quick update on our annual Ft. Worth meeting. Our annual meeting at Ft. Worth will be January 25th, 2020 in the French Room. The meeting will start at 9:45 AM. Please plan to attend as we will be discussing state show details and it's always a great time to mingle with fellow Hereford enthusiasts. We will also be signing up for state show committees.

Madeline Braman, the 2019-2020 TJPHA President, and I have already been working hard to make sure that the upcoming state show is the best yet! The theme for this year's state show will be "Let's Taco Bout a Great Breed." It's sure to be a fun fiesta! Our service project this year will be collecting items to be donated to the Foster Love (Bell County). We will be collecting items such as pajamas, toiletries, and other personal care items.

If y'all have any questions, please don't hesitate to reach out to me, Madeline, or any of our officers, directors, or advisors. I cannot wait to see all of y'all in Ft. Worth. I am looking forward to a great year!

Thanks, and Gig'em!

As December approaches it is hard to believe that another year has almost passed. Texas Hereford Association has had a good year. Membership held steady with lots of room to grow. Our magazine printed the same number of pages as 2018. Our junior program has prospered. We updated our website to make it more mobile friendly and continue to help sell cattle and to serve our members. Our social media through Facebook now has over 4350 followers and if our juniors and magazine subscribers would like our posts we could reach 5000 before our annual meeting.

Most everyone in Texas is rejoicing to see the end of 2019 and wishing for a better year for 2020. Our fall auction sales and private treaty sales were good for the most part, especially considering weather and a depressed commercial market to name a few distractions. I would encourage you as breeders to look harder at your sale bulls and keep only your top end. The demand and renewed interest in top Hereford genetics is encouraging for all Hereford breeders and members of THA. For all non THA members, I solicit your membership. I congratulate those who sold Hereford cattle and thank the buyers and wish them well with their purchases.

This organization is strongly dependent on our officers, directors, members, sponsors, and friends in both time and funds. THA is involved in many activities in the next few

months and has many people to thank for their support. Your executive committee is most concerned about keeping our organization in a strong financial position. We have had a sound year in 2019. THA will again offer some tremendous donations for fund raisers during our Fort Worth activities. We have restructured and renamed our sales in Fort Worth. On Sunday during our 51st Annual Whiteface replacement heifer sale, now the Powerhouse Hereford Sale, we will be selling the Heritage Pen of heifers from our commercial Hereford members for the nineteenth year. We owe the donors of this pen a huge thank you for their generosity. This year we will be selling Angus Hereford crossbred heifers. I encourage members to help solicit buyers for this pen. I know how good the heifers will develop into cows. We plan a silent auction at the social and are in need of a few quality items from all officers and directors. THA is greatly appreciative for these contributions. We will also have seventeen lots of halter cattle to sell immediately following the commercial pens of heifers. I want to thank the consignors to both the Whiteface replacement heifer and Powerhouse Invitational single lot sales. Their quality cattle have a great impact on showing our breed to the general public. The donors for the heifer scholarship and champion awards are also vital to the success of the shows. These members have made a giant ef-

Andrew A. Sugg Jr. of the O H Triangle Ranch passed peacefully at the age of 93 at his home on September 10th, 2019. Mr. Sugg had been a Hereford man through and through. He inherited the family ranch at a young age soon after returning from the Pacific theatre in WWII. Soon after with the help of his maternal uncles who were well versed in the Hereford breed, he began the Hereford herd we still have on our ranch today. Over the many decades he purchased bulls from his neighbors and friends The Schlinke's owners and operators of the Dry Creek Ranch. In his later years he decided to invest in purchasing their registered Hereford seed stock operation to help improve the commercial herd as well as venture back into a registered operation. Andy was a kind and loving father, husband, grandfather, great grandfather and friend, and his wisdom will be greatly missed. The ranch operations are continuing on with the 5th generation, his loving and devoted daughter Robin. The family will continue working hard to make him proud and continue the legacy he worked so hard to build upon.

## Hall of Merit Inductees Honored

*Pictured (l to r) are: 2019 AHA President Pete Atkins; Robert and Marjorie (Chastain) LaFont; Lyn and Jack Chastain; Lee, Griffin, Jackson and Candace Chastain; and AHA Board director Mark St. Pierre.*

*Pictured (l to r) are: 2019 AHA President Pete Atkins, Natalie Reed, Mallory Reed, Craig Reed, Maggie Reed, Jim Reed, Linda Reed, Macy Reed, Brian Reed and AHA Board director Mark St. Pierre.*

Jack Chastain, Mineral Wells, TX, and Jim Reed, Green Ridge, MO, were inducted into the Hereford Hall of Merit during the American Hereford Association (AHA) Hereford Honorees awards ceremony during the AHA Annual Meeting and Conference, Oct. 25, in Kansas City, Mo.

