# Outstanding Herd Bull for Sale.

We selected 9156 for his length of spine, big foot, udder quality of his dam, and his width from hooks to pins. He and his offspring are very docile, he is fully pigmented on both eyes and scrotum.

In his pedigree, you will see he is out of a tremendous 4030 daughter, a heavily used Sooner son at Barber Ranch and he goes back to the great 3029 cow 3 times.

He produces very femininie females, bull calves stout and growthy with very acceptable birth weights.

Now that summer is winding down, sale season is here. Further along in this issue there is a calendar of upcoming sales. I hope to all see you out supporting our fellow breeders and promoting Hereford genetics. As this heat continues, we still pray for rain in all the places that are in need.

A big congratulations to all of our Texas juniors for their participation and winnings at JNHE. You make us proud and represented us extremely well. The results are towards the end of this issue.

THA will co-sponsor our thirteenth annual Fall Classic consignment sale in partnership with the Buffalo Livestock Auction. This year we will have a great group of commercial crossbred females in ad-

dition to Hereford and Red Angus bulls.. We appreciate the interest and consignments from our members in this venture as well as the cooperation from the owners of Buffalo Livestock. We hope to see many of you at this sale on October 25. The TJHA board will be set up that day with a baked sale raising money for the activities they do throughout the year.

Entries are now due for the 54th annual Powerhouse female sale. Hereford cattle will again be stalled in the Moncrief building. I thank you in advance for your early response to entry deadlines. Please read the bulletin board carefully to see details about our meeting and room block. —*Sydney*

Wait, it doesn't end there. Sherman froze 900 units of excellent quality semen for us and our partners in 15 days at World West Bull Stud in Montana.

**No semen will be sold to the public until next January!**

W4 has a unique set of frozen embryos available from this young stud. Call for information on these matings.

## 22nd Annual Fall Female Sale

**Saturday, October 7, 2023**

**3 p.m. MST ~ at the ranch Bruneau, Idaho**

**Open heifers, bred heifers, spring heifer  
calf pair splits, young donors,  
embryos and semen**

**LOT 31**

**C CJC BELLE AIR LASS 8037 ET**

P43889907 • 1/6/18 — This is a sale feature and a great way to kick off this years cow sale. At such a young age 8037 has done so much being the mother of the record selling Guardian herd sire along with many great daughters. This is a cow we never thought would be available for sale but Dimitri is needing to sell his partnership cows, so she along with many offspring are available to purchase. Her added power and performance and IMF numbers will complement almost any mating and we feel she is the kind that can lead a program into the future.

**LOT 42**

**C CJC 4264 LADY GENESIS 1295 ET**

P44293650 • 8/28/21 — Every year we have a number of females we hate to leave the ranch and this female is sure one of them. The way she is bred she could take you to the next level. 4264 daughters are hard to part with as she is the dam of Belle Heir, Real Deal and O195 to name a few. She has 30 progeny scanned for an IMF ratio of 124. Retaining 1/2 embryo interest.

**All bred heifers carry a confirmed heifer calf pregnancy**

**LOT 45**

**C BELLE HEIRESS 2027**

44359730 • 1/3/22 — Red to the ground, rednecked with extra facial pigment. She has a real broody look with her overall design. Big ribbed and extra body capacity. Hard to find her type that still have this kind of EPD profile. Top 10% for IMF, SCHB and Stayability, Top 15% for CED and Udder.

**Special attraction at our fall sale — Your opportunity to pick.**

**Selling half interest in our young donor cows on the ranch.**

**C BARI LADY GENESIS 1141 ET**

**Angus - C TRUE NORTH WINNIE 1031 ET**

**LOT 21**

**C LADY BELLE AIR 2269**

44405855 • 8/24/22 — This will be a sale feature. Cruz has shown this heifer all summer with lots of success. She has always been in the mix for overall supreme and on more than one occasion she has beat the big ones. We feel this is one of our best national level prospects that has the tools to compete at any level. She is great fronted, square built and has the running gear for the long haul.

**Lot 23**

**C 1313 LADY GENESIS 2321 ET**

P44405899 • 9/18/22 — This lot 23 female is something special and one that will get found. She is flawless in terms of build and design. She will be one that will compete hard this winter and next summer. Donor dam 1313 is a full sister to Miles. She had a very successful show career and then has been a top producer.

