Dear Officers and Executive Committee,

Thank you all for awarding me an Honorary Membership at the recent THA annual meeting in Fort Worth. As a long time THA member, it was a real honor for me, and one I never expected to receive. It's a plaque I proudly hang in the office at the ranch. It brings back many memories of the great Texas Hereford breeders I had the honor and pleasure to serve with while an officer and Executive Committee member of THA.

Thank you again.

Sincerely,

Marty Harris

All Buck cattle are fed MFM Feed. Talk to us about their advantages.

As you can see from the sale reports further along in this issue Herefords are still in high demand. It is exciting to read the sale reports from the sales that have been held from all over the nation and how successful they have been. Breeders from Texas were listed as top buyers in many of these sales. In both the San Antonio and Houston All Breed sales, Herefords dominated the top end in high grading and high selling. Looking at these sale reports I hope as Hereford breeders you are proud and hopeful.

We have begun work on the 2023 annual membership directory. Every member will be mailed a herd listing form and ad reservation form. Please update your listing. I cannot stress enough how important it is that current members provide us with correct and complete information regarding phone numbers, e-mail addresses, herd information and directions to your ranch. We especially want to update those of you who have developed ranch web sites and can include you with a link from our web site.

Now is the time to select and hold a bull or group of bulls for our Fall Classic sale in Buffalo on October 25th. We are also trying to build a female sale with this sale. We will accept both registered and commercial Hereford females as well as other breeds and crosses. Now is also a good time to select and breed a pen of heifers for our 54th annual replacement heifer show and sale to be held in Fort Worth, Janu-

ary 2024. We can accept both Black and Red Angus cross heifers along with straight Herefords. We plan to have another heritage pen of cattle. We also plan to expand the pen bull show. THA through some generous sponsors has encouraged our junior exhibitors to enter the open show by providing a cash award in the form of a scholarship. I solicit a few more donors as well as all junior exhibitors to consider bringing their heifers to the National Show in Fort Worth. The junior must be present and be at the halter of his or her own animal to be eligible for the four top placing heifer prize money.

Our juniors are busy preparing for another great state show and field day held jointly with TJPHA. The event will be held June 7-10 in Belton. As an advisor I can safely say that this event could not happen without the support of the Hereford breeders around the entire state. This is something the juniors work for all year long and need our help with making it as successful as possible. I encourage all members to respond favorably with both monetary and volunteer help. All THA members could benefit from watching our youth in action. —*Sydney*

THE BUZZ-KILL

THE BUZZ-KILL

Flies are a problem. They bite and stress livestock, spread disease through the herd, and cause stress and downtime during treatment. **UNTIL NOW...**

INTRODUCING THE BUZZ-KILL
The wireless, active fly control system sprays for flies easily with low stress for you and your livestock.

- No matter how big the herd or how spread out your fields are, we have a system to fit your needs.
- Our panel/power pack system has been designed so multiple panels can be set up semi-permanently at multiple locations and the power pack moved to where it's needed.
- Operation is simple with an on/off key fob and IR beam motion activation.

This is Judd Daniels, your 2022-2023 TJHA President. I hope everyone is having a great show season and school year!

First, I'd like to reintroduce my outstanding team of officers: 1st Vice President Cooper Coffelt, 2nd Vice President Aidyn Barber, Secretary Alex Harris, Treasurer Wyatt Smith, Reporter Journi Ingram, and Parliamentarian Cade Harris. My advisors are John and Stacy Brogan, Sydney Howell, Brad and Missy Coffelt, Matt and Stephanie Harris, and Scanlon Daniels. I would also like to introduce the TJHA Royalty; our TJHA Queen is Abbey Jo Wohleb and TJHA Sweetheart is Kenedy Schatte. It has been an amazing opportunity to work with such a great group of people!

I would like to congratulate all of our junior exhibitors on a great show we had at the Fort Worth Stock Show! We held our annual joint meeting with the Texas Junior Polled Hereford Association at Fort Worth and discussed many topics, including the upcoming Texas Junior Hereford

Show. It will be held June 7-11, at the Belton County Expo Center in Belton, Texas. The theme for this year's state show will be "Back to The Herefords". There are so many different events this year that there is something for everyone, including public speaking, team marketing, livestock judging, team fitting, and art contests. With there being so many events, we are asking parents to please contact either myself or Polled Hereford President Kenley Carr (930-405-9550) to sign up to assist with events! The sponsorship letters will be going out in the mail soon, as you can imagine it takes a lot of support to put together the state show; we thank you in advance for your generosity and support. Please check out our online sale fundraiser on SC Online on April 3rd. We will have more updates and information on our Texas Junior Hereford Association Facebook page.

Judd Daniels