The Hall of Merit award recognizes those who have played a vital role in shaping both the Hereford breed and the beef industry.

### Jack Chastain

Jack Chastain known across the country as the face of the Texas Hereford Association (THA), he is considered the driving force behind the Hereford breed in the Southwest.

An admired ambassador of the breed, Jack began his storied career more than 50 years ago when he was named the executive secretary of the THA in 1973. He has spent his dynamic lifetime promoting and supporting Hereford producers at every level from purebred to commercial breeders to Certified Hereford Beef markets. His ability to effectively network with all segments of the industry has been a binding force as the THA continues to be a national leader in junior and senior memberships and registrations.

As many put it, when you think of the THA, you think of Jack. He has played a huge role in elevating the national Hereford show at the Fort Worth Stock Show and in building its prestige. The Texas membership meeting at the Fort Worth Stock Show is a true testament to the Chastain family's passion, enthusiasm and drive to better the THA and the breed.

Jack has traveled countless hours to sales and shows across the country to keep THA and AHA members at the forefront of the industry. In fact, when he first took office, he journeyed throughout the state to meet every producer in the THA membership to study each individual's herd. When not on the road, he can be found in the Fort Worth office organizing the THA magazine and striving to get new members for

the adult and junior associations.

Jack and his wife, Lyn, are recognized as some of the most generous and proactive youth supporters in the breed and are longstanding Texas Junior Hereford Association advisors. They have operated Mockingbird Hill Herefords since their marriage in 1975 and this year added their son, Lee, daughter-in-law, Candace, and their two grandsons, Jackson and Griffin, to the operation, now called Chastain Cattle Co. Their grandsons are the sixth generation to operate the land deeded to the Chastain family in 1853, which has been home to Hereford cattle since 1930.

Together, the family has built a legacy of Hereford cattle reaching far beyond their roots in Fort Worth. Their devotion to serving the membership and progressing the THA and the breed as a whole is unrivaled. Kyle and Michael Pérez of Pérez Cattle Co. note, "When Jack finally decides to retire, there will be a hole as large as Texas in the association that may never be totally filled. There has never been anyone more deserving and dedicated to this great breed."

### Jim Reed

Born and raised as the fourth generation of his family to live in Green Ridge, Mo., Jim Reed and his wife, Linda, began raising Hereford cattle in 1962. For the last 44 years, Reed Enterprises has been the operation's genetic marketing arm by providing semen and AI certificates. The couple also operates Midwest Cattle Service and Reed Farms.

At the request of Mark Dempsey with the Missouri Ruralist, Jim worked his first sale as a college student for Harry and Hal Nichols in 1963. From that moment, he was forever hooked as a ringman.

Jim came on board as the Beef Superintendent for the Missouri State Fair in 1972, where he dedicated 17 years to serving fairgoers and the beef industry. One of his most memorable moments was President Ronald Reagan's visit to the

fair, where Reagan's secret service took over the beef cattle office. Another iconic moment was the fair's 1974 Hereford show, which featured 411 head of polled Herefords and more than 100 head of horned Herefords. Jim now serves on the Missouri State Fair Foundation board of directors, where he remains dedicated to cultivating the next generation of agriculture through preservation, education and improvement initiatives.

In partnership with close friend Bill Maerli of Owensville, Mo., Jim and Linda formed Midwest Cattle Service in 1975 to manage polled Hereford and Simmental sales throughout the U.S. Although Bill left to pursue other interests, Jim and Linda continued to grow the business as a husband-and-wife team and have helped market millions of dollars' worth of Hereford genetics over the last 57 years. Jim has worked with breeders to hold successful production and consignment sales, has organized small groups of breeders to host joint sales, and has screened cattle and has managed major sales throughout the country.

Jim has been a trustworthy source for information and trends across the breed and continues to serve as a consultant and ringman at sales nationwide while producing and promoting Hereford genetics everywhere he goes.

"Jim is a true influencer of the breed," says Marty Lueck, manager of Journagan Ranch of Missouri State University. "Jim and Linda have supported our Hereford breed for a lifetime. They continue to be a catalyst for the Hereford breed and our breeders' programs."