**Lot 3**

**C BARI 8089 CANDY 3020 ET**

44471075 • 1/2/23 — This flush of sisters will be a big attraction on sale day. We feel this lot 3 female is the best show heifer prospect as we have ever produced. She is so great necked and perfect in her spine and topline. These females come from a long line of show winners both top and bottom. Out of a Belle Air daughter and Candy Cane, the 3 time National Champion Female.

**Lot 6**

**C CJC 9490 MILES 3015 ET**

44471070 • 1/1/23 — Big time cow power with quality and performance. Bred to be the donor kind that offers diversity when planning matings. If you want to breed for numbers they have the phenotype to carry the heavy lifting. The structure, build and power is here out of the many times proven donor 4264. She is also the mother of Belle Heir and many other herd sires.

**Lot 8**

**C 8037 MISS MAKER 3048 ET**

P44471101 • 1/4/23 — Exciting mating that will get your attention. These two sisters bring a lot of things together in one package. Birth to yearling spread with extra IMF but still have the look and phenotype to go with it. Lot 8 has a great rib cage with an elegant look. The donor dam 8037 is the mother of the record selling herd sire Guardian. Owned with Iron Lake Ranch.

**Lot 32A**

**C GUARDIAN GAL 3005**

P44471060 • 12/30/22 — Without a doubt a sale feature and one that has been a true standout all spring. This female is fun to look at and we honestly hate to sell this kind because we realize what this one can turn into. She has the power and performance with added color and look. Her EPD profile is nearly flawless. This will be a great representation of what Guardian can do.

Sale will be broadcast on

The Buchholzs are no strangers to the JNHE or any National Junior Hereford Association (NJHA) youth development programs. From hosting leadership conferences to sponsoring

shows, the Buchholz family advocate for youth education and leadership.

"My husband and I love to support juniors, and it's our way of continuing the breed for the future," said Kathy Buchholz, GKB Cattle, Desdemona, Texas. "To continue to support all of the educational aspects that the National Junior Hereford Association presents to juniors, it has just been a part of my life to help support juniors."

The Buchholzs have continuously gone above and beyond to support youth programs. The NJHA and the Hereford Youth Foundation of American (HYFA) could not be more thankful for their constant support.

## Hereford Juniors Prepared for their Future at the 2023 Faces of Leadership Conference

Sixty-seven junior members from 15 different states gathered in Columbus, Ohio, for the 2023 Faces of Leadership Conference, hosted by the National Junior Hereford Association (NJHA) July 23-26.

The theme of the conference was “Prepare You for Your Future,” with threads of connecting consumer perspectives to the livestock industry, including touring and working with the Ohio State University (OSU) meat science department, listening to speakers from all walks of the food industry sector and enjoying exciting adventures at the Columbus Zoo and Zoombezi Water Park, and a barn dance to finish the event.

“Leadership is influence, and we create that influence by building relationships,” said Marlene Eick, 2023 conference speaker. The first day of the event kicked off with two incredible presenters, Eddie Slowikowski and Marlene Eick. Like the theme of the conference and the different leadership skills learned, juniors were encouraged to remember how their influence impacts others.

“I love that Hereford cattle is what connects us all and brings us all here, but then it’s so much more than that, there’s so much more to expect,” said Kaylee Lunsford, Fort Scott, Kan.

A tour of the historic OSU football stadium brought the excitement of juniors to

the forefront, as they stood on the field gazing up at the stadium seats. An even more special moment followed, as Gene Smith, OSU athletics director, spoke on leadership in young people, an investment he has made a career of. An afternoon spent with Select Sires Inc., tapped into what the industry searches for when hiring.

“One of the things I like to say about young people when I recommend them, is that they’re not afraid to work,” said Brian House, vice president, beef program and product manager for Select Sires Inc. “The influence and hard work of the juniors in the NJHA are what set them apart from others in the career field.”

The Faces of Leadership conference is made possible by the Coley-Malir Leadership Endowment, through the Hereford Youth Foundation of America (HYFA). Rick Malir and Bonnie Coley-Malir hosted the attendees of this year’s conference throughout the event. Malir, president and founder of City Barbeque, was one of the closing speakers at OSU, and said, “What I hope you can take from this conference, is to dream just a little bit bigger, and to know that there’s a lot of different opportunities out there.”

The conference cultivates communication skills, encourages teamwork and focuses on individual development. Stay tuned for more information regarding next year’s conference. ★
