D.G. Talbot Memorial Scholarship

Texas High School seniors or current students in the College of Agriculture at Texas A&M University are invited to apply for the \$1,500 D.G. Talbot Memorial Scholarship, which will be awarded during the Texas Hereford Association Annual Meeting, January 28, 2023. Information

and applications may be found at the Texas Hereford Association website under the Youth link.

A Fort Worth native and 1926 graduate of A&M, Mr. Talbot raised Herefords for almost 50 years. Early in his career, he served as secretary of the Texas Hereford Association, in management positions at the Fort Worth Stock Show, and during World War II, as a tank battalion commander. ★

Park Place Ups the Ante with Scholarship Opportunity

G.G. Park, president of Park Place Enterprises, Inc. – the graphic arts' firm responsible for pre-press production of the *Texas Hereford* magazine for more than 25 years – announced an additional incentive for front-cover submissions.

As her way of saying, "Thank you for your business," this past year Park paid \$100 directly to any THA/TJHA member whose photo was chosen to appear on the magazine's cover. The \$100 monthly payments will continue with something new added.

Beginning with the September 2022 issue of the magazine (through the May 2023 issue) any college bound TJHA member who submits a photo for the front cover of the magazine will be eligible to apply for the Judge Gary W. Park Memorial Scholarship. An invitation to apply will be mailed on June 15, 2023 to eligible TJHA members.

Deadline for applications is July 15, 2023. The \$300 award will be a check made out directly to the school. Proof of acceptance to a college, university or trade school (includes junior colleges) must be submitted with the scholarship application. The award will be mailed to the school on August 1, 2023. ★

First, I wish to thank everyone who helped me celebrate my seventy-fifth birthday last month. My son posted a happy birthday wish on Facebook and over 200 people called, liked or posted a message. The response was most humbling. For those of you concerned about my health, my heart doctor and primary care doctor say I am fine.

This issue covers our annual TJHA-TJPHA State Show. It was another huge success and each year seems to just get bigger and better. This year we had nearly 300 exhibitors enter over 600 cattle entries. Many thanks are due to all the juniors and adults who contributed to the event.

We are proud of the June/July issue we were able to assemble. Thanks to

all our members and advertisers. Hereford demand seems to keep growing. Even in this extreme hot and dry year, we should have a fantastic fall sale season.

Our web site continues to be very active in getting sale results. It has been seventeen years since our website first appeared. We have recorded over 200,000 viewers in this time. I am most pleased to hear from those of you who list cattle for sale and call to tell me the cattle are sold. I encourage more members to avail themselves of this service. More cattle listings will only draw more parties looking to buy. Success breeds success. We do ask that you keep the listings current and especially let us know when the cattle are sold. But for now, keep the information coming. I am also pleased to report that our Facebook presence has been a great success and that we now have over 5000 followers. Even our Texas Junior Hereford Association Facebook page is popular.

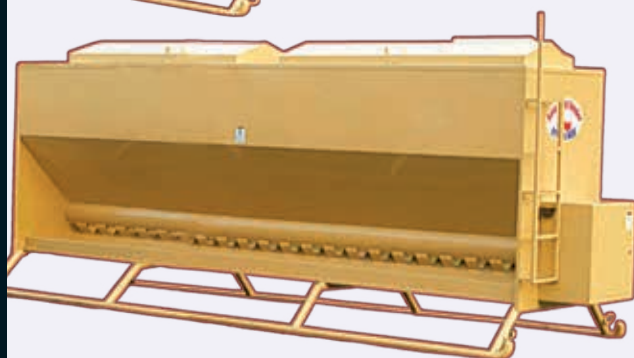

I remind members that entries are due now for the new Powerhouse 53rd Annual Whiteface Replacement female sale. Remember we can now accept Red Angus X Hereford cross heifers as well as Black-baldie heifers and we really need to increase our numbers in this division to continue to offer this class. Please help us gather a quality offering. If you do not have heifers, encourage a customer or neighbor to consign a pen or two. A successful sale is a good reflection for everyone involved in the Hereford industry. Also note that we have reinstated a pen bull show at Fort Worth.

There are many sales, shows and other promotional events coming in the next few months. I encourage THA members to attend all that you feel safe at and promote your Hereford breed every chance you get. Remember THA is here to help Sellers sell and Buyers buy. Until next month, stay safe, cool and pray for a good general rain. ★

THE BUZZ-KILL

THE BUZZ-KILL

Flies are a problem. They bite and stress livestock, spread disease through the herd, and cause stress and downtime during treatment. *UNTIL NOW...*

INTRODUCING THE BUZZ-KILL
The wireless, active fly control system sprays for flies easily with low stress for you and your livestock.

- No matter how big the herd or how spread out your fields are, we have a system to fit your needs.
- Our panel/power pack system has been designed so multiple panels can be set up semi-permanently at multiple locations and the power pack moved to where it's needed.
- Operation is simple with an on/off key fob and IR beam motion activation.