## Hereford Hall of Fame Inductees Honored

George and Harry Tjardes, Gibson City, Ill.; Denny Hoffman, Redmond, Ore.; Guy Colyer, Bruneau, Idaho; Mark Cooper, Three Forks, Mont., were inducted into the Hereford Hall of Fame during the Hereford Honorees awards ceremony at the American Hereford Association's (AHA) Annual Membership Meeting and Conference, Oct. 25, in Kansas City, Mo.

The Hall of Fame award is presented annually to those who have influenced the advancement of the Hereford breed. "We are honored to recognize these individuals and their families for their commitment to the Hereford breed and beef cattle industry," says Jack Ward, AHA executive vice president. "They continue to set the standard in the areas of genetic improvement, marketing and leadership."

## Jarrett Worrell Wins Award in NJHA Fed Steer Shootout Contest

Jarrett Shane Worrell, Mason, Texas, consigned the overall highest RVAD-F steer and the reserve champion commercial pen of three steers. Pictured (l to r) are: Trey Befort, AHA director of commercial programs; Jessie Judge, BioZyme Inc.; Jarrett Shane Worrell; Ashley Fitzsimmons, BioZyme, Inc.; and David Trowbridge, Gregory Feedlots.

For three years running, the National Junior Hereford Association (NJHA) has brought real-world experience and education to its junior membership. In 2019, 67 youth from 15 states entered 206 steers in the NJHA Fed Steer Shootout contest, powered by BioZyme Inc. and the Feed the Future program. This year's NJHA contest winners were recognized for their efforts Oct. 25 at the Hereford Honorees awards ceremony in Kansas City, Mo., and received close to \$20,000 in awards from the Hereford Youth Foundation of America (HYFA) and BioZyme.

Contestants collected actual feedyard performance and carcass merit data on pens and individual entries of Hereford and Hereford-influenced steers while gaining a comprehensive industry education on topics such as ultrasound technology, genetics and cattle health. All steers were fed at Gregory Feedlots in Tabor, IA, and through a generous sponsorship from Texas Stardance Cattle, steers were hauled to and harvested at National Beef Packing Co. in Dodge City, KS, as candidates for the Certified Hereford Beef® brand.

"The NJHA Fed Steer Shootout proved to be yet another successful year for the participants and I would like to congratulate all of the winners on their accomplishments," says Trey Befort, American Hereford Association (AHA) director of commercial programs. "I am proud of all of the youth who have taken the initiative to participate in this contest and look forward to watching this program grow and develop in the years to come."

Participation nearly doubled from the previous year and so did BioZyme's financial commitment and quest to bring education to the forefront of the contest. Contestants entered performance portfolios from data reports they received throughout the feeding period and wrote an essay about what they learned from the process. The top five participants were selected from the submitted portfolios, and had the opportunity to travel to Kansas City, Mo., to compete for the NJHA Fed Steer Shootout Junior of the Year title during the AHA Annual Membership Meeting and Conference. These juniors presented a short speech and were interviewed about what they learned from the contest and how they can apply this knowledge in the beef industry.

## Herefords Breeders Honored for 50 Years in the Business

In celebration of 50 years in the Hereford business, 13 Hereford breeders were recognized as American Hereford Association (AHA) Golden Breeders for their commitment to the Hereford business. These longstanding operations were recognized during the Hereford Honorees awards ceremony, Oct. 25, during the AHA Annual Membership Meeting and Conference in Kansas City, Mo.

This year's Golden Breeders are: Banks Polled Herefords, Ada, OK; Diamond J Farms, Beaver County, OK; Donato Ramos, Laredo, TX; Gfeller Herefords, Junction City, KS; Haught Brothers, Harrisonville, W.VA; Jackson Farm, White House, TN; JBB Herefords, Gooding, ID; JMAR Farms, Long Lane, MO; Ron Beaver Herefords, Anamosa, IA; Ridenhour Herefords, Waldron, AR; River Bend Farms, Waldron, IN; Ollerich Brothers, Parker, SD; Wooden Shoe Farms, Blackfoot, ID.

"As a cattle producer, 50 years in the business is a great accomplishment," says Shane Bedwell, AHA chief operating officer and director of breed improvement. "The AHA congratulates each of these Golden Breeders and their families for their passion and commitment to the Hereford breed."
