Dear Scholarship Donor,

First, thank you for giving me the fantastic opportunity to continue my education. I wrapped up my first semester as a Sophomore studying Agricultural Science with Teacher Certification at Texas A&M University- Kingsville. While at TAMUK I participated in Javelina Camp and met some of my best friends. While on campus I joined Honors College, the Collegiate FFA Chapter, the Horticulture Club, and the Wildlife Society. Through CFFA I had the awesome opportunity to judge the Tip O Tex District FFA LDE contest, which was a great learning experience. I also had the opportunity to assist with the Jim Wells County Market Swine Show. I was selected to attend a wildlife training at the Welder Wildlife Refuge, where I gained knowledge of both wildlife and aquatics, and how I can apply that in a classroom. Project Wild was so much fun and was a great hands-on experience with ecosystems, soils, and tracking wildlife.

My classes were great. I had some awesome professors this semester and made great connections with them. I ended my first semester with a 3.42. I fell in love with my intro to Plants and Soils Science class. This may be what I pursue a minor in. I started working on a farm with show lambs. The family I work for is awesome and as someone who didn't grow up around sheep, I have learned a lot. It has taught me valuable skills about sheep and show lambs, and I can apply this knowledge to my degree. I am also serving as the Texas Jr Polled Hereford Queen and I will be attending the Spring Texas Major Livestock Shows to represent the Polled Hereford breed. Once again thank you for investing in me!

*Sincerely,
Rylee Blacksher*

Thanks to an additional donation, the Judge Gary W. Park Scholarship to be awarded for the first time in 2023 will now be \$400.

Since 1898, we've been continuously working to improve both our registered and commercial horned Herefords. By developing the classic west Texas Hereford using 21st century genetics, we produce rugged, sturdy, sound cattle that will get the job done in any operation.

The upshot – docile, easy fleshing cattle that are accustomed to all vehicles and trailers, as well as being worked with a horse, on foot and with dogs.

Whether it's beef on the hoof, or beef for your freezer, we are your best source for high quality.

As the dust is settling on the Fort Worth Stock Show and Rodeo, I want to start by saying thank you to everyone who attended our events and 53rd Annual Powerhouse sale. Without our supportive and dedicated members none of this would be possible.

I wish to thank all donors to our Heritage pens, champion awards, the high placing junior scholarship program, our other scholarships, silent auction, and our annual meeting social. Together we are doing great things for our youth and THA. Our committee voted to again award four places to our high placing junior exhibitors this year, which we should be able to do thanks to the generosity of everyone that commits to fund this event.

What a way to kick off the new year with our membership meeting, election of officers, the Powerhouse sale, and our Hereford shows. The executive committee will appoint committees and plan

for events for the rest of this year and into the next few years. I ask that all members who have thoughts, ideas, and projects or just want to volunteer their time and service to step forward throughout the year. I also challenge every member to try to recruit new members and be present at Hereford events. Our schedule does not

slow down after Fort Worth as you can see by our calendar.

Again, thank you all for your participation in Fort Worth, lets continue into the rest of the year full of events. —*Sydney*

LOT 61

C 1311 GENESIS 2135 ET

One of three full sibs from a tremendous flush. The only full sister was our record selling female in our fall sale at \$195,000. Both of the brothers are definite herd bull prospects and will be in our 2023 Denver Pen of 3. They combine the show ring look with performance and additional pigment. 1311 seems to never miss and has produced 1.2 million in progeny sales thus far. 2135 has great EPD and Index values being in the top 10% in nine economically important traits.

National Hereford Queen, Madison Katzenberger, Chad Breeding and Jack Ward present Kyle Lemmon with the Hereford Herdsman of the year award during the 2023 Cattleman's Congress.

Kyle Lemmon Captures Hereford Herdsman Of The Year Honors

Kyle Lemmon, Manchester, Md., was honored as the 2023 Hereford Herdsman of the Year at the National Hereford Show during the third annual Cattleman's Congress hosted in Oklahoma City, Okla. After votes were cast by fellow Hereford herdsman and breeders, the award was announced between the selection of the grand champion horned and polled Hereford females on Jan. 7 in Jim Norick Arena.

Every year, the Hereford Herdsman of the Year award honors an outstanding herdsman in the Hereford breed. Lemmon owns and operates Lemmon Cattle Co. alongside his wife, Nicole, daughter, Blakely, and son, Kashton. Lemmon's passion for the Hereford breed began at 9 years old; since then, he has focused on raising high-quality cattle. He believes the Hereford industry has incredible value and is honored to be a part of the breed. He spends countless hours in the barn, raising and managing his herd and completing day-to-day operations.

Over the last decade Lemmon has devoted considerable time to studying genetics and matings to breed elite females and influential bulls. Lemmon has been successful at some of the largest national shows, including the National Western Stock Show (NWSS), North American International Livestock Expo (NAILE), Keystone International Livestock Expo (KILE) and VitaFerm® Junior National Hereford Expo (JNHE), along with exhibiting previous show heifers and show bulls of the year. Lemmon and his family bred and exhibited the 2022 KILE third overall bull and champion Hereford bull, along with the 2022 Maryland State Fair supreme champion bull and champion Hereford bull. Additionally, Lemmon was named the 2022 premier breeder at the KILE and Maryland State Fair. Lemmon Cattle Co. had numerous division champions in 2022 at the JNHE, American Royal and KILE. Additional highlights include the 2019 NAILE reserve champion Hereford bull and the 2019 KILE reserve champion bull. He also bred the 2020 NWSS reserve champion polled Hereford female.

Lemmon's work ethic, respect, integrity and accountability are second-to-none. He ensures his customers have the best experience in the showing and provides them with great genetics to make exceptional breeding pieces. ★
